

REMINGTON MICROLITE

Small but Mighty

The Remington MicroLite is designed to give you quality, value, and all the comforts of home in a compact design made for smaller tow vehicles. Whether you are downsizing from a larger RV or looking for your first hard-side trailer, you'll love the available storage and

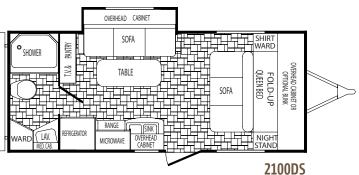

residential amenities offered in the Remington MicroLite. With sizes ranging from 18'-27' you're sure to find a model that's just right for you. Don't settle for less. The Remington MicroLite... Big things really do come in small packages.
