INTRODUCING THE INDUSTRY’S MOST FUEL-EFFICIENT, CLEAN DIESEL CLASS-A MOTORHOME!

Avanti’s European-inspired, aerodynamic design gives it an automotive feel behind the wheel. Initial independent testing showed Avanti is 70% more fuel efficient than any other Class-A diesel.*

This is a highly-livable coach with gorgeous, yacht-like styling. Notice unique drop-down bed system. Avanti is contemporary thanks to curved cabinetry, elegant fabrics and SMEV (Italian) appliances.

* Results may vary.
