# Magellan<sup>®</sup>

Class A Motorhome

*FW*  
*Four Winds*  
INTERNATIONAL

# MAGELLAN TRANSFORMS THE ORDINARY INTO EXTRAORDINARY

Shown with Belle Ayr Onyx interior, optional Cherry cabinetry and optional Luxor Leather driver and passenger chairs. The front overhead area features a 27" flat screen color television and ample storage cabinets on either side. The cockpit area is designed for maximum driver and passenger comfort. A convenient computer hook-up (including a 110V outlet and phone jack), is located on the passenger side. The large panoramic windshield provides added driver safety.

It's easy to see why the Magellan Class A motorhome is in a class by itself. The ordinary is transformed into extraordinary. In comfort. In quality. And in value.

The Magellan surrounds you in a magnificent blend of world-class comfort and contemporary style. With a choice of innovative floorplans, exquisite interiors and distinctive exteriors—you'll find a model to meet your needs, tastes and lifestyle.

When you experience the Magellan, you'll see that **nothing else will quite measure up.**

Shown with Belle Ayr Onyx interior, optional Cherry cabinetry and optional Luxor Leather hide-a-bed sofa. The sofa-dinette slide-out room dramatically expands your living area. The booth dinette features inner spring seating cushions for added comfort. It also easily converts into a bed when extra sleeping accommodations are needed.

Shown with Half Moon Slate interior, optional Maple cabinetry and optional central vacuum system.

## INTERIOR DECOR PACKAGES

Belle Ayr Onyx, Fawn carpet

Half Moon Slate, Fawn carpet

Ryan Sage, Fawn carpet

Standard Oak cabinetry

Optional Maple cabinetry

Optional Cherry cabinetry

The standard slide-out pantry offers plenty of handy storage for almost any size food item. When closed, it holds all of the items securely in place—even when on the road.

All Magellan motorhomes feature a full 84" interior ceiling height, and are built to meet stringent high-quality standards—from the inside out. These models are available in double, triple and quadruple slide-out floorplans.

For example, Model 36E is a triple slide-out floorplan offering dual zone living. It also includes two cozy leather Euro recliners in the bedroom. Model 36K is a triple slide-out floorplan that features a spacious bedroom with king-size bed and a washer/dryer option. Model 38E is the "original" quadruple slide-out gas motorhome. It is built on the dependable W24 Workhorse chassis.

All Magellan motorhomes feature a wide selection of upscale amenities from which to choose. You'll find a fully equipped kitchen with name brand appliances, and a comfortable living area perfect for relaxing after a full day of activities or entertaining guests.

# A TRANQUIL ESCAPE FOR REST AND RELAXATION

Shown with Half Moon Slate interior and optional Maple cabinetry.

The full rear bath on Model 36Z is shown with Belle Ayr Onyx interior and optional Cherry cabinetry.

Shown with Half Moon Slate interior and optional Maple cabinetry. The bedroom vanity has a mirror and upholstered stool. There is also plenty of cabinet and wardrobe storage to easily accommodate your personal belongings.

The spacious bedroom can provide an escape from a busy day—with all the amenities for you to relax in comfort and privacy. Attractive bedroom appointments include an inner spring mattress, hardwood headboard with beveled mirrors, color-coordinated bedspread and pillow shams.

The standard bathroom features a skylight in the shower, attractive medicine cabinet with beveled glass door and china toilet. Model 36Z features a full bath in the master bedroom and half bath off of the main living area. Model 38E has two entry doors to the bath area—one from the hallway and one from the bedroom.

## THE FOUR WINDS QUALITY DIFFERENCE

What sets Four Winds International apart from other manufacturers? It's our level of quality built into all of our motorhomes. It's the value integrated into all of our designs. It's a dedication to innovation so we can continually improve the quality and value of our motorhomes year after year.

Our ultimate goal is to build the right combination of quality, functionality and durability into each recreational vehicle for an extraordinary value. It's a commitment we take seriously, and one on which you can depend.

## THE DIFFERENCE IS CLEAR

At Four Winds International, we strive to go beyond your expectations in every recreational vehicle we build so you can enjoy a better quality of life when traveling on the road.

All Four Winds motorhomes come with a full one-year, 15,000 mile bumper-to-bumper warranty, and a three-year, 45,000-mile limited structural warranty. Our nationwide dealer network is fully equipped and trained to meet your service needs. The experienced Four Winds support staff is available to provide assistance on all technical, service and warranty issues. See your Four Winds International dealer for complete warranty details.

Four Winds continues in our commitment to provide high-quality products and support services that results in customer satisfaction—one customer at a time. So whether you are a first-time recreational vehicle owner, or an experienced one, we want you to enjoy many years of adventures in your Four Winds International motorhome.

*This is the Four Winds difference.*

## WHY THOR IS YOUR BEST RV VALUE

Thor Industries, Inc., listed on the New York Stock Exchange (THO), proudly traces its history back over 70 years to the pioneering days of the recreational vehicle industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth.

Today, Thor is the largest builder of recreational vehicles. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Because our customers are always #1 with us, we work harder than other manufacturers to satisfy you.

- Deluxe heavily insulated aluminum compartment doors
- In-floor slide system allowing for full height storage compartments
- Heated and enclosed Roto-Cast® holding tanks

# Added Convenience Features... A Magellan Plus

The standard One-Stop™ Systems Center houses commonly used switches and controls all in one convenient location. These include the systems indicator (shows holding tank and battery charge levels), water heater control switches, thermostat, generator control and hour meter, and slide-out control.

The Below Floor Utility Station is securely enclosed in a seamless Roto-Cast® storage compartment. It houses phone, cable, electrical and plumbing connections where they are kept protected and dry. Everything is clearly marked and simple to connect so set-up and tear-down is a snap.

Ample pass-through exterior storage compartment offers plenty of extra storage for large, bulky items as well as small personal belongings. The fully insulated, locking metal doors are easy to open, and ensure convenient, safe storage for your valuable belongings while traveling.

**IMPORTANT:** Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating (GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer weighing more than 1,000 lbs. (450 KG) when fully loaded.

### VEHICLE LOADING:

Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

### DRY WEIGHTS:

Based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options, and cargo. Liquid capacities and weights are approximations only.

### WARNING:

This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.
