Hornet Mini Motorhomes • By Damon Corporation

Hornet Mini Motorhomes. Compact, without compromising quality.

Whoever said big things come in small packages would certainly be pleased with the Hornet Mini Motorhome. If you're like most RV enthusiasts, you've been stung searching for a mini-motorhome that combines affordability with a host of popular RV features. Well, look no further. The Hornet from Damon Corporation is your nest away from home.

Incorporating the latest in lamination-construction technology and the expanded space of new wide-bodied units, Hornet is truly a recreational vehicle that must be seen to be appreciated. You're sure to notice the space optimizing floor plans and deluxe furniture. In addition, wonderful meals are at your fingertips with appliances that include a three-burner, high-output range, microwave oven, double-door refrigerator (optional on LE) and bright double-bowl porcelain kitchen sink.

And if that doesn't whet your appetite, how about hardwood framed cabinet doors in the kitchen. A dinette with four seatbelts. A large skylight shower. An LP-gas detector and carbon-monoxide detector — all standard. There's even spacious storage for pots and pans under the dinette. The innerspring bedroom mattress has a coordinating bedspread. Optional amenities include an electronically tuned AM/FM stereo cassette and heated holding tanks.

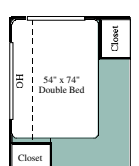

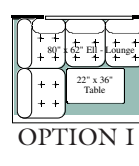

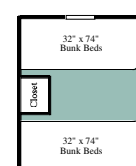

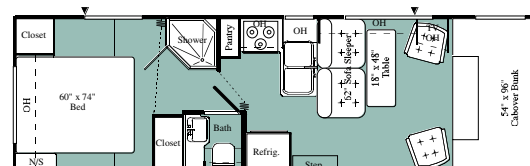

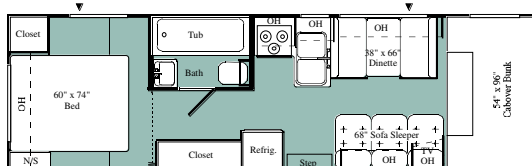

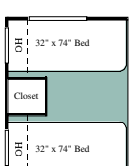

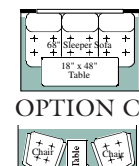

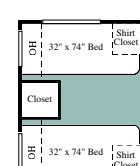

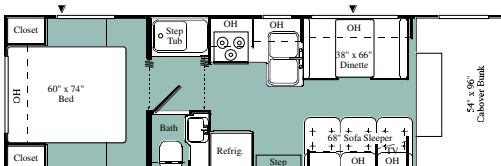

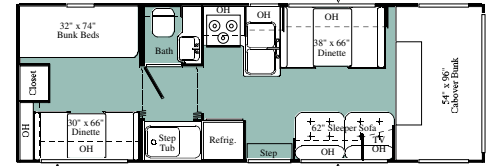

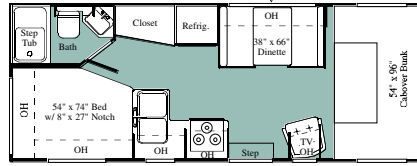

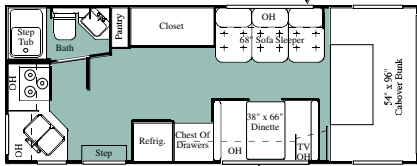

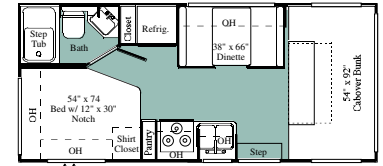

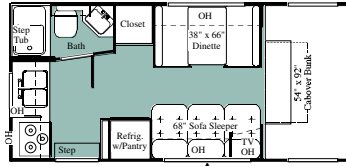

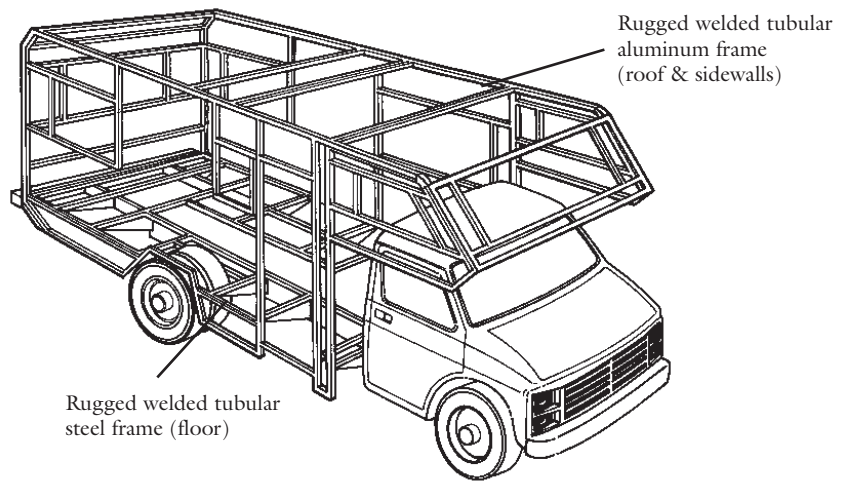

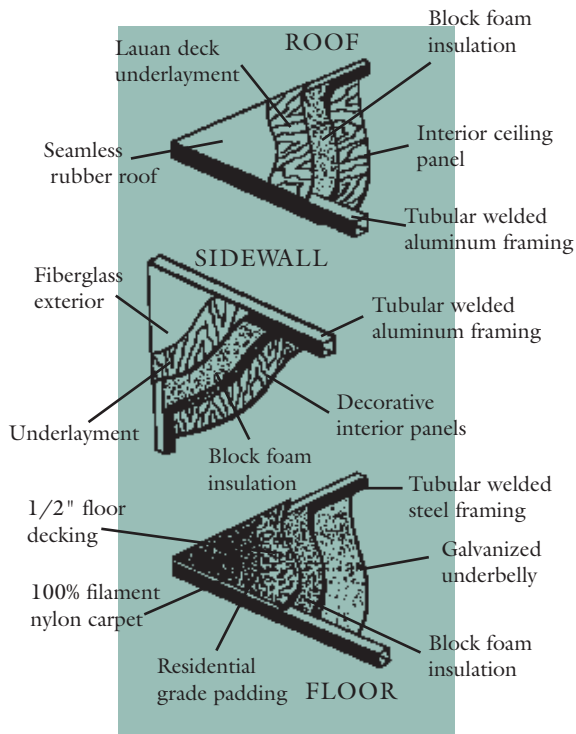

Nine floor plans—each meticulously designed to offer a warm, inviting atmosphere—are available, with models 26 feet and longer featuring basements with pass-through storage. Moreover, the supple colonial white exterior is durable, yet handsomely attractive and easy to clean.

Engineered to deliver value and exceptional comfort at an affordable price, Hornet blends Old World craftsmanship with new-age technology.

So take the sting out of your next mini-motorhome purchase. Beeline to your nearest Damon dealer for unmatched quality and affordability.

(Above) Every day is a great one in the Hornet, shown here in Model 2907B with Sandstorm decor. Everything is plush — from the upholstered couches to the cozy captain's chairs. (Below) Everything from snacks to four-course meals comes out of this galley, with appliances and plenty of storage space. Oak cabinet doors make the look both warm and elegant.
