---

All options may not be available in every model. Specifications and standard or optional equipment are subject to change without notice or obligation.
The chassis pictured above was developed by Freightliner Custom Chassis Corporation to offer the long-term dependability of diesel power, along with fuel economy and a high resale value. It features a quiet Cummins L6 engine and an Allison 2000 MH transmission with overdrive for the 34 to 39 ft. models.

With a moderate price tag, we think you’ll find FRED is a friend indeed.

CONSTRUCTION SPECIFICATIONS

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY The structural integrity of the entire coach is guaranteed for the next 10 years. Warranty includes wall separation and inner frame weakness.

5-YEAR LIMITED LAMINATION WARRANTY We guarantee against all exterior fiberglass delamination or wall separation.
