Go ahead. Give into your wanderlust. With Commander you can take on your most ambitious adventures, confident in the knowledge that the comforts of home travel are with you. We’ve loaded Commander with features designed to make the road less taxing and more enjoyable than ever before. But, perhaps, the most comforting thing about Commander is that it has been built with the same commitment to quality and attention to detail that you’ve come to expect from Triple E; something that is sure to bring you peace of mind on your next adventure.

New Commander Features For 2005 Include:

- Wood look laminate floors to the entrance door (most models)
- Convertible cockpit – easily converts into expanded living space
- Porcelain sinks (except A3227FB) and china toilets in lavatory
- Duralon Fastlock
- FRP Horsehead
Everything about Commander’s living space has been carefully thought out. From the elegant and spacious dinette area to the full featured bathroom carefully designed with privacy in mind, you’ll enjoy the interior’s plush walk-to-walk carpeting, rich bedding and stylish accents, all helping to make it the perfect refuge from a day of travel.

Sleep soundly in Commander’s spacious bedroom that combines a soothing décor with a luxurious queen sized bed. Shown: Model A3711FWB featuring comfortable occasional chairs with matching ottoman, opposing windows for superior airflow and halogen reading lights.

Sturdy aluminum doors protect the exterior baggage compartment. Access is made easy thanks to gas-powered struts.

32” flat screen TV

The bedroom features beautiful French doors and large wardrobes. This wardrobe slide out has more than ample storage drawers and is completed with a 20” flat screen TV.

The large laundry hamper (select models only) can accommodate several days of clothing, keeping your living area neat and tidy with a convenient laundry day.

The pull-out pantry (select models only) stores your food and non-perishable groceries.

Commander’s galley features wear resistant solid surface counters and high pressure laminate flooring with natural wood grain appearance. Golden Maple cabinet is available as an option to the standard Autumn Oak.

Golden Maple Cabinetry

Storage space has been optimized through smart design, and includes conveniently placed trash receptacle.

Other notable features of Commander’s cockpit include adjustable armrests on the captain chairs, an optional pull-out laptop tray that is perfect for snacking on the go or reading a map and an optional power sun visor.

Among the smart details of the bedroom is a convenient make-up table with optional stool, and day/night shades with blackout to ensure privacy.

Among the smart details of the bathroom is a conveniently placed trash receptacle.
COLOUR OPTIONS

You can personalize both Commander’s interior and exterior schemes. First select either Misty Meadow or Sahara Sunset for your exterior (both are available in standard and full paint options). Then select your interior design scheme from the four available. While we’ve provided two recommended interior design options for each exterior motif, any of the four interior designs can be selected for your vehicle. Each interior motif has been artfully created by Triple E’s professional interior designers to skillfully coordinate upholstery, carpeting and window treatments for an overall effect that is both warm and inviting.

Visit www.tripleerv.com for more information on available options.

- **Weight:** The maximum permissible weight of this motorhome. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW) plus the net carrying capacity (NCC).
- **Unloaded Vehicle Weight (UVW):** The weight of the motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, occupants, factory or dealer installed accessories.
- **Net Carrying Capacity (NCC):** The maximum weight of all occupants, including the driver, personal belongings, food, fresh water, LP gas, engine and accessories, that can be carried by this motorhome.

Please see your dealer for weights of factory installed options.
A reputation for excellence since 1965

For forty years Triple E has produced style, comfort, durability and uncompromising quality in recreation vehicles. We’ve built our reputation by maintaining full control of the manufacturing process, and almost everything you see in the finished product has been built on site to our renowned high standards, plus those of the Canadian Standards Association or Recreational Vehicle Industry Association. Triple E was also one of the first RV manufacturers to achieve ISO 9001 certification. If you demand the best in your RV, you’ve found it in Triple E.
