Holiday in style.

Empress Elite is the cream of the crop of Triple E’s deluxe recreation vehicles, boasting unparalleled design quality, deluxe comfort, distinctive furnishings and spacious floor plans. Powered by a mighty Cummins ISL 400 HP Diesel Engine on a robust Freightliner Chassis with independent front suspension, this model provides the driver with worry-free handling while passengers savour a quiet, smooth ride. With Empress Elite, don’t be surprised if you enjoy the journey just as much or more than your destination.

Kitchen clean-up is faster and easier thanks to the optional built-in dishwasher.
Danish walnut cabinetry
Adjustable gas and brake pedals
Rear view and side-turn cameras
Keyless entry front entrance door
Onan 8 KW quiet diesel generator with auto start system

New 07

Make a reservation tonight at that cozy out-of-the-way place! The dining area’s extendable solid surface table is complemented by wood-accented window treatments and pleated day/night shades.

Turn out the light and sleep tight in this residential quality queen-sized bed, completely furnished with a decorative bedspread, matching throw pillows and a stylish, wood-accented headboard.

The optional Danish Walnut cabinetry’s classic rich finish adds warmth to your living space. Egyptian Sands Décor shown.
Empress Elite is where casual elegance meets modern-day convenience. The generous living space and open-design galley area is as impressive as it is inviting, enhanced by optional natural cherry cabinetry. Egyptian Sands Décor shown.
Subtle sophistication is evident in such accents as the galley’s oil-rubbed bronze fixtures, stainless steel sink and solid surface countertop.

The wraparound cockpit is designed to give the driver comfort, convenience and total control behind the wheel.

The traveling gourmet has plenty of room to cook in this spacious galley, featuring a solid surface countertop, slide-out counter extension, heated tile flooring and a 12-cubic foot stainless steel fridge with ice maker.

Restful and stylish, the master bedroom offers a large, cedar-lined wardrobe closet, plenty of drawer storage and a 20” LCD TV for your enjoyment.

www.tripleerv.com
The Empress bathroom is just as thoughtfully designed as the larger living areas, with its spacious medicine cabinet, oil-rubbed bronze fixtures, solid surface countertop and basin.

With a quick swivel of the sumptuous captain’s chairs, the cockpit easily converts into a homey living area suitable for entertaining guests or for enjoying some quality relaxation.

Entertain outdoors with the optional exterior stereo and 20” LCD TV — on an extendable/swing-out mount in the extra-large exterior storage compartment.

The optional, space-saving washer/dryer combo is neatly tucked into the master bedroom.

Entertain outdoors with the optional exterior stereo and 20” LCD TV — on an extendable/swing-out mount in the extra-large exterior storage compartment.

The optional, space-saving washer/dryer combo is neatly tucked into the master bedroom.
Born of our northern heritage, Triple E's exclusive Climate Guard® system is quite simply the best interior comfort and exterior protection package available in the recreational vehicle industry today. The Climate Guard® system has been developed with today's motorhome enthusiast in mind. It provides year round climate controlled comfort for passengers as well as built in protection for the motorhome itself, ensuring years of trouble free operation and enjoyment.

The major considerations in building a top quality motorhome are long lasting beauty coupled with the ability to stand up to all weather conditions. The coach is an aluminium and steel framed structure with vacuum bonded gel coat fibreglass sidewalls and a domed roof finished with a seamless FRP Flexroof.

**INTERIOR COMFORT AND EXTERIOR PROTECTION**

**INTERIOR**

- Dometic® roof air conditioners, ducted front to rear, control the temperature throughout the coach.
- High output chassis air conditioner provides travelling comfort.
- Electronic ignition furnaces designed to maintain requested interior temperatures through extreme exterior temperatures.
- High output chassis heater for quick windshield defrost.
- A rear auxiliary automotive heater—dashboard control switch—makes travel comfortable while heating the fresh water and holding tank compartments.
- Vacuum bonded, aluminium framed, insulated sidewall and roof construction provides structural strength and maintains warmth throughout the coach.
- Coach windows are designed with a dual pane construction—impeding the transfer of cold to make the interior of the window warmer and less subject to condensation.
- Optional insulated vent covers provide superior insulation for the fantastic fans and roof vents.

**EXTERIOR**

- Scratch and hail resistant gel coat fibreglass sidewalls with all weather exterior finish are easy to maintain and will not rust, pit, or fade.
- A domed, seamless, insulated, one piece FRP Flexroof promotes quick water run off and minimizes exterior maintenance.
- Durable undercoating protects against dust and moisture and reduces stone and road noise.
- Steel enclosed, fibreglass insulated and heated fresh water and holding tanks assure extreme cold climate performance for your plumbing system. Tanks are heated from two different sources—the motorhome’s ducted furnace while parked and the rear auxiliary automotive heater when travelling.
- Winterization system complete with potable antifreeze tank allows you to easily drain tanks and fill water lines with potable antifreeze.
- Steel, insulated, and sealed firewall protects the driver and passengers from the outside elements.
- Additional 1/4" thermal break insulation beyond the standard 1" Styrofoam block insulation separates the climate controlled interior from the outside elements.
### Colour Options

- **Driftwood**
- **Riviera**

*Includes air conditioner  **Includes 10 U.S. gal. (38 L) (16 equivalent) water heater

**GVWR (GROSS VEHICLE WEIGHT RATING)**
The maximum permissible weight of this motorhome. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW) plus the net carrying capacity (NCC).

**UVW (UNLOADED VEHICLE WEIGHT)**
The weight of the motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, occupants, factory or dealer installed accessories.

**NCC (NET CARRYING CAPACITY)**
The maximum weight of all occupants, including the driver, personal belongings, food, fresh water, LP gas, tools, tongue weight of towed vehicle, factory and dealer installed accessories, etc., that can be carried by this motorhome. (NCC is equal to or less than GVWR minus UVW.) Please see your dealer for weights of factory installed options.
### Chassis and Suspension
- Air Brakes with Slack Adjusters
- Air Suspension with Sachs Tuned Shock Absorbers
- Alternator – 160 Amp
- Block Heater (1,000 W) with Switch in Convenience Centre

**07**
- Chassis – Freightliner XC with Cummins ISL 400 HP Turbo Diesel Raised Rail Side Radiator with 2 Stage Engine Brake
- Fuel Fill – Concealed Locking Fuel Fill Access on Both Sides
- Hitch – Trailer Hitch Receiver with Wiring and Plug, 1,000 lb./10,000 lb.
- IFS –ZF Independent Front Suspension with Air Disc Brakes
- Tires – Radial 275/80R22.5
- Transmission – Allison 3000 MH Six Speed Automatic with Lock-Up and Transmission Cooler
- Wheels – Aluminum Wheels (Front and Outer Duals)

### Drivers Area Conveniences
- Blinds – Side Driver and Passenger Roller Blinds
- Compass/Thermometer – Dash Mounted Directional Compass with Exterior Temperature
- Cover – Hydraulic Powered Front Step Cover
- Cruise Control
- Dash Air and Heat – Dual Blower in Steel Cage
- Fan – Overhead Blower Above Windshield
- Mirrors – Heated Remote Chrome Power Mirrors
- Pedals – Adjustable Gas and Brake Pedal with Infinity Adjustable Tilt Telescopic Steering Column with Foot Pedal
- Rearview and Side Turn Cameras with Monitor – Colour LCD Display Mounted in Dash
- Seat – Ultra Leather Swivel Driver Captain Chair with Integral Seat Belt, 8-Way Power
- Seat – Ultra Leather Swivel Passenger “Buddy Seat” with Integral Seat Belt and Power Foot Rest, 8-Way Power
- Steering Wheel with Leather Cover, VIP Controls include Wiper and Washer
- Sun Visor – Power Driver and Passenger Sun Visors
- Switch – Battery Boost (Coach to Chassis Batteries)
- Switch – Battery Selector for Radio
- Transmission Temperature Gauge
- Wipers – Wet Arm 28” Windshield Wipers with Intermittent Function

### Vehicular
- Air Horns
- Bumpers – Integrated Fiberglass, Steel Reinforced
- Headlights – Styled with Halogen Bulbs
- Jacks – “One Touch” Automatic HWH Leveling System with Automatic Air Dump
- Light – High Mount Stoplight, LED Long Life
- Lights – Halogen Automotive Driving Lights
- Lights – LED Exterior Clearance Lights
- Mud Guard – Monogrammed Triple E Rear Mudguard (Stainless Steel on Rubber)
- Rust Protection
- Undercoating – Automotive Type

### Construction (continued)
- Baggage Doors – Aluminum Baggage Doors with Gas Struts and Slam Latches
- Baggage Doors – Side Swing Aluminum Baggage Doors with Gas Struts and Slam Latches Under Curb Side Slide-Out
- Fiberglass Molded Front and Rear Mask
- Lined and Lit Baggage Compartments
- Roof – Domed Kemlite FRP Flexroof
- Steel Cab Floor, Firewall and Dash Structure
**GALLEY FEATURES**

- Backsplash – Tiled backsplash in Galley with Decorative Inlay
- Cooktop – Recessed Cooktop with High Output Sealed Burner and Hinged Solid Surface Covers
- Counter Extension – Slide-Out Extension with Solid Surface Top and Storage
- Countertop – Solid Surface Countertop with Matching Cutting Board Sink Covers and Stainless Steel Sink
- Dishwasher (N/A with Gas Oven Option)
- Faucets – Deluxe Single Lever Faucet with Sprayer
- Flooring – Heated Ceramic Tile Flooring with Decorative Inlay in Galley
- Light – Fluorescent Light on Ceiling in Galley
- Microwave – Stainless Steel Finish (OTR) with 110 Volt Range Hood and Light
- Oven – 22” LP Gas Oven (N/A with Dishwasher Option)
- Refrigerator – 4 Door 12 cu. ft. with Ice Maker LP/Electric, Stainless Steel Finish Doors
- Slide-Out Butcher Block on Locking Tracks with Knife Drawer in lieu of Top Drawer Under Countertop (N/A with Oven option)

**LAVATORY**

- Countertop – Solid Surface Counter and Basin
- Faucet – Deluxe Faucets
- Flooring – Heated Ceramic Tile Flooring with Decorative Inlay
- Shower – Neo Angle Fiberglass Enclosed Shower with Glass Shower Doors
- Sink – Stainless Sink with Deluxe Faucet in Toilet Room
- Skylight – Residential Neo Angle in Shower Compartment
- Toilet – Concerto China Toilet with Sprayer
- Tub – Enclosed Fiberglass Garden Tub with Glass Shower Doors
- Window with Valance and Venetian Blind in Toilet Room

**BEDROOM**

- Bedspread – Decorative Bedspread with Throw Pillows
- Closet – Cedar Lined Wardrobe in Bedroom
- Dresser – Residential Style Dresser with Mirror and Tip-Out Laundry Hamper
- Headboard – Wood Framed and Upholstered
- Mattress – Residential Premium Quality
- Shades – Day/Night Pleated with Blackout
- Storage – Under Bed Storage Drawer

**ENTERTAINMENT**

- CB Antenna – includes Labelled Coax Lead-In Under Dash
- CD Changer – 10 Stack CD Changer (N/A with GPS Option)
- GPS Navigation System with 6 Stack CD Changer with XM Satellite Pre-Wire (subscription not included)
- ILO Big Button Dash Stereo
- Master Control – Deluxe Audio/Video Master Control Switch Box with RCA Cables
- Pre-Wire – Satellite Dish Pre-Wire (with 12 Volt Power and Motosat Cable)
- Satellite Dish – Motosat 18” Executive with DVB Automatic Acquisition and Identification
- Satellite Radio – Pre-Wire including Satellite Antenna (Subscription not Included) (replaced by XM with GPS Option)
- Satellite – Sirius Ready AM/FM Weather Band Receiver with CD Player in Dash with Big Buttons
- Telephone and Cable TV Hook-Up, Exterior
- TV – AC 20” Sharp LCD Colour Stereo TV with Remote in Bedroom in Dresser Slide-Out
- TV – AC 20” Sharp LCD Colour Stereo TV with Remote in Bedroom in Pull-Out Cabinet
- TV – AC 32” Sharp LCD Widescreen TV with Remote in Entertainment Cabinet Behind Slide-Out
- TV Antenna – Roof Top Retractable Antenna with Booster, Dash Mounted “Antenna Up” Light

**HEATING VENTILATING and AIR CONDITIONING**

- Air Conditioner – Dual (2) Centrally Ducted 15,500 BTU with Heat Strip and Remote Return Air
- Fan – Fantastic Non Reversible Thermostatically Controlled in Master Bedroom
- Fan – Fantastic Non Reversible Thermostatically Controlled in Toilet Room with Wall Switch and Rain Sensor
- Fan – Reversible Thermostatically Controlled Fantastic Fan in Living Area with Wall Switch and Rain Sensor
- Furnaces – Front 35,000 BTU and Rear 25,000 BTU Central Furnaces with Electronic Ignition and in Floor Ducting
- Heater – Dual Rear Auxiliary Automotive Heaters with Electric Control Valves
- Fan – Reversible Thermostatically Controlled in Master Bedroom with Wall Switch and Rain Sensor

**ELECTRICAL**

- Alarm System with 2 Motion Detectors
- Batteries – 4 x 6 Volt Deep Cycle Auxiliary Battery with Slide-Out Tray
- Battery Disconnect – Chassis Batteries
- Bidirectional Isolator Relay Delay (BIRD) Battery Charging System
- Convenience Centre – Mounted Mid Ship, Level Monitor, Block heater, Thermostat, EMS Controls, Inverter Control
- Generator – 8.0 KW Onan Quiet Diesel with Hour Meter in Conveniece Centre
- Inverter – 2000 Watt Inverter with 100 Amp Charger with Freedom Remote
- Energy Command 30 – Onan Automatic Generator Control
- Panel – 50 Amp Electrical Service with Energy Management System
- Power Cord Reel – 50 Amp Power Cord Reel
- Pre-Wire – 12/110 Volt Receptacles in Baggage Compartment (Freezer Prep)
- Pre-Wire for Solar Panel
- Pre-Wire – Satellite Dish with 12 Volt Power, Ground, RG-6 Coax and Fish Wire
- Pre-Wire for Power for Main Anging
- Receptacle – Patio GFI Receptacle
- Switch – Electronic Battery Disconnect (Coach Batteries)

**PLUMBING and LP SYSTEMS**

- Black Tank Flush System
- Exterior Showers
- Holder – Tip Down Underbody Sewer Hose Holder
- Holding Tanks – Enclosed and Insulated, Dual Heated Waste Holding Tanks
- LP Tank – Easy Access Propane Tank
- Washer/Dryer Prep Package
- Water Filter – Whole House Water Filter in Utility Module
- Water Heater – 16 gal. Equivalent Electronic Ignition Gas/Electric/Motoraid Water Heater
- Water Hose Reel
- Water Pump – Variable Speed Water Pump with 3-Way Switching
- Water Tank – Enclosed and Insulated, Dual Heated Fresh Water Tank
- Winterization System with On-Board Potable Antifreeze Pick-Up Tank

**SYSTEMS**

- Central Vacuum with Outlet in Baggage Compartment
- Freezer/Refrigerator – On Slide-Out Tray 1.38 cu. ft. (AC/DC)
- Washer/Dryer (vented)

**OPTIONAL AWNING PACKAGES**

- Awning – WeatherShield Equipped A&E Elite Window Awnings (Main Slide Windows and Bedroom Window)
- Factory PDI

New for 07 "S Standard 0 Optional"
TWO YEAR LIMITED WARRANTY

Triple E is proud to offer a two year limited warranty on structure as well as most major components. Please see your dealer for further details.
