Fun Finder X
Ultra-Lightweight
by Cruiser RV

2010
The Best of the Best

Let the Fun Begin

Just Got Better
Attention to detail is one of the many things that sets Fun Finder X apart. From the stainless appliances to upscale interiors, the X is clearly a notch above!

Enjoy comfort on the go with coordinated décors that set the stage for good times and lasting memories.
All dinettes are easily converted into sleeping areas, allowing you to maximize all space.

A queen sized walk-around bed with upgraded mattress and down comforter also lifts up to offer great under bed storage.

The jack-knife sofa sleeper adds space for an overnight guest while providing a comfortable sitting area by day.

The X189FDS truly maximizes all available space. The electric slide features a 6 cu. ft. double door refrigerator and a spacious dinette. Large windows and bright décor give this lightweight a "big" feel.

Our ever-popular Harmony White cabinetry is the perfect backdrop for your choice of décor color.
Cruiser RV has designed our lightweight travel trailers to be towable by today's lighter weight trucks and SUVs.

Our narrower and lower design, plus a sweeping aerodynamic front profile all help minimize excess wind drag which means greater fuel economy for you.

The narrower seven-foot-width also eliminates the necessity for extended width side mirrors adding comfort and safety to your travel.

**Walls**
1. Gel coat fiberglass
2. Luan wood backer
3. Polystyrene block foam insulation
4. Luan wood backer
5. Decorative wall vinyl
