Make life one big roamin' holiday.

BOUNDER DIESEL
CLASS A DIESEL

Bounder Diesel 38N shown in Beige Bounty interior decor.

THE WRAP AROUND DASH features large, easy-to-read gauges and easy-to-reach controls. Optional power sun visors help reduce glare, while an AM/FM radio with a CD player and Sirius\* satellite radio entertains your ears.

# The beloved Bounder. Only better.

It's a match made in heaven — the wildly popular Bounder and a powerful diesel engine. Bounder Diesel boasts all of Bounder's hallmarks—such as innovation, functionality, value—and a diesel engine in back that can propel you over that steep grade without breaking a sweat. But make no mistake, this is every bit a Bounder, so you can still camp with your Bounder buddies. Just be prepared to give lots of tours.

 CONTEMPORARY LIGHT FIXTURES provide ample lighting, as well as a touch of home.

• THE ENTERTAINMENT
SYSTEM sports a 26"
LCD TV and a 5.1
Dolby\* home theatre
system with surround
sound, DVD, CD and
AM/FM radio. Boredom
takes a holiday!

## There's room to roam inside, too.

Go ahead, invite everyone over to your place. Bounder Diesel has plenty of room. With triple and quad slide-outs, including one full-wall slide floor plan, you can spread out and relax. The living room has large windows for a wide-open feeling, dual sofas or a sofa and a love seat, plus 84" of floor-to-ceiling room. With all this space, your guests may never want to leave — that's the bad news.

O **THE PANTRY** keeps your snacks nice and neat, easy to see, ready to eat.

 THE DINETTE has ample elbow room for four to play a spirited game of cards. Just be careful nobody is cheating while you're gazing out that great big picture window!

o **POTS AND PANS DRAWER** fits full-size cookware, so you can cook family reunion-size meals.

 OVERHEAD STORAGE provides ample space to keep those things you can't live without, but might not use every day.

#### O UNDER-THE-SINK STORAGE

holds everything you need to keep your kitchen tidy. A clean kitchen is a happy kitchen. It also has a space specially designed to put your sink and range covers when not in use.

○ **THE BEDROOM** is built for comfort — from the Restonic® innerspring mattress to the extra space provided by the slide-out. But elegance has its place here too, courtesy of the bedspread with matching pillow shams.

**O SPACIOUS DRAWER STORAGE** extends all the way out to accommodate folded clothes or extra linens.

• THE PULL-OUT HAMPER (select models) is cleverly built into the bedroom cabinetry so your dirty clothes are sequestered out of sight.

## Once you're all alone, it's time to get comfy.

The best place to wind down is the bedroom suite. Start with a soothing rinse in your roomy, sunlight-filled shower. Then slip into some warm bedclothes right out of the dryer (optional). After a little TV or a good book, hit the remote generator switch on your bedside table and indulge in a good night's sleep on your ultra-comfy queen-size bed.

o **THE BATHROOM**makes you feel right at home with a large sink with a solid-surface countertop, a full-size medicine cabinet with vanity lights, and brushed nickel towel bars.

 VANITY PULL-OUT BASKETS are a handy place to keep things like extra towels, socks and such (select models).

THE MIRRORED WARDROBE gives you plenty of cedar-lined space, with handy wire shelving to hang your clothes, and a tall mirror to see how they hang on you.

## More horses. No hump.

With a mighty 300-horsepower Caterpillar<sup>®</sup> C7 diesel engine, you get 860 foot pounds of hill-climbing, load-towing torque. You're sure to notice the smooth ride and self-leveling suspension. And all you have to give up is the engine hump and front engine noise.

## The innovation of Bounder. The luxury of diesel. And the reputation of Fleetwood behind it all.

Just like Bounder, Bounder Diesel is designed, built and backed by Fleetwood. After more than 55 years as one of America's leading RV manufacturers, we know what RVers want. So we deliver smart designs, high-quality construction and outstanding service. Because we understand that Bounder isn't just a motor home, it's a way of life.

## It's easy to see where Bounder Diesel gets its good looks.

Choose from three handsome paint options, all featuring Full Body Paint standard.

## Why Fleetwood?

#### Service

Help is nearby. When you need an upgrade or repair, you'll find facilities all across North America and more than 1,100 dealers ready to assist you.

#### Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

#### Warranty

Breathe easier with RV Ownercare, one of the best warranties in the industry. See your Fleetwood dealer for details.

#### Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

## Quality There's no

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

## It has "inner beauty" too.

Take your choice from some of the finest interior woods and fabrics in the Fleetwood family. Sure, they're beautiful, but they're also durable and comfortable.

# With exterior features like these, you may find yourself saying, "We really should get out more often."

When listing the Bounder Diesel's best exterior features, the full-body DuPont® paint job has to be right at the top. Heck, we could go on and on about how beautiful and long-lasting it is, but we'll leave that to you.

## THE UTILITY COMPARTMENT

provides one central place to empty your holding tanks, flush the black tank, and even hose off your dog. After sunset, you'll appreciate the compartment lighting.

## O THE EZ STORE COMPARTMENT

makes it EZ 4U to store long and large gear without having to stoop under the slide-out, and the wide door stays open with gas-lift strut supports.

#### O ILLUMINATED ENTRY HANDLE glows from within, so you can get a grip when it gets dark.

#### O PULL-OUT STORAGE BASKET

(select models) keeps small items from scattering about in transit.
Tennis, anyone?

 HEATED MIRRORS look cool, but stay warm to prevent dew or frost build-up.

HIGH-MOUNTED TAILLIGHTS
 are easy to see even over towed vehicles. This is one time it's good to draw attention to your rear end.

o FIBERGLASS REAR CAP features a two-piece ladder,

## Our Power Platform is solid as a rock and ready to roll.

Fleetwood's patented Power Platform begins with two 10-inch steel I-beams welded to the chassis. Together with the steel outriggers, they create a basement for the fluid tanks and storage, while supporting the floor, walls and roof with a rigid steel frame. This complements the chassis to make it even stronger.

CAP adds a nice finishing touch to

DIMENCIONE O CADACITIES					

DIMENSIONS & CAPACITIES					
MODELS	34H	38L	38N	385	38V
Overall Length⁵	34' 8"	38' 4"	38' 4"	38' 4"	38' 4"
Overall Height (with A/C)	12' 10"	12' 10"	12' 10"	12' 10"	12' 10"
Overall Width (maximum) <sup>6, 7</sup>	102	102	102	102	102
Interior Height (maximum)	84	84	84	84	84
Interior Width (maximum)	96	96	96	96	96
Fresh Water Holding Tank (gal)	86	86	86	86	86
Grey Water Holding Tank (gal)	50	50	50	50	50
Black Water Holding Tank (gal)	50	50	50	50	50
Appliance Propane Tank (gal) (WC) <sup>8</sup>	25	25	25	25	25
Water Heater Tank (gal)	10	10	10	10	10

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8kgs) Fuel (gal) = 7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

#### CHASSIS

Model: Freightliner® XC-Series Alternator Amps: 170 Amp Lecce Neville®

Engine: Cat® C7 300HP Transmission: Allison® 3000MH 6-Speed w/Electronic Shifter

Torque: 860 lb-ft @ 1440 RPM

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity\*.
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.
- 4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- 5. Length taken from front bumper to rear bumper (excludes accessories).
- 6. Excludes safety equipment and awnings
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- 8. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

\*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT – PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

#### **RV OWNERCARE\***

Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

#### **CONTACT US**
