Bounder[®]
TURBO DIESEL
CLASS A DIESEL

2009 BOUNDER DIESEL

FLEETWOOD

WATCH OUT, YOUR HOUSE MIGHT GET JEALOUS.

"This is nicer than my house." We hear that a lot. Nothing against your place, but let's face it, Bounder Diesel has it all: a choice of spacious floor plans with triple or full wall slide-outs, an impressive galley, comfy furnishings, and lots of storage. Finishing touches like detailed molding and contemporary light fixtures make it feel like home. Of course, Bounder Diesel also has a powerful, smooth-riding Cummins® 340HP diesel engine to take you wherever you want to go. Let's see your house do that!

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

BOUNDER DIESEL

Why Buy Bounder Diesel?

Bounder Diesel 38F shown in Cashmere with Symphony Cherry wood cabinetry.

The Driver's Seat, with its Flexsteel® frame and easy-to-care-for Ultraleather™ upholstery, is arguably the best seat in the house. It's so comfortable, you may find yourself taking the long way more often.

The Front Entertainment Center (select models) is a real treat for the senses with a Samsung® 32" LCD HDTV. A 5.1 Dolby home theater system with surround sound and DVD/CD player are optional. (Midship TV in 38F shown above).

Attractive Inside and Out

Pride of ownership comes easy when you've got a coach that looks as good as Bounder Diesel.

Room to Roam

Our well-designed floor plans make use of tall 7-foot ceilings and numerous slide-outs to create an open, roomy feeling inside.

Outfitted with Name Brands

From the galley to the bedroom, you'll find the top names in appliances, electronics and furnishings.

Built-in Quality

All the components in Bounder Diesel are first rate, from carpeting to cabinetry, sofas to light fixtures.

Superior Ride and Handling

Expert engineering, Fleetwood's patented Power Bridge Chassis™ and a powerful diesel engine combine for a smooth-as-silk ride.

NAME-DROPPING AT ITS BEST.

Bounder Diesel is fully equipped with names you know and trust — brands like Samsung®, GE® and Norcold®. But it's not just about the names, it's about the quality and reliability they stand for — something Fleetwood knows about after more than 55 years of building the finest coaches on the road. And while you're admiring all those top-of-the-line appliances, don't forget to notice how they're arranged. Everything is easy to get to, with lots of elbow room.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

BOUNDER DIESEL

The Dinette seats up to four adults comfortably in front of a big picture window. Talk about a room with a view! The handy storage area underneath is a great place for pet food or other bulky items. At night, the dinette transforms into a comfy bed for an overnight guest.

The Overhead Storage is beautiful on the outside as well as the inside. The shelves are adjustable and lined so your dishes don't rattle in transit. Best yet, the cabinets are deep enough for full-sized plates so you don't have to eat off salad plates.

The Full-Extension Drawers can accommodate your full-size cookware. After all, who wants to eat mini meals?

The Solid Surface Countertops are nonporous, scratch and stain resistant, and easy to clean. Matching sink covers add to the already expansive counter space.

The Galley has it all – from a quick-cooking convection microwave to ultra-convenient under-sink storage. Of course, it's beautiful too, with gleaming brushed nickel handles gracing the warm wood cabinetry.

Under Sink Storage holds everything you need to keep your coach sparkling clean. Company's coming and you want to show your Bounder Diesel off.

The Shower has a low threshold – with one small step you're inside the roomy stall. The water temperature adjusts quickly, so you can avoid a cold shower.

QUALITY YOU CAN SEE. COMFORT YOU CAN FEEL.

When we call Bounder Diesel your “home away from home,” we aren’t kidding – just take a look around. From Flexsteel® furniture to noise-reducing padded ceilings and plush carpeting, it’s all about quality and comfort in here. You don’t often see attention to detail like this anymore. Unless you’re looking at a Bounder Diesel, that is.

The Mirrored Wardrobe features convenient lighting and accommodates full-size hangers. It offers plenty of space for your clothes and shoes.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

BOUNDER DIESEL

The Bedroom Suite is as spacious as the queen-size bed's Restonic® innerspring mattress is comfy. A lot of extra space is created thanks to the 30" bedroom slide (most models).

The Washer/Dryer Combo (optional) performs double duty, washing and drying your clothes while you roll down the highway. It's hidden away behind handsome cabinetry.

The Bathroom features a sink with plenty of counter space; a large medicine cabinet with adjustable shelves and vanity lighting that ensure you look your best.

RIVER ROCK

Scheme 2*

WE'VE GOT YOU COVERED.

Bounder Diesel boasts full-body paint – a feature usually found on more expensive coaches. We carefully apply DuPont® paint in a two-step process onto the ultra-smooth fiberglass walls. The result is an impressive mirror-finish with maximum durability.

BOUNDER DIESEL

THE BEST-DRESSED COACH IN CAMP.

When you have friends over, you'll enjoy showing them your beautiful Bounder Diesel. With a variety of eye-pleasing fabric and wood finish combinations, you can choose the one that suits you best. Just be prepared for lots of oohs and aahs from friends.

NOT JUST A MOTOR HOME. A WAY OF LIFE.

We understand that you'll be spending lots of time in Bounder Diesel. So you want the best features inside and out. Here are some of the best exterior features we've included.

- ① **One-Piece Windshield** provides a panoramic, wide-open view without a center divider.
- ② **Stylish Heated Mirrors** look cool, but stay warm to prevent dew or frost build-up.
- ③ **Awnings** for the patio and entry door help keep the sun's rays out and provide shade outside. (Awnings optional.)
- ④ **Diamond Shield** (optional) protects your paint finish on the lower front cap from paint chips and damage caused by road debris, bug acids and weathering. This clear, 8 mil. urethane film will preserve the beauty of your Bounder Diesel for years to come.

Vehicle shown in River Rock Scheme 2 exterior graphics.

Interlocking Ceiling-To-Sidewall Construction helps keep the box square. This assures a proper cabinet fit.

Interlocking Floor-To-Sidewall Construction locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

Vacu-Bond® Sidewall Construction creates a strong, weather-resistant structure. The sidewalls, floor, and ceiling are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

- ① **Side-Swing Luggage Compartment Doors** open to the side, instead of up, making it easier to access your gear.
- ② **High-Mounted Taillights** are easy to see, even when you're towing another vehicle. Tailgaters be gone!
- ③ **Dual Air Conditioning Units** are mounted on top to improve cooling, and create more room for storage below.
- ④ **4-Point Electronic Leveling System** levels your coach automatically with the push of a button.
- ⑤ **The Turning Radius** makes your coach easier to maneuver in tight spaces, thanks to a 55-degree wheel cut.

Vehicle shown in River Rock Scheme 2 exterior graphics.

BOUNDER DIESEL

WE KEEP YOU SAFE AT HOME — WHEREVER THAT MAY BE TODAY.

Our engineers have included dozens of features to keep you safe, from blind-spot cameras (optional) to make lane changes easier, to a safety inspection checklist on your information center monitor. So wherever you go in your Bounder Diesel, Fleetwood's legendary quality and safety are always along for the ride.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

POWER BRIDGE CHASSIS.™ PART HERCULES, PART EINSTEIN. ALL YOURS.

It's strong. It's smart. And it's here to change the way you travel. Created with your every need in mind, the all-new Power Bridge Chassis brings you sleek engineering, a smooth ride and convenience like you've never imagined. Feast your eyes on storage compartments so big, you'll never have to unpack. Experience balance and handling so incredible, you'll never want the trip to end. With so many surprises built-in to every nook and cranny, it's the soul of the ultimate RV. Harness the power.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

Patio Storage Center provides a place for your patio set-up tools or BBQ utensils. Storage center is equipped with both a 12V and 120V plug to recharge your flashlights or charge up that remote controlled car.

The Pull-Out Tray (optional) keeps your smaller items together so they don't get scattered. It's a great place to stock your extra refreshments before they move to the refrigerator.

Pass-through storage with side-swinging doors holds chairs, sports gear and more. You can take items out from either side. And the new side-swinging luggage doors make it easier to access your stuff, because the doors swing out of the way.

DIMENSIONS & CAPACITIES

MODELS	36B	36D	38F	38S	38V
Overall Length ⁴	36' 4"	36' 4"	38' 4"	38' 4"	38' 4"
Overall Height (with A/C)	12' 10"	12' 10"	12' 10"	12' 10"	12' 10"
Overall Width (maximum) ^{5, 6}	102"	102"	102"	102"	102"
Interior Height (maximum)	84"	84"	84"	84"	84"
Interior Width (maximum)	96"	96"	96"	96"	96"
Fresh Water Holding Tank (gal)	100	100	100	100	100
Grey Water Holding Tank (gal)	75	75	75	75	75
Black Water Holding Tank (gal)	50	50	50	50	50
Appliance Propane Tank (gal) (WC) ⁷	37.5	37.5	37.5	37.5	37.5
Water Heater Tank (gal)	10	10	10	10	10

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant and cargo carrying capacity*.
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length is measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

*UVW and OCCC are found on the label containing the federal certification tag in each RV.
