Encounter has it all. The sleeping capacity and family-friendly design of a Class C motor home; along with the roominess and storage capacity of a Class A motor home. And you thought the auto industry cornered the Crossover market. Think again.

The Galley includes everything you need to prepare a feast: a 6 cu. foot refrigerator, three-burner stove, oven, microwave, large stainless steel sink and high-rise faucet.

The Large Dinette seats four comfortably in front of the big picture window. And with the Dream Dinette system, it easily becomes an extra bed at night - the table swivels down and the cushions make into a mattress.

The Bathroom includes a roomy shower with a mirrored medicine cabinet that holds your family’s grooming supplies.

The Hide-A-Loft (optional) adds another bed above the driver/passenger captain’s chairs. Just push a button, blow up the Queen air mattress and lay out the blankets to create a comfortable sleeping space that anyone in the family can enjoy. When you’re done, the bed folds up into the ceiling. Now you see it. Now you don’t. (Also shown optional 26” LCD TV).

The Bunk Bed-n-Breakfast adds another dining area so your family has more space to enjoy meals. After the dishes are done, convert it into bunk beds so the kids can rest up for the next day’s adventures.
