**The Bedroom Suite** features a queen-size innerspring mattress with a plush comforter and pillow shams. Pull down the day/night pleated shades for an afternoon nap or to block out the moon at night.

**The Wardrobe** is residential size, which means plenty of space for your clothes and shoes. Before you head out, check your look in the full-length mirrored doors. Watch your favorite show from your comfy bed with the optional 19" LCD HDTV.

# Fiesta LX

## IT'S LIKE CAMPING IN A CASTLE

Camp with all the comfort and conveniences of home in Fiesta LX. For example, you'll be warm and toasty thanks to baseboard-mounted heat registers and padded wall-to-wall carpeting. The galley puts your appliances within easy reach so it's convenient to make meals on the go. So whether you're into camping to tailgating, ATV's or jet skis, Fiesta LX is a comfortable home base.

**The Large Dinette** seats four comfortably in front of the big picture window. And with the Dream Dinette system, it easily becomes an extra bed at night - the table swings down and the cushions make into a mattress.

**The Galley** includes everything you need to prepare a feast: three-burner stove, oven, microwave, and large stainless steel sink. There's even wiggle room for your toes under the cabinets, thanks to handy toe kicks.

**The Refrigerator and Pantry** store enough food for a hungry family. The Dometic® refrigerator and freezer provide eight cubic feet of cooled space and the pantry has room for everyone's favorite snacks.

FIESTA LX

The Fiesta LX 34B shown in Tuscan Terrace interior décor with Plantation Cherry cabinetry.

**The Overhead Galley Cabinetry** has a stylish design, with coordinated hardware and hidden hinges. The shelves are large enough for full-size plates and lined to protect your dishes in transit.

**The Bedroom Suite** lets you rest your weary bones after a long day on the ATV - or the lawn chair. The queen-size bed faces the dresser with an optional 19" LCD HDTV.

At night, it's nice to shut the door on nature.

It's pleasant to hear the crickets chirping and owls hooting - when they're safely outside your cozy Fiesta LX. And with its sound-dampening ceiling, you may not even hear them. It's just one small example of the attention to detail, quality of engineering and smart construction that goes into our motor homes. You can sleep better knowing we test them for miles upon miles to ensure long wear. Sweet dreams - on the high-quality innerspring mattress.

**Full-Extension Drawer Guides** allow you to store items in the very back. No storage space is wasted.

**The Bathroom** includes a roomy shower with stylish glass door and a mirrored medicine cabinet that holds your family's grooming supplies.

## Decorate with Ease.

For Fiesta, the interior and exterior palettes are tied together for an overall, coordinated look. For Fiesta LX, mix and match your favorite interior with any of the four full-body paint exteriors to create your own look.
