Modern luxury meets fuel efficiency.

We call it ICON. You'll call it amazing.
Icon 24D shown in Tiki Bar interior décor with Jackson Cherry wood cabinetry.

Contemporary rope lighting shows off the curve of the Jackson Cherry veneer cabinetry and enhances the mood.

Cover vehicle shown in Silver Pearl full-body paint.
A FEAT OF ENGINEERING, PACKED WITH DESIGNER STYLE.

The new Icon breaks the mold by combining luxury, fuel efficiency and drivability. With a nimble chassis powered by Mercedes-Benz, you’ll find it handles more like a fine automobile. While its living quarters are remarkably spacious, thanks to expansive slide-outs for a vehicle of this size. However, Icon’s top trait may be its visually arresting style.

The new Icon breaks the mold by combining luxury, fuel efficiency and drivability. With a nimble chassis powered by Mercedes-Benz, you’ll find it handles more like a fine automobile. While its living quarters are remarkably spacious, thanks to expansive slide-outs for a vehicle of this size. However, Icon’s top trait may be its visually arresting style.

WHY BUY ICON?

| Powered by a **Mercedes-Benz** 3.0L, 6-cylinder turbo diesel engine, Icon’s core foundation is the durable Dodge Sprinter chassis. | For an **extraordinary driving experience**, Icon offers agile handling, increased fuel efficiency and outstanding comfort. | With its **contemporary interior styling** and clean lines, Icon has been created for connoisseurs of modern design. | The **bold exterior styling** makes a statement on the road or in the driveway. | The DuPont** full-body paint** application is meticulously applied in two stages for the finest appearance and reflects a very upscale image. |
The modern cabinetry design carries over to the dinette, which seats four people comfortably in front of a large window.

At night, the dinette can transform into a comfortable bed with a sleek headboard and footboard.

The galley contains an Apollo Half Time Convection Oven, which cooks food in half the time of a conventional oven, and doubles as a microwave. Coupled with a 3-burner cooktop and refrigerator/freezer, you’d think you were in a chic urban condo.
A LOT OF FUNCTIONALITY PACKED IN A COMPACT SPACE.

To make the most of Icon’s size, we’ve combined smart, ergonomic space and top-of-the-line components. Best yet, we’ve done it in high-end style. Every room is fully equipped and dressed up with brushed nickel touches, from the faucet in the galley to the robe hook in the bathroom.

D
The bath offers a full shower, china toilet, and ample space for toiletries in the curved vanity and medicine cabinet.

E
At the end of a long day exploring, your cushiony double bed awaits (select models). Overhead cabinetry holds your slippers, books and more.
DÉCOR THAT DARES TO BE DIFFERENT.
Icon is full of innovation, and the interior décor is no exception. These smart fabrics are not only full of character, they’re long-wearing and feel great to the touch.

Don’t miss your favorite shows – just turn on the crystal clear 19” LCD TV wherever you are. (Standard TV location varies by model.)

Your clothing stays neat and tidy in the spacious wardrobe, with a hanging rack to keep the wrinkles away.

Jackson Cherry
At the heart of Icon lies a Dodge® Sprinter chassis, developed and built by Mercedes-Benz®. The exterior design carries bold, edgy lines to create a cohesive look with an automotive feel.

Every detail of Icon is refined. Even the rear ladder has been redesigned and finished in brushed aluminum.

The front cap shows Icon’s automotive heritage, with a distinctive grill and sleek headlights.
A MOTORHOME THAT’S TRULY ENJOYABLE TO DRIVE.
With Icon’s power, agility and high-tech cockpit, you may find the drive as enjoyable as your trip.

No matter what digital media format you use for music, you can play it in Icon – iPod, other MP3 players, USB, SD/memory card, you name it. And that’s in addition to the CD player/AM/FM radio with streaming graphics.

Nimble. Easy to drive. Quiet. These adjectives are not often applied to motor homes, but they describe Icon perfectly. There’s very little noise or vibration while driving, and the Mercedes-Benz® diesel engine is practically silent. Icon offers powerful acceleration and responsive maneuvering capabilities. The handling has been enhanced by Adaptive ESP®, technology like this is usually found in luxury performance cars. And while driving Icon is quite enjoyable, its fuel efficiency will really make you smile.
The exterior storage compartment holds chairs, bulky items and more. The pass-through design allows you to access your items from either side.

Interior Storage Capacity: 43 cu. ft.
Exterior Storage Capacity: 33 cu. ft.

Interior Storage Capacity: 49 cu. ft.
Exterior Storage Capacity: 45 cu. ft.
**Living Room**
- 19” LCD TV in Cabover or Midship (Dependent on Floor Plan) with Remote

**Liquid Weight Reference:** Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = 7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

---

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity^*.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.
5. Length measured from front bumper to rear bumper (excludes accessories).
6. Excludes safety equipment and awnings.
7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
8. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

**IMPORTANT— PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
