

Jamboree®

FLEETWOOD® RV

For family fun and comfort, Jamboree's the perfect place to start the journey.

When you begin your journey with Jamboree, you are doing it with fun and practicality in mind. Jamboree's interior gives you a spacious, inviting, and fully equipped interior that has been designed precisely for your comfort and convenience. In the front, Jamboree's wider body design gives you and your traveling companions an immediate increase in space and comfort.

The patented slide over bunk in Jamboree maximizes overhead room and makes turning in for the night easy. As you move through the living area, you will notice the name-brand appliances, dovetailed drawer cabinetry and Flexsteel® furniture. This attention to quality and detail is a mainstay in Fleetwood's 50 years of experience in building America's most popular RVs.

So when it comes to construction, Jamboree is in a league of its own. By utilizing an innovative vacubond construction process in the sidewalls, floors, and roof, we have increased the integrity of the substructure, strengthened the coach, and optimized the insulation. As you spend some time in your Jamboree, you'll see why it's the perfect place to start your journey.

2000 Jamboree Floor Plans

MODEL 22C

- Dinette
- Roomy Cabover Bed
- Sofa Bed
- Fully Enclosed Bathroom
- Compact Size

MODEL 23B

- Sofa Bed and Dinette
- Roomy Cabover Bed
- Rear Kitchen
- Fully Enclosed Bathroom
- Large Wardrobe Cabinet
- Available 4-Wheel Drive

MODEL 24D

- Roomy Cabover Bed
- Lounge Chair
- Double Bed
- Optional Bunk Beds and Extra Ward
- Fully Enclosed Bathroom
- Available 4-Wheel Drive

MODEL 26F

- Dinette
- Roomy Cabover Bed
- Lounge Chair
- Island Double Bed
- Wardrobe Slide-Out
- Fully Enclosed Bathroom
- Power Platform II
- Also Available in a Luxurious GT Model

MODEL 29Z

- Sofa Bed and Dinette
- Optional Lounge Chairs with Table
- 3 Bedroom Layout Options
- Split Bathroom
- Power Platform II
- Also Available in a Luxurious GT Model
- Available 4-Wheel Drive

MODEL 31W

- Living Room Slide-Out
- Queen Bed or Optional Twin Beds
- Split Bathroom
- Power Platform II
- Also Available in a Luxurious GT Model

Exterior Features for the 2000 Jamboree

Jamboree is the Fleetwood mini that makes people start dreaming about the weekend on Monday morning. Just one look at Jamboree's nimble frame with its seamless Filon® fiberglass walls and colorful, trim graphics and you'll get the picture.

In addition, Jamboree's flat inner ceiling provides you with increased interior headroom and additional upper cabinet storage space. Add steel-reinforced exterior compartments, single key access to all doors and storage areas, vacubond construction for a secure frame and a 3-year structural warranty and you'll understand why Jamboree is the Class C dream come true.

Jamboree Roof Construction

The curved exterior roof is an aerodynamic design, and allows water to flow right off.

An aluminum or steel-framed ceiling gives the strength and support needed for years of trouble-free use.

2000 Jamboree Standard Features

EXTERIOR AUTOMOTIVE

Trailer Hitch
Mud Flaps

INTERIOR AUTOMOTIVE

Driver/Passenger Door with Power Windows and Locks
AM/FM Cassette Stereo with Digital Tuning
3-Point Seat Belts on Driver/Passenger Seats
Cruise Control
Auxiliary Start Circuit
Cab Air Conditioner

SAFETY

Smoke Detector
Fire Extinguisher
LP Leak Detector
CO Detector

INTERIOR

Fabric Ceiling
Stainless-Steel, Double Galley Sink
Sink Cover
Pleated Shades
Entry Door with Dead Bolt Lock
Entry Door with Screen and Window
54"x 76" Cabover Bed
Television Cabinet
Dovetail Drawer Construction
Radius-Corner Cabinetry
Carpeting with Carpet Pad
96" Wide Interior
Vinyl Flooring-Galley/Lavy
Bunk Ladder
Bedspread
Molded Tub/Shower Pan
Foam Board Insulation

EXTERIOR

Smooth Fiberglass Side Walls
Crowned Rubber Roof
Awning Drip Rail (Both Sides)
Exterior Shower
12V Patio Light
GFI Protected Patio Receptacle
12V Roadside Utility Light (Basement Units)
Radius-Corner, Tinted Windows
Spare Tire and Carrier
Jamboree Logo Badging
Chrome-Plated Front Bumper
Powder Coated Rear Bumper

EXTERIOR STORAGE

Sewer Hose Compartment
Exterior Storage Compartments
Lockable Storage Compartments

ENTERTAINMENT

Exterior Entertainment Center
20" Panasonic® Color TV with Remote (Model 31W only)
Pre-wired for Cable TV

APPLIANCES

Demand Water System
12V Bath Vent
Television Antenna
3 Burner, High-Output Range with Oven
6-Gallon Water Heater with D.S.I.
Water Heater Bypass
Marine Toilet
Floor-Mounted LPG Tank
12V Lighting System
GFI Circuit Protection
Battery Charger
AC/DC Power Converter
Pre-Wired for Telephone

New Jamboree Features For 2000

Our engineering may set us apart from the rest. But the things you'll notice most, when you and your family take a trip, are the top-of-the-line features. This year we have, once again, added to an already large list of features with the following:

- Cabover Nightstand
- EZ-Store Slide System on 31W Model
- Wardrobe Slide-Out on Model 26F
- Oversized Touring Window at Dinette (Available Models)

Product information and photography included in this brochure were as accurate as possible at the time of publication. For the most current product information and changes, please visit our Website at www.fleetwood.com or contact your local Fleetwood dealer. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. All fuel and liquid capacities are approximate and dimensions are nominal. Fleetwood has designed its motor home brands to provide a variety of potential uses for its customers. Each unit features the optimum storage, fluid, seating and sleeping capabilities. Though the customer enjoys this potential, he/she also has the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities.

Mor-Ryde® Suspension

The optional Mor-Ryde Suspension

Enhancement System guarantees a smooth and quiet ride in your Jamboree by reducing suspension vibration and absorbing the impact of road shock. Rubber shear springs increase axle and suspension movement to isolate and assimilate jarring road activity, resulting in undisturbed contact between the road and your Jamboree.

Drawing is for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

Note: Tank manufacturer's listed water capacity (wc). Actual filled LP capacity is 80% of listing due to safety shutoff required on tank.

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible weight of this motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combination Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed trailer or towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
4. Overall lengths taken from front bumper to rear bumper.
5. Information not available at time of publication.
