VENTURE
IN STYLE
AIM FOR COMFORT AND ADVENTURE

Beautiful upholstered furniture and optional wood-plank flooring enhance the expansive galley and living room.

Extra-large galley includes a butcher cutting block that fits over the sink for easy meal preparations.

Eating time becomes special with comfortable swivel chairs and expandable table.

The coordinated colors of bed and window fabrics are as charming as the decor brass and glass lighting.

Integrated cabinetry in the bedroom features large dresser, optional 13" Panasonic® TV, hamper and vanity bringing exquisite style and function together.

ENCOUNTER RIVERS, LAKES, AND FORESTS. You’ll travel to glorious destinations in comfort with Pace Arrow’s optional climate-control system that cools the entire coach quickly and quietly. And you’ll also appreciate the Excel® dual-glazed slider and torque windows for better insulation.

To make your travels truly memorable, the EZ Store™ System provides lighted, exterior storage for your fishing gear, skis or golf clubs. In the galley, there are deep, roomy drawers to hold all your cooking utensils and countertops edged with the beauty of Corian® to prepare your meals. And civilization is just a click away with a computer workstation in the dash, complete with plug-ins to access the internet and e-mail family and friends while you’re on the road.*

There are so many comforts, you’ll find it easy to consider Pace Arrow, one of the original motor homes ever built, your family’s second home. And with so much room, why not?

With Pace Arrow, you’ll soon develop into an adventurer and an admirer of the finer things in life.

The legendary Pace Arrow® motor home is known for its continuous quest for quality, style and comfort.

From its appealing design to several floor plans and fabulous features, the Pace Arrow reflects your lifestyle. Consider the expanded living room and bedroom slide-outs as well as an abundance of storage capacity both inside and out. There’s plenty of fresh water capacity for the freedom of extended, dry camping. When you’re ready to relax and kick off your shoes, view your favorite videos or TV shows on the 20” Panasonic® TV.

Getting hungry? The galley’s got everything you need to take care of even the biggest of appetites—a Dometic® double-door refrigerator with 8 cu. ft. to fill with your favorite fixings, a Magic Chef® oven and range, and also an optional Sharp® Carousel Convection Microwave that even grills.

From day one, when Fleetwood RV began building the Pace Arrow, it has enchanted thousands of travelers. So, if you’re an experienced RV’er or even a first timer, you’ll know exactly why Pace Arrow should be yours.
Our engineering may set us apart from the rest, but the things you’ll notice most when you and your family take a trip, are the top-of-the-line features. Here are but a few of the items that make life on the road with Pace Arrow memorable.

Front entertainment center with 20” Panasonic® color TV and optional VCR are just some of the many Pace Arrow features.

An optional electronic climate control system, with dual A/C controls, enables a separate climate in the front and rear of the coach.

Every Pace Arrow comes previred for an optional Winegard® satellite dish.

Fill Pace Arrow up on either side of the pump with a rear fuel-fill location, especially convenient when towing a vehicle.

Carpeted storage compartments are non-corrosive to prevent rusting.

A coach-length, aluminum drip rail prevents discoloring of the sidewall.

Practical, single die-cast metal paddle latches are flush-mounted for a luggage door system that’s durable and easy-to-operate.

Anti-wicking process, on all of Pace Arrow’s openings and windows, includes multiple seals for prevention of leaks and moisture buildup.

Our swing-down engine access door makes it easy to check Pace Arrow’s fluid levels and electrical panel.

Pace Arrow’s optional 5.5kW Onan® generator provides 110V service and comes with a 3-year warranty.

Optional washer and dryer make life on the road even more convenient. (Optional on 37K & 37S)

Our EZ Store™ Storage System was developed using a rack and pinion system to give you the utmost ease in accessing your stored gear below.

**WHAT HAPPENS WHEN YOU’VE BEEN SETTING THE STANDARDS OF MOTOR HOME QUALITY FOR OVER 50 YEARS?**

People… We hire engineers, designers and drafters from leading automotive design schools. Our front-line associates are well-trained, quality-minded men and women who take pride in their work. No other manufacturer has a larger, more professional team behind their products.

Systems… Our product development team uses state-of-the-art, computer-assisted-design (CAD) technology to build in fit and finish right from the drawing board. Each product is meticulously documented with over 3,500 pages of engineering drawings. A computerized bill of materials details over 20,000 pieces that go into your motor home. And, a vehicle specific Electronic Parts Catalog shows 600–800 common parts so, if you need a new part, your authorized Fleetwood RV service dealership knows exactly what you need. Some manufacturers may not invest the extra time and money to accurately document their products, which could cost you plenty in headaches and hassles down the road.

*Angus Reid RV Market Segmentation Study, 1998
Pace Arrow’s Power Platform II is a unique truss design welded together using tubular steel that’s durable, strong and dependable. The result is a quiet and nearly flawless ride, increased floor strength, and substantially more storage space below. An all-steel foundation further reduces stress loads on the sidewalls and minimizes chassis flex on uneven roads.

Manufacturing... We only do what we know we’re best at — building a quality-finished motor home. When it comes to the appliances, doors, windows, and furniture, we partner with other recognized leaders to do what they know best... top names like Sharp®, Panasonic®, Dometic®, Restonic® and Flexsteel®. Some manufacturers will tell you partnering like this makes us final assemblers. We call it working smarter. Pace Arrow’s Power Platform II makes us best at — building a quality-finished motor home.

Quality... The quality outside reflects the quality inside — places where you can’t see it, but where it really counts. For example, we use vacubonded sidewall construction that’s required for the special needs of a motor home. Windshield bonded to metal on most models. Our new TuftPEX™ plumbing system is able to withstand temperatures as low as -40° F. And now offered on our mid to high-end Class A motor homes, a new, revolutionary exterior sidewall material which contains no wood products to guard against swelling, rotting and delamination. Before any unit rolls off the line at each of our plants, it goes through a documented checklist containing hundreds of items specific to that product. It won’t leave the plant until it has met our high standards. And, the list goes on.

For strength, noise reduction and insulation, composite sidewalls and floors are constructed of steel, plywood and polystyrene foam.

From the drawing board to the assembly line, we will continue to develop and manufacture quality products for our customers.

Fleetwood RV... Setting standards beyond your expectations.
FLEETWOOD’S FAR-REACHING
WARRANTY AND SERVICE PROGRAM

LIMITED ONE-YEAR/
THREE-YEAR WARRANTY

Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving each dealer’s commitment to your satisfaction behind. OWNERCARE, Fleetwood’s extensive warranty and service program, provides one/three year(s) of dedicated customer satisfaction. OWNERCARE stands out as one of the RV industry’s most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

FULLY TRANSFERABLE

At Fleetwood RV, we’re confident in our products and don’t hesitate to stand behind them. Your newly purchased Fleetwood RV comes with one of the industry’s most comprehensive warranties, fully transferable for the first 12 months.

FLEETWOOD RV AND MOTOR SPORTS: A WINNING TEAM

Three wide in the first turn. 200 miles per hour on the back straight. Passing for the lead through the short chute. Nothing beats the excitement of NASCAR racing. Every year thousands of NASCAR fans and Fleetwood RV owners travel to races to support their favorite drivers, enjoy time with family and rekindle friendships.

RVs have become as much a part of motorsports as pit row and the checkerboard flag. That’s why Fleetwood RV is a proud sponsor of 1999 Winston Cup Champion Dale Jarrett and the Robert Yates Racing Team.

As the number one RV manufacturer* in the country, our winning ways continue. Fleetwood RV is now the “Official Recreational Vehicle” at nine international Speedway Corporation racetracks. And for Fleetwood owners, emergency service crews are available at select tracks to ensure a trouble-free weekend. While you’re enjoying the race, be sure to look for the Fleetwood RV Prize Patrol and go home with some exciting giveaways.

So this weekend, pack up your friends and family and experience the thrill of cheering on Dale firsthand, in first-class style, with Fleetwood RV.
