Explore Revolution’s Features and Benefits.

Adjustable Dash Gauge Package, Smart Wheel, Adjustable Brake and Accelerator Pedals, Six-Way Power Driver Seat, Two Piece 50” Windshield — We can accommodate any size of person in our driver’s seat comfortably. This combination of unique features makes the driving experience in the Revolution truly incredible. What better way to see the USA than from the driver’s seat of a Revolution?

Keyless Entry — This feature offers two push button key fobs and additional remotes found at the passenger seat and in the bedroom. No more crawling out of bed to see if the front door is locked, just roll over and press a button!

Full Body Paint Exterior Graphics — In our “state of the art” facility we polish, buff and apply a clear coat finish. We partner with Sherwin Williams to achieve a luxurious exterior typically found on more expensive motor homes.

Freightliner Stacked Rail XC Chassis — Paired with a Cummins 350HP Diesel Engine and Side Mounted Radiator. We designed a “balanced” house to be placed on top of this chassis. This allows us to offer an incredible driving experience!

Nine Interior Decors and Eight Exteriors to Choose From — At NO additional cost to the customer. Most of the competition charges $$$ to get the look we have in the Revolution.

Steel Frame, Insulated, Vacubond Sidewalls, Roof and Floors — Structural Integrity ALL around.

Name Brand Electronics — Including Panasonic TV’s, DVD and VCR Receivers, Hughes Satellite Receiver and KVH Domed Dish. All are part of the standard audio-visual features you will find in the 2004 Revolution.

By Fleetwood — a name you know, a name you trust.
Standard Features

Appliances
• Norcold® 12 cu. ft. (4 Door Refrigerator)
• 3-Burner Cook-top (Sealed Burners)
• GE® Convection Microwave Oven
• 20" Panasonic® Stereo Rear Bedroom TV
• 27" Panasonic® Stereo Front Overhead TV
• TV Antenna
• 4 Head-Hi-Fi Panasonic® VCR
• Smoke Detector/Alarm
• LP Gas Detector/Alarm
• CO Detector/Alarm
• Fire Extinguisher

Body Structure
• Raised Stack Rail Chassis
• Full Basement Storage
• One-Piece Fiberglass Roof

Electrical
• Dual (25M & 35M) BTU Furnaces
• Dual Roof A/C High Efficiency
• 160 Amp Alternator
• 50 Amp Power Cord Service
• 150 Watt Inverter/Converter

Exterior
• 10,000 lb. Trailer Hitch*
• Radius Roof with Flat Interior
• Double Entry Step with Power Step Cover
• One-Piece Hood with Easy Lift System
• Dual Glazed Windows

Electrical
• Raised Stack Rail Chassis
• Full Basement Storage
• One-Piece Fiberglass Roof

Liquid Weight Reference: Water (gal.) = (8.3 lbs./3.8 kgs.)
Fuel (gal.) = (7.1 lbs./3.2 kgs.)
LP Gas (gal.) = (4.2 lbs./1.9 kgs.)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms
Multiply gallons x 3.785 to obtain liters

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unladen vehicle weight plus the net carrying capacity.
2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
5. Length taken from front bumper to rear bumper (excludes accessories).
6. Excludes safety equipment and awnings.
7. Tank Manufacturer’s listed water capacity (WC). Actual LP Gas capacity is 80% of water listing as required by the safety code.
N/A: Not available for this model.

* The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.

** Includes Slide-Out Rooms, Entry Door, Patio and Windows, Roof Air Conditioning is Electric.
RV OWNERCARE…
is a limited one-year/three-year or 15,000 mile warranty, whichever occurs first, and it is fully transferable for the first 12 months.

**RV OWNERCARE** is one of the RV industry’s most comprehensive programs and includes systems, appliances, components, and construction, with no deductible and no service charge.

**RV OWNERCARE** coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

Club Fleetwood…
As a Fleetwood owner, you’re eligible to become a member of our owners group, Club Fleetwood. It’s a perfect way to meet other Fleetwood owners who love to travel to beautiful resorts and vacation spots all across America. Call (877) 577-2560 and join the fun!

What Drives You?
Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends.

Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you.

Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other.

Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.
