Show that you've arrived.
Before you even leave the curb.
Revolution LE 40E shown in Obsidian interior décor with Regency Cherry wood finish.
Making an impressive entrance with premium furnishings and style to burn, the Revolution LE turns other motor homes into six-wheeled wallflowers. Just imagine yourself lounging on the Ultraleather™ furniture near the giant LCD TV, plush carpeting underfoot. With tall 84” ceilings and triple or quadruple slide-outs, there’s always room for more at your party. For those lucky enough to be invited, that is.
Even the most impressive vintage would feel at home here.

Enjoy a fine bottle of wine in a galley that’s just as tastefully crafted. Constructed from rich solid wood, the cabinetry features raised panel doors and brushed nickel hardware that gleams with high-end style. All the appliances are top-of-the-line, chosen for their sleek design as much as for their dependability. In all, it’s a worthy spot to toast your latest adventures.
:: THE HOME THEATER SYSTEM includes a 26" LCD TV, DVD player and a digital satellite dish for crystal clear images.

:: THE FREE-STANDING DINETTE (optional) includes four chairs and an extension leaf. Surrounded by large windows, it’s ideal for dinner by sunset.

:: THE CORIAN® SINK is graced with a sparkling Moen® faucet with a pull-out sprayer. Dishwashing was never so posh and easy.

:: THE FULL-EXTENSION DRAWERS give you access to the entire drawer, and slide easily. They stay closed in transit thanks to a new heavy-duty locking catch.

:: THE NORCOLD® REFRIGERATOR provides a water dispenser in the door and 12 cu. feet of space for Chablis and cheese – plus your non-essentials. And the 4-door design provides compartments wide enough for party trays and full-size pizzas.

:: CORIAN® COUNTERTOPS lend designer appeal to the galley while resisting stains and scratches. A small lip on the edge keeps spills off the furniture and floor.

:: CERAMIC TILE FLOORING is set on the diagonal, just like in today’s finest homes.

:: THE SPACIOUS PANTRY contains pull-out shelves so it’s easy to grab that midnight snack.

:: THE GE® CONVECTION MICROWAVE cooks as beautifully as it looks, and much faster than a traditional microwave.
With a bedroom retreat like this, why save it for after dark?

**ABUNDANT STORAGE** includes a cedar-lined wardrobe with drawers and cabinets. See, you can take it with you.

**THE WASHER AND DRYER** (optional) is discretely concealed in the bedroom behind rich wood cabinetry.

**THE NEO-ANGLED SHOWER** is underneath a skylight that lets the sunshine in. Yet the shower stall is enclosed with obscured glass to maintain your privacy.

**THE 20” LCD FLAT PANEL TV** is positioned perfectly for bed time viewing.

Enjoy the star treatment in a grand bath with every amenity. The large mirror and vanity lighting help you look your best, the roomy medicine cabinet stores your supplies, and the Corian® countertops create an elegant setting.
In a room this beautiful, you may not want to close your eyes. But once you stretch out on the roomy queen bed with its blissfully comfortable mattress, it will be easy for sleep to steal you away. Especially after watching Leno or Letterman on the large LCD TV, with a quiet ceiling fan (optional) stirring up a gentle breeze.

Just looking at all that cushiony real estate makes your eyelids droop. A Sleep Number® mattress is also optional. It allows you to customize the firmness on each side of the mattress independently.
Driven to extremes of quality.

Long drives don’t have to be hard on your hands. The oversized, padded “Smart Wheel” is soft to the touch, and easy to hold onto for extended periods of time.

We know that the driver holds not only the wheel, but also a tremendous responsibility. So we’ve expended some serious engineering brainpower to make your job easier. The instrument panel is integrated with the steering column, so it can tilt and telescope to many different positions for maximum visibility and comfort. The pedals adjust to your height, too. The wheel puts valuable controls literally at your fingertips, while the power visors keep the sun out of your eyes. That’s better driving through technology.
The REAR VISION CAMERA makes backing up easier, because the driver can clearly see behind and hear directions with one-way audio.

THE KEYLESS REMOTE ENTRY lets you easily lock and unlock your coach with the push of a button. No more fumbling to find the keyhole in the dark.

SIDE MIRRORS are heated to retain visibility in cold weather, and chrome-plated to make them classy.

THE PASSENGER SEAT adjusts six ways with power controls until the position is just right – down to the electric footrest. This seat is heated to keep you cozy in transit.

The tall one-piece windshield delivers a wide, unobstructed view from the cockpit. After all, isn’t the whole point to see the majestic scenery from sea to shining sea? But the view is just as attractive from the outside. This windshield is Revolution’s stylish calling card.
Thanks to the Liberty Chassis, the Revolution LE is one smooth operator.

A 15,000 POUND TOWING CAPACITY†
tows your vehicle, or your toys, without breaking a sweat.

CENTER-MOUNTED FUEL TANK
distributes weight evenly.

ALL-STEEL STRUCTURE creates a strong and rigid frame that resists flexing. This is the foundation for a superior chassis that can overcome the structural challenges of floor plans with triple and quad slide-outs.

STORAGE COMPARTMENTS provide durable storage space for a mountain of stuff, and they hose out for easy cleaning.

†The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

DUAL PANE WINDOWS provide insulation from outdoor noise and temperatures. And, they work in tandem with the Energy Management System to maintain comfort and save energy.

IN-MOTION TRACVISION® SATELLITE SYSTEM (optional) allows you to listen to satellite radio stations while traveling. And when you stop, your favorite TV station is available right away.

SIDE-HINGED LUGGAGE DOORS (select doors) open sideways and lock into place so they won’t swing shut when you’re loading up.

7.5 KW DIESEL GENERATOR—by Onan® runs quietly to keep the peaceful atmosphere when boondocking.

Vehicle shown in Onyx with Edge graphics.
Our exclusive Liberty Chassis makes the Revolution LE arguably the best riding diesel coach on the market. In fact, we placed a nickel on one of the frame rails while the engine was running – and the nickel did not move. That’s how little vibration was created. The secret is the strong, rigid frame that strengthens the integrity of the driving platform and creates an extremely smooth driving experience. We designed it, and we’re still impressed.

**AIR CONDITIONERS**
are mounted on the roof to free up basement storage space and keep you comfortable year-round.

**FIBERGLASS ROOF**
is one solid piece for leak-free living, with a contemporary dome shape and sleek radius corners.

**DUPONT® PAINT**
is meticulously applied in two stages for the finest appearance and durability. A final clear coat seals and protects the graphics to keep the colors true.

**REAR CAP**
features high-mounted taillights for better visibility, and a two-piece ladder that stows away when not in use.

**WINDOW AWNINGS**
protect and shade the bedroom and front roadside windows.

**THE DIESEL ENGINE**
is a 400-horsepower Cat® C9 diesel with an Allison® 3000 MH transmission. That’s some big muscle.

**THE PASS-THROUGH STORAGE**
holds skis, kayak paddles and other long items, and an optional slide-out tray makes them easy to retrieve.

**THE SERVICE CENTER**
gives you one central place to check and maintain your coach systems. Easy access to fuel filters, air dryer, injector primer pump, water fuel separator and your leveling system.

**THE EXTERIOR ENTERTAINMENT CENTER**
(optional) lets you enjoy fresh air and your favorite shows. Includes a 20” TV on a swivel tray, AM/FM radio with CD player.
No matter which of these 22 you pick, it’s sure to draw attention.

We've carefully selected the most dramatically beautiful décor choices. Now, just pick the interior motif, the wood finish and the exterior graphics you like best. Each fabric is not only durable, but feels pleasurable to touch. For example, the Ultraleather™ fabric looks like premium leather, but it’s softer and also easier to clean. Ultraleather covers the Flexsteel® furniture, which has a lifetime warranty on the frame. In the Revolution LE, comfort, durability and luxury can go hand in hand.

### Standard Features and Options

**INTERIOR**

**THROUGHOUT**
- 12V Fluorescent Ceiling Lighting
- 25,000/40,000 BTU Dual Furnaces
- 84” Interior Ceiling Height
- Choice of Windsor Birch, Regency Cherry, or Summit Ash Cabinetry
- Day/Night Pleated Shades
- Deluxe Roller Bearing, Full Extension Drawer Guides & Transit-Ship Locks
- Direct Spark Ignition 10 Gallon Water Heater 120V/Propane
- Dual Roof Mounted A/C High Efficiency w/Solar Panel & Chili Grille on Front A/C
- Fabrica® Carpeting
- Hardwood Cabinet Doors/Drawers
- Padded Vinyl Ceiling
- Power Vent w/Rain Sensors (All Vents, Galley, Bath & Shower Area)
- Raised Panel Upper Cabinet Doors
- Solid Wood Drawers
- Centralized Control Panel Display Center at Entry
- Tank Level Monitor (Interior Only)
- Tile Floor at Front Entry
- Whole Coach Water Filtration System
- Wood-Finish Return Air Intake for Furnace
- Automatic Generator Start System
- Central Vacuum System w/Accessory Kit
- Flexsteel® UltraLeather™ J-Style Sofa
- Centralized Control Panel Display Center at Entry
- Vented Washer/Dryer Unit
- Ultraleather™ Sofa Sleeper w/Air Mattress
- Flexsteel® Ultraleather™ Love Seat
- Central Vacuum System w/Accessory Kit
- Automatic Generator Start System
- Wood-Finish Return Air Intake for Furnace
- Automatic Generator Start System
- Central Vacuum System w/Accessory Kit
- Vented Washer/Dryer Unit
- Water Heater-16 Gallon Output

**DRIVER CONVENIENCE**
- (2) Auxiliary 12V Dash Receptacles
- Power Driver/Passenger Sun Visors
- Adjustable Brake & Throttle Pedals
- Automatic Generator Start Switch
- Auxiliary Fog Lights
- Auxiliary Start Switch
- Battery Disconnect Switches
- CB Radio Ready
- Denso® Climate Control System
- Driver Side Manual Pull Down Shade
- Driver/Passenger Map Lights
- Flexsteel® UltraLeather™ Driver/Passenger Seats w/Manual Lumbar (Driver seat only) / 6-Way Power/Heat/Adjustable Arm Rest
- Flexsteel® UltraLeather™ Padded Seat/6-Way Power/Electric Footrest
- L.C.C. Light Switch
- Manual Air Dump Override Switch
- Pneumatic Step Well Cover w/Lighted S
- Soft Touch Smart Wheel

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs). Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs).

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

### CHASSIS

Model: Spartan® Chassis
Engine: Caterpillar C9 w/ 400 HP
Torque: 1150 lb-ft @ 1400 RPM
Alternator Amps: 160 Amp Leece Neville
Tires: Goodyear 295/70R 22.5H
Transmission: Allison® 3000 MH, 6-Speed w/Electronic Shifter

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW)* plus the cargo carrying capacity (CCC)*.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).

6. Excludes safety equipment and awnings.

7. Motor homes feature a body-width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

8. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information, available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE® is a limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
