A toy so big, shiny and fun, even Santa would be jealous.
Imagine yourself, your friends and your family heading out for adventure in your Terra LX. It practically makes your heart skip a beat. Exceptionally beautiful both inside and out, you'll be proud to show it off wherever you go. Terra LX boasts the high-quality construction and upscale features usually found in coaches that sell for thousands more. If it's this fun to dream about, just think how much fun it would be to own.

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Why Buy Terra LX?

The Sofa Bed feels so good after a long hike. At night, it becomes a convenient bed where you can recuperate for tomorrow's adventure. Add a dash more luxury by covering it with optional Ultraleather™.

The 24" Flat Panel TV is placed up front so the whole gang can watch. Better make some popcorn! A Samsung® 23" LCD HDTV is optional.
Family-Friendly Design
There’s lots of room inside for the whole gang to relax, a private bedroom suite for mom and dad, and a ton of storage outside.

More for Your Money
Owning a Terra LX is a sure sign of a smart shopper with an eye for value. Competitors simply can’t match its features and quality for the price.

Comfy and Convenient
Each floor plan is carefully designed for comfortable, easy living. The fully equipped galley makes meals a breeze, and storage space is enormous.

Built-In Safety Features
Dozens of safety features are built into Terra LX to provide peace of mind and protect your most precious cargo – your family.

High-Quality Construction
We take great pride in our careful construction techniques, and the high quality of Terra LX shows in every detail.

Fleetwood Reputation
With over 55 years in business, Fleetwood’s reputation is second to none. We offer one of the most comprehensive warranties in the industry.
Maximize the good times with your family in your comfy Terra LX. It's been designed specifically for your needs. So whether you're into camping or tailgating, ATVs or jet skis, Terra LX is a perfect home base. It's got plenty of room, both inside and outside, to store your gear and supplies. And with a large towing capacity†, you can tow your boat, trailer, you name it. Yet there's still plenty of living space inside so everyone can spread out, thanks to the double slide-outs. That's the key to family harmony!

† Refer to footnote on the Weights and Measurements page for information.

The Refrigerator and Pantry store enough food for a hungry family. Behind raised panel doors, you'll find a Dometic® refrigerator and freezer with a whopping eight cubic feet of cooled space. The pantry is sure to be snack central.

The Large Dinette is open for breakfast, lunch and dinner, seating four in front of the big picture window. At night, the kids can make it into another bed and grab some shut-eye.

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.
We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Pots and Pans Drawer holds your tall and large cookware as well as cookbooks — everything but the kitchen sink!

The Convection Microwave Oven (optional) cooks fast like a standard microwave, but also bakes and broils like an oven. So you can celebrate birthdays on the road with homemade cake.

The Under-Sink Storage offers extra storage because we’ve designed the plumbing to take up minimal space, unlike many competitors. It’s a great place to keep all your cleaning supplies in case your teenager wants to earn some allowance money. Or not.

The Galley puts everything within easy reach — like the range, microwave, sink, refrigerator and pantry. And while nobody enjoys doing dishes, it’s more pleasant with a scenic view out the window above the stainless steel sink. Just flip up the countertop extension (select models) for more room to stack dishes.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.
At the end of a long day, you want to retire to your personal bed and bath. It’s always waiting in Terra LX. These private spaces are designed for your comfort and convenience – things you appreciate even more away from home. For example, the kids will like the tub (34N model only), The spacious shower provides extra headroom with a light-filled skylight, and its water saver feature helps you dry camp for longer periods.

**Home Sweet Terra LX.**

The Bedroom Suite features a queen-size innerspring mattress for cushiony comfort at bedtime, naptime or anytime. And unlike a hotel bed, it’s yours and only yours.

The Wardrobe holds a lot of clothes neatly, with storage for shoes too. And with the optional 20" flat screen TV or Samsung® 19" LCD HDTV, you can see what the weatherman says to wear. Looks like rain? Better get your thick socks out of the vanity drawer.

The Bathroom is clean, deluxe, and all yours. The hand-held showerhead rinses the campfire smoke out of your hair, and heat ducts keep the bathroom toasty warm. The medicine cabinet and sink vanity hold all your grooming supplies.
**Instant interior decorating. Just mix and match.**
Pick the fabric palette you like best, and then select your wood finish. You’ve just decorated your Terra LX.

**Whichever color you choose, others will be green with envy.**
You’re sure to draw some admiring glances in your new Terra LX, no matter what exterior color you select. The interior and exterior color palettes are not tied together, so you have the freedom to choose exactly what you like.
**Exterior Features**

1. Full-Body Paint is typically found on coaches that cost much more. DuPont® paint is applied in a two-stage process for maximum durability and a striking, glossy finish.

2. Patio Awning provides a shady spot for outdoor conversation.

3. Rear-Mounted Fuel Fill so you can pull into any space at the gas pump and fill up.

4. 4.0 KW Onan® MicroQuiet Generator runs quietly but provides plenty of power when you’re dry camping. For even more power, upgrade to the optional 5.5 KW Onan® Generator.

Vehicle shown in Satin Steel exterior graphics.

---

**The Power Platform® Plus Built for Strength, Stability and Pass-Through Storage.**

Competitors wish they had Fleetwood’s patented Power Platform® Plus, the golden standard of chassis. Its impressive design provides strength and enormous storage space. Storage compartments are lined with molded plastic for easy cleaning, and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

1. EZ Storage Compartment
2. Pass-Through Storage Compartment
3. 5,000 lb. Towing Capacity†
4. Storage Maximizer

---

**Stow, stow, stow your stuff.**

Terra LX comes with three extra large storage compartments, so you can take what you need with you.

- Pass-Through Storage lets you access your stuff from either side of the motorhome (except 31M model).
- EZ Store moves in and out with the slide-out so you don’t have to stoop to get your gear.
- The Storage Maximizer is another great place for big items such as folding chairs or portable fire pits.

---

**Peace of Mind Included, Standard.**

Fleetwood engineers have built dozens of safety features into Terra LX to keep your family safe. Of course, we’ve included 3-point seat belts for the driver and passenger, safety-belted seating locations inside for other passengers, and a child seat safety tether (depending on model). A few other notable safety features include hydraulic powered disc brakes and ABS on all four wheels, and leveling jacks that automatically retract if the drive gear is engaged.

**Safety**

You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motorhomes to give you more peace of mind.

---

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings, expressed as maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
Help is nearby. When you need an upgrade or repair, you’ll find facilities all across North America and more than 1,000 dealers ready to assist you.

- Spacious and inviting living room and galley
- Total privacy in the bedroom and huge bathroom thanks to the side-aisle layout
- The space of a much longer coach thanks to the large front slide-out
- Split-bath arrangement allows for maximum dressing flexibility
- Luxurious facing sofas for that residential feeling
- Large wardrobes, linen cabinet and pantry creates excellent storage flexibility
- Large galley for functional entertaining
- Optional bunk beds create multiple sleeping or storage solutions

Seatbelt configuration may vary depending on options chosen.

**Liquid Weight Reference:**
- Water (gal) = (3.8 lbs/3.8 kgs)
- Fuel (gal) = (6.1 lbs/2.8 kgs)
- Propane (gal) = (4.2 lbs/1.9 kgs)

**Metric Conversion:**
- Multiply pounds x 0.453 to obtain kilograms.
- Multiply gallons x 3.785 to obtain liters.
- Multiply liters x 61 to obtain cubic inches.

### Warranty

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

---

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Excludes safety equipment and awnings.
6. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with Hitch receiver manufacturer for further information.

N/A = not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
