IT'S THAT FEELING A PUPPY GETS WHEN SOMEBODY ACCIDENTALLY LEAVES THE GATE OPEN.
The Pantry holds snacks, cereal and more on adjustable shelves. That means you can pack enough food to feed your family, and the friends the kids bring over.

FEEL FREE TO WANDER THROUGH THE MEADOW, SMELL THE WILDFLOWERS AND EXPLORE TO YOUR HEART’S CONTENT. TERRY IS WAITING.

The Galley is equipped with trusted brand name appliances you can depend on. Like the big Dometic® double-door refrigerator, the Magic Chef® 3-burner stove with oven and the Atwood® water heater.

The Entertainment Center with available LCD TV and DVD Player lets you put on a movie when the kids need downtime. (Or you need a break from entertaining them.)

The Sofa Bed is the place everybody wants to lounge. At night, it folds down into a bed for two – perfect for a boy and his beloved dog.

The Living Room/Dinette Area is contemporary and elegant, a far cry from old-school camping styles. And the appealing décor is durable, too – we furnished Terry with superior Flexsteel® furniture with a lifetime warranty on the frame.

Terry 250RLS shown in Willow Bend interior décor with Clear Oak wood finish.
Out in the great outdoors, you don't want to be cramped indoors. So we've designed Terry® with functional floor plans that are comfortable and livable, offering a variety of configurations to suit up to ten people. And of course, a few pets, too.

The Master Bedroom feels just as comfy as yours at home. After a long day on the river, you can float away on the cushy queen-size bed with innerspring mattress. The other campers can retire to the available single or double bunkhouse (Select models.)

The Shirt Ward/TV Stand gives you a place to hang your shirts, while you hang out and watch a little TV. (TV not included.)

The Bedroom Entry Door lets you sneak out to sit around the glowing embers of the campfire while the kids sleep inside (select models).

The Shower and Lavy offer the very best thing about Terry. Your personal bathroom with a toilet, sink, medicine cabinet and a hot shower is always just a step away.

The Master Bedroom feels just as comfy as yours at home. After a long day on the river, you can float away on the cushy queen-size bed with innerspring mattress. The other campers can retire to the available single or double bunkhouse (Select models.)

The Shirt Ward and Overhead Storage holds extra clothing, campground guidebooks or camera behind its attractive glass doors.

The Master Bedroom feels just as comfy as yours at home. After a long day on the river, you can float away on the cushy queen-size bed with innerspring mattress. The other campers can retire to the available single or double bunkhouse (Select models.)

The Master Bedroom feels just as comfy as yours at home. After a long day on the river, you can float away on the cushy queen-size bed with innerspring mattress. The other campers can retire to the available single or double bunkhouse (Select models.)

You’ve got stuff? We’ve got space. From the inside storage compartments to the pass-through storage, Terry has the room to store lots of stuff families need (or want) when camping.

TERRY RESORT™
BIG CAMPING FUN WITH A LOWER PRICE TAG.

When you want to enjoy the outdoor scenery without parting with too much green, Terry Resort is a great choice. You’ll enjoy a nice array of features, and it’s built with the same high quality that Fleetwood is famous for. We wouldn’t put the Terry name to anything less.

1. ENGINEERED RADIUSED CEILING TRUSS – Helps to ensure strength, water runoff and reduced weight.
2. IN-CEILING AIR CONDITIONING DUCT – Better distributes cool air.
3. R7 FIBERGLASS INSULATION – As in your home, helps to ensure interior comfort in every season.
4. ONE-PIECE SEAMLESS SYNTHETIC RUBBER ROOF MEMBRANE – Provides the ideal weather seal and is warranted for 12 years.
5. INTERIOR WALL PANEL – Features a durable, easy-to-clean, decorative vinyl.
6. ARMSTRONG® FLOORING – Durable, easy to clean from the best name in residential flooring.
7. REINFORCED CAMBERED STEEL CHASSIS – Provides optimal strength, durability, and towing performance.
8. ENCLOSED CHASSIS – Is a durable weather barrier (available).
9. OSB ENGINEERED ROOF SUBSTRATE – Is designed to maximize strength, is sealed to provide moisture resistance and provides a solid backbone for the synthetic rubber roof construction.
10. 2” x 3” FLOOR JOIST – Allows for the placement of in-floor furnace ducting without compromising structural integrity.
11. ENGINEERED 5/8” OSB FLOORING – Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using “tongue and groove” construction.
12. 2” x 2” SIDEWALL STUDS 16” ON CENTER – Utilizing residential framing methods, this is the structural component of our sidewall construction.
13. .024” ALUMINUM SIDING – Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.

Drawing is for illustrative purposes only to highlight aspects of Terry Resort construction. Actual RV design depends on model and is subject to change.
Exterior Graphics Package offers clean, bold styling and still looks like a million bucks even after lots of long weekends.

Cube Speakers in the living room give your camping trip a soundtrack. They’re connected to the standard AM/FM/CD stereo and available DVD and MP3 compatible player.

The Enclosed Chassis is standard on Terry and available on Resort. No need to migrate to warmer climates. The enclosed chassis allows heating the holding tanks to help prevent freezing in colder weather.

1. ENGINEERED RADIUSED CEILING TRUSS – Helps to ensure strength, water runoff and reduced weight.
2. IN-CEILING AIR CONDITIONING DUCT – Better distributes cool air.
3. R7 FIBERGLASS INSULATION – As in your home, helps to ensure interior comfort in every season.
4. ONE-PIECE SEAMLESS SYNTHETIC RUBBER ROOF MEMBRANE – Provides the ideal weather seal and is warranted for 12 years.
5. INTERIOR WALL PANEL – Features a durable, easy-to-clean, decorative vinyl.
6. ARMSTRONG® FLOORING – Durable, easy to clean from the best name in residential flooring.
7. REINFORCED CAMBERED STEEL CHASSIS – Provides optimal strength, durability, and towing performance.
8. 1 1/2” ALUMINUM TUBING – Lightweight, structural studs blend proven framing methods with technologically superior materials.
9. HIGH-DENSITY BLOCK FOAM INSULATION – Is custom cut to ensure maximum structure and insulation value.
10. SMOOTH GLOSS FIBERGLASS EXTERIOR SIDING – This glossy surface is easy-to-clean and adds beauty and structural integrity.
11. WOOD SUBSTRATE – Adds structural reinforcement to the exterior fiberglass panel.
12. ENCLOSED CHASSIS – Is a durable weather barrier.
13. OSB ENGINEERED ROOF SUBSTRATE – Is designed to maximize strength, is sealed to provide moisture resistance and provides a solid backbone for the synthetic rubber roof construction.
14. 2” x 3” FLOOR JOIST – Allows for the placement of in-floor furnace ducting without compromising structural integrity.
15. ENGINEERED 5/8” OSB FLOORING – Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using “tongue and groove” construction.
16. 2” x 2” STUDS 16” ON CENTER (FRONT AND REAR SECTION) – Utilizing residential framing methods, this is the structural component of our front and rear construction.
17. AVAILABLE MOLDED FRONT CAP – Improved aerodynamics and styling.

FIBERGLASS CONSTRUCTION SETS TERRY APART.

Competitors just can’t match the quality of Terry’s construction. Terry is built with strong, aluminum-framed, laminated fiberglass exterior sidewalls. Not usually found at this price, they provide insulation and rigidity. The quality continues inside, where we use solid hardwood cabinet doors, and seamless vinyl flooring covering the entire floor (not just the parts you can see). This attention to detail creates superior construction, a polished look and an unbeatable value for the money.
No matter what direction you go, you'll always have your sense of style. Terry has a polished, contemporary look that's been created by professional interior designers. Who says camping can't be elegant and fun?

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
2. All dry weights are based on the standard model and do not include optional features or equipment.
3. Cargo Carrying Capacity (CCC) is determined by subtracting Gross Dry Weight from GVWR. Cargo Carrying Capacity (CCC) includes all fluids, optional features, equipment, and personal cargo.
4. Length taken from hitch or pin box to rear bumper (excludes accessories). Trailer length includes hitch; fifth wheel includes standard pin box.
5. Actual height may be lower, based on option offerings. Consult with your dealer to obtain actual height for the unit you are interested in.
6. Approximate.
7. Water weight equals 8.3 lbs per gallon. Propane weight equals 4.2 lbs per gallon.
8. Add 10" if equipped with optional spare tire and carrier.
9. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.

TO OUR CUSTOMERS...

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you’re planning to buy. Don’t rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and Cargo Carrying Capacity. These are usually available in the manufacturer’s sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.

2. Verify the towing capacity of your tow vehicle. If you don’t know, or aren’t sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer do not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

See you on the trail!

To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 1007, Decatur, IN 46733.

FLEETWOOD TRAVELCADE CLUB
As a Fleetwood owner, you’re eligible to become a member of the Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit our website at www.fleetwoodrv.com/owners_clubs to learn more and join the fun!

RV OWNERCARE*
See your local dealer for complete details.

IMPORTANT—PLEASE READ
Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
