Take it from our little friend "Seymour," there's more to Tioga than meets the eye. For example, our patented Slider Bunk... a dual purpose sleeping and living area located above the cab. Also our EZ Store™ Storage system. . . a rack & pinion system for easy access to items stored below. Top to bottom, Tioga is tightly designed to make maximum use of every square foot of space.

NO MATTER HOW YOU SPELL IT...TUFF IS TOUGH!

Quality Tuff Coat™ fiberglass is the protective exterior on your Fleetwood RV. It is a single continuous sheet of material that runs the length of your chassis for durable, long-lasting protection from the elements. No seams. No holes. No cracks. Just a solid layer of 100% fiberglass to cover your uniquely constructed Vacu-Bond® sidewalls. Together, Tuff Coat™ and Vacu-Bond® will keep your Fleetwood RV looking great for many years to come.
