Explore Tioga’s Features and Benefits.

Side-Walls framed with 1 1/2" Aluminum Tubing — Light weight, strong and well insulated.

Outstanding Exterior Styling — Creates a very "HIGH-END" look in an entry level coach.

Flexsteel Furniture — Built by a well known, quality furniture manufacturer. With significantly more "namebrand" appeal than our competitors.

High Mounted Large Taillights — Easily visible to other motorists when towing.

Steel Powder-Coated Bumper — Attractive appearance, less likely to rust or retain odors because it’s not a sewer hose receptacle.

26" Radius Entry Door — Easier to load and unload coach. It just looks better!

Easy to Clean Fiber Ceiling deadens noise — Sound deadening, insulating and overall better looking than a paneled ceiling.

By Fleetwood — a name you know, a name you trust.

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.

2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).

6. Excludes safety equipment and awnings.

7. Tank Manufacturer’s listed water capacity (WC). Actual LPG capacity is 80% of water listing as required by the safety code.

* The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.

What Drives You?

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends.

Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you.

Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other.

Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.

RV OWNERCARE…

is a limited one-year/three-year or 15,000 mile warranty, whichever occurs first, and it is fully transferable for the first 12 months.

RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components, and construction, with no deductible and no service charge.

RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
