You know the happy feeling you get when your marshmallow is toasted perfectly? It's like that.
Tioga brings your family closer – with lots of space.

We created Tioga for families to relax together. And that starts with our wide range of floor plans, nicely designed so everybody has room to sleep, eat and play Chinese checkers comfortably. The available slide-outs give you even more space to relax. Next, we selected comfy furniture and attractive décor choices so it feels like home, wherever you are. Then we built in smart safety features, like car seat restraints. All so you can spend some nice time with your loved ones.
SAFETY FEATURES provide peace of mind, such as a carbon monoxide detector, smoke detector, propane detector, fire extinguisher, and safety tether for a child’s car seat.

FLEXSTEEL® FURNITURE looks great, wears well and carries a lifetime warranty on the frame.

Tioga 31M shown with optional entertainment center in Mocha Java interior décor with Windsor Birch cabinetry.
Perfect for cooking up flapjacks – and your next adventure.

The galley is the heart of your Tioga, so we equipped it with our very best. For example, you’ll find rich wood cabinets featuring arched, raised panels, and a double-bowl sink with a deluxe faucet. But underneath this beautiful exterior, you’ll find Tioga is built for functionality and chock-full of practical features. Now that’s food for thought.
SPACIOUS STORAGE with raised arched wood doors holds plenty of full-size dinnerware to feed the biggest family – plus a few friends.

THE POTS AND PANS DRAWER holds large cookware – the perfect place for your jumbo spaghetti pot.

A FLIP-UP COUNTERTOP gives you more room when you need it, and folds down when you don’t. A sink cover provides even more countertop space.
THE BACK-UP MONITOR (optional) in full color helps you back up safely. You can even hear directions from your assistant through the one-way audio.

The Tioga SL – it’s like catching your limit.

You get the maximum with the Tioga SL – all the features of the Tioga plus a bunch more, like more overhead storage and full basement storage so you can bring more stuff. And more seasons to camp in, thanks to heated, enclosed holding tanks to help prevent freezing during cold snaps.
THE ENTERTAINMENT CENTER (optional) includes a 24” TV and DVD/VCR combo with surround sound, turning Tioga SL into a theater instantly.

THE SOFA BED seats three so you can all gather around to play charades. At bedtime, it converts to a comfy bed.

Tioga SL 30U shown with optional entertainment center in Bahama Blues interior décor with Windsor Birch cabinetry.
Everything’s a bit sweeter in the SL version of Tioga. The fabrics are more luxurious, the refrigerator is 30% larger, and lots of nifty conveniences are included, such as fresh water filtration for the whole coach. Even the driver and passenger seats are covered in Ultraleather™ for comfort and beauty.

The Tioga SL galley - it’s like s’mores instead of roasted marshmallows.

❄️

FULL EXTENSION DRAWERS slide out all the way so you can even store things in the very back of the drawer.
THE CONVECTION MICROWAVE delivers the fast cooking of a microwave and the fast baking and broiling capabilities of a convection oven.

UNDER-DINETTE STORAGE uses a pull-out basket to make it easy to retrieve your games, crafts or pet supplies.

THE ENTRY ASSIST HANDLE helps you enter and exit more easily, no matter how tall you are.

THE DINETTE seats four adults comfortably right next to a big picture window.

THE SNACK TRAY, built into the sofa bed, keeps sodas from spilling thanks to two cup holders.
UNDER-THE-BED STORAGE is the perfect place for extra sheets and blankets – even that old sleeping bag you never have to use again (select models).

THE DINETTE converts to another comfy bed for a tired camper. Just retrieve Teddy from the storage area underneath.

THE MEDICINE CABINET is large enough for your toiletries. With vanity lights and a big mirror, “camping hair” is a thing of the past.

THE SHOWER lets you wash that campfire smoke smell out of your hair in an elegant glass enclosure (31K & 31M models), with a water saver feature so you can dry camp longer.

THE TIoga INCLUDEs a Queen-Size Bed (select models) with a high-quality innerspring mattress, just like home. (Headboard on select models.)

Whether you hiked to the summit or just to the picnic table, you deserve a nap in the queen-size bed. Just pull down the pleated shades and let the dreams begin.
THE CABOVER BED provides huge snoozing space instantly, thanks to the patented slider bunk. And it folds away easily.

THE BATHROOM offers the conveniences of home, from the large sink and medicine cabinet down to the china toilet bowl.

HIS AND HERS WARDROBE STORAGE, with mirrored doors, ends the space-sharing struggle by providing two closets (30U model).

THE TIOGA SL INCLUDES A QUEEN-SIZE BED with an innerspring mattress.
Tioga and Tioga SL Exterior Features

Since the whole point is to spend time outdoors, we’ve put many great features on the outside of the Tioga and Tioga SL.

**TUFF-PLY ROOF** is UV resistant, durable, easy to clean, and doesn’t scratch like many competitors’ fiberglass or aluminum roofs.

**DRIP RAIL MOLDINGS** channel water off the Tioga at the front and rear, preventing those ugly streaks on the sidewalls.

**POWDER-COATED STEEL RUNNING BOARDS** are sleek and stylish.

**TUFF-COAT® EXTERIOR FIBERGLASS SIDEWALLS** are Vacu-bonded® into a strong composite structure, unlike some competitors’ thin fiberglass laminate.

**PASS-THROUGH STORAGE** holds fishing poles, water skis and other long items, and a bin to store ice for cold drinks (models 26Q and 29V).

**THE EXTERIOR SHOWER** can rinse the mud off waders and frog-catching kids. (Standard on Tioga and Tioga SL 31M & 31W, optional on other models.)

**TWO-WAY RADIOS** (optional) let you hike, fish or visit other campsites while keeping in contact with your family. Includes 4 walkie-talkies and a charging station.

**THE FUEL FILL** is located in the back, so you can pull into any pump at the filling station and refuel (select models).

**THE FUEL FILL** is located in the back, so you can pull into any pump at the filling station and refuel (select models).
EXTERIOR FEATURES – TIOGA SL

ONE-PIECE FIBERGLASS FRONT CAP
is aerodynamic and attractive.

BASEMENT STORAGE
features aluminum doors with struts and large paddle latches so you can open them with one hand to access all your travel gear.

ALCOA® ALUMINUM WHEELS
let you roll in style, and reduce the un-sprung weight.

HEATED HOLDING TANKS
help prevent winter freezing, and are positioned in the bottom center platform to increase balance.

EXTERIOR AWNING
is standard on the SL and creates a ready-made “front porch” for you to relax in the shade.

TIOGA SL shown above in Bahama Blues.

WHY FLEETWOOD?

Passion
We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Quality
There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Service
Help is nearby. When you need an upgrade or repair, you’ll find facilities all across North America and more than 1,100 dealers ready to assist you.

Warranty
Breathe easier with RV Ownercare, one of the best warranties in the industry. See your Fleetwood dealer for details.

Trust
More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

1) FLEETWOOD’S TUFF-PLY ROOFING TECHNOLOGY is one of the most durable roofing materials on the market and also resists radiation by reflecting sunlight (reduces chalking). White roof material minimizes heat build-up, keeping the temperature cool and comfortable.

2) RELIABLE TuffPEX® PLUMBING runs throughout each vehicle creating a durable seal on all internal tubing. TuffPEX® tubing is easy to install, tough, will not crack if frozen, flexible and corrosion resistant. The TuffPEX® system is an industry leader in quality plumbing.

3) TUFF-COAT® FIBERGLASS COMPOSITE. Fleetwood uses one seamless solid piece of exclusive Tuff-Coat® fiberglass composite for each outer wall. It resists UV rays, cracks and impacts.

4) VACU-BOND® SIDEWALLS, FLOORS AND CEILINGS assure a strong, weather-resistant structure, framed in aluminum or steel. The Vacu-bond® process is unmatched by many competitors.

5) HIGH DENSITY BLOCK FOAM INSULATION is precisely cut to fit between framing members. This ensures maximum insulation throughout the vehicle.

Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.
We’ve revamped our exterior graphics and interior fabrics to give you fresh, updated choices for 2007. Pick your favorite.
The deluxe fabrics and extra detailing make the 2007 Tioga SL even more inviting.

Select from our new palette of colors and designs.

### Standard Features and Options

#### INTERIOR THROUGHOUT
- 12V Water Pump, Demand Operation
- 13,500 BTU Ducted Air Conditioner (22B, 24D & 26Q)
- 15,000 BTU Ducted Air Conditioner (28F, 29J, 31K, 31M, 31W & SL/GT Models)
- 30,000 BTU Furnace, Auto-Ignition, Ducted, Wall Mtd. Thermostat
- 6 Gallon Water Heater, Electronic/Ignition, Propane
- Arch Hardwood Overhead Cabinet Doors w/Recessed Panel
- Auxiliary Battery, Disconnect Switch on Monitor Panel
- Carpet w/Pad & Vinyl Flooring in Galley, Lavy & Entry
- Deluxe Roller Bearing, Full Extension Drawer Guides & Trash-Ship Locks
- Water Pump w/On/Off Switches at Galley & Lavy
- Water Pump Controller, On/Off Switches at Galley & Lavy

#### QUALITY Constructed Furniture by Flexsteel®
- Water Heater Bypass Valve-Fresh Water System W/Pilot
- Mortise & Tenon Hardwood Cabinet Doors
- Monitor Panel: Auxiliary & Chassis Battery Condition
- Check, Holding Tanks, Fresh Water Tank Level, Propane Tank Level, All Level Readings in 1/4 Increments, Direct Spark Ignition Water Heater Switch w/Lighted Indicator, Water Pump Switch w/Indicator Light, Battery Disconnect Switch, Generator Start/Stop Switch & Hour Meter
- GFI Circuit Protection in Galley, Lavy, Patio Receptacles
- AC/DC Load Center w/12V Converter/ Battery Charger
- 15,000 BTU A/C w/Heat Pump (N/A on 22B)
- 2-Way Radio Package w/Charger & Storage Unit
- LCD Back-up Monitor w/One-Way Audio

#### DRIVER CONVENIENCE
- 3-Point Seat Belts at Driver & Front Passenger Seats
- 4 Speakers, (2 in Cab Doors, 2 Ceiling Mounted)
- In Dash AM/FM Radio w/CD Player
- Power Windows & Door Locks
- 54" x 76" Cabover Bed with Patented Slider Bunk Operation, Privacy Curtain, Roof Vent & Sliding Side Windows (N/A 30U)
- 54" x 76" Cabover Bed with Patented Slider Bunk Operation, Privacy Curtain, Fantastic Power Roof Vent & Sliding Side Windows (N/A 30U)
- Cabover Bunk Ladder (Supplied w/Cabover Bunk Arrangement)
- Flexsteel® Adjustable/Reclining Bucket Seats w/Armrest (Ford®)
- Driver/Front Passenger Airbag Supplemental Restraint System
- Driver/Passenger Ultraleather™ Flexsteel® Adjustable/Reclining Bucket Seats w/Armrest
- Custom Dash Appliances

#### LIVING ROOM
- Dual Pane-Windows (N/A w/Optional Convertible Sofa w/Table or Bunk Beds)
- DSS Manual Lift Satellite Dish w/Elevation Sensor (Std on 30U)

#### AUTOMOTIVE
- Ford® E450 Chassis, 6.8L Triton® V10 w/305 hp, Dual Airbags, 4W Anti-Lock Brakes, Automatic S-Speed Transmission w/Overdrive
- Chevy® Express/Workhorse® Chassis, 6.0L Vortec® V8 w/300 HP, Dual Airbags, 4W Anti-Lock Brakes, Automatic 4-Speed Transmission w/Overdrive
- Tire Size: 235/65R16 Dually (N/A on 22B)
- Auxiliary Emergency Start Assist Switch on Dash
- Chassis Supplied: Heating & Air Conditioning, High Speed Wipers, Power Steering w/Tilt Wheel, Cruise Control, Sunvisors (2), Dome Light, Beverage Cup-Holder, Map Pocket
- AC/DC Load Center w/12V Converter/ Battery Charger
- Deluxe Wheel Covers
- 12V Auxiliary Battery
- Rear Fuel Tank (Select Models)
- Alcoa Aluminum Wheels
- Dual 6V Deep Cycle Auxiliary Batteries
- Stainless Steel Wheel Liners

#### SAFETY/CONVENIENCE
- 30-Amp, 30' Long Shore-Line Power Cord, Compartment Storage
- AC Duplex GFI Receptacle on Patio Side
- Amber Porch Light w/Interior Switch
- Breakaway Side Mirrors
- Entry Door w/Screen Door & Deadbolt Lock
- High Mounted Rear Taillights
- Radius Tinted Windows
- Power Electric Step (Select Models)
- Breakaway Side Mirrors w/Power Adjust & Heat Control

#### STORAGE
- Molded Cross-Link Polyethylene Battery Compartment
- Compartment Container & Lid - Easy Access for Battery Maintenance & Electrical Components Check
- Insulated Locking Luggage Doors w/Thumb Latch
- Large, Multi-Door Storage Bay Compartment Access w/Smaller Storage Wells for Convenient Cargo Organization, Strut Assisted Doors (26Q)
- Painted Aluminum Skin Luggage Doors w/Strut Assist and Paddle Latch
- Stainless Steel Hinges on Exterior Luggage Doors

#### BODY STRUCTURE
- Vacu-bond® Hull Lamination Process
- Royal Tuff-Tply Radius Roof w/Ducted A/C
- Sidewalls Framed w/1/2" Aluminum Tubing
- Corrosion Resistant Aluminum Tube Hull Framing
- Molded Rear Wheel Trim Flares
- Molded Rear Wheel/Ceiling Transition Trim
- Steel Powder-Coated Rear Bumper
- One-Piece Molded Fiberglass Front-End Cap
- Powder Coated, Steel Running Boards
- 26" Wide Radius Corner Entry Door w/Window
- Powder Coated Steel Running Boards w/Cust. Molded Front Wheel Trims
- Heated Holding Tanks in Basement Compartments (31K, 31M & 31W Tioga)
- Full Basement Exterior (31K, 31M & 31W Tioga)

#### FLEETWOOD ADVANTAGES
- Complete TuffT® Plumbing System
- Royal Tuff-Tply UV-Resistant Heat/Cold Insulated Roofing Technology
- Vacu-Bond® Floor
- Dual-Vac® Walls w/Smooth High-Gloss Exterior Tuff-Coat® Fiberglass

### Chassis
#### MODELS
| Alternator Amps | 130 Amp | 145 Amp |
| Engine | 6.0L Vortec™ V8 | 6.0L Vortec™ V8 |
| Horsepower | 305 HP | 300 HP |
| Transmission | 5-Speed Automatic w/Overdrive 5R110W | 4-Speed Automatic w/Overdrive 4L80E |
| Torque | 420 lb-ft @ 3250 RPM | 360 lb-ft @ 3250 RPM |

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of the fully loaded motor home. The GVWR is equal to or greater than the sum of the UWW unloaded vehicle weight plus the (CCC) cargo carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
5. Length taken from front bumper to rear bumper (excludes accessories).
6. Excludes safety equipment and awnings.
7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
8. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
RV OWNERCARE
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

CONTACT US
To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 1007, Decatur, IN 46733.

FLEETWOOD TRAVELCADE CLUB
As a Fleetwood owner, you’re eligible to become a member of the Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560, or visit our website at www.fleetwoodrv.com/owners_clubs to learn more, and join the fun.
