READY TO ROAM

When you hit the road, Bounder and Bounder Classic give you everything you need. After a long day of driving, playing or exploring, Bounder welcomes you with cozy comfort and all the modern conveniences. Your journey beckons. When you’re ready to answer, Bounder will take you there.

BOUNDER 35K shown in Natural Stone interior décor with Toasted Chestnut wood cabinetry
WHY BUY BOUNDER AND BOUNDER CLASSIC?

More Value for Your Money  When you compare motor homes, Bounder gives you more for your dollar. It’s packed with features and ready to go.

Maximum Functionality  Bounder is known as “The Motor Home That Really Works” because it provides straightforward functionality.

Built for Long Trips  Go right ahead and plan that cross-country journey. We built Bounder for extended travel.

Trusted Name  Bounder has been popular for more than 20 years, with sales unmatched by any other motor home brand.

Fully Equipped  Bounder provides the necessities for a comfortable, convenient and safe journey. It includes many features standard that others consider optional.
Both inside and out, we offer a wide selection of colors, styles and finishes. From the moment you lay your eyes on a Fleetwood RV, the high-style graphics and décor collection welcome you with gracious beauty and contemporary design. We’ve paid attention to every detail. So wherever you are, you’ll feel right at home.

## ADDENDUMS

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.

4. Length measured from front bumper to rear bumper (excludes accessories).

5. Excludes safety equipment and awnings.

6. Motorhomes feature a body width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

†† Minimum TOWABLE Load is the available weight, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight can be added to your TOWABLE Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your TOWABLE Load increases accordingly.

* UVW and OCCC are found on the label containing the federal certification tag in each RV.

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood RV dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood RV has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
Both inside and out, we offer a wide selection of colors, styles and finishes. From the moment you lay your eyes on a Fleetwood RV, the high-style graphics and décor collection welcome you with gracious beauty and contemporary design. We’ve paid attention to every detail. So wherever you are, you’ll feel right at home.

WHY FLEETWOOD RV?

Quality
There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Trust
More people trust Fleetwood RV. After all, we’ve spent over 60 years perfecting RVs, earning the loyalty of generations of RVers.

Passion
We’re truly passionate about the RV lifestyle. Fleetwood RV was founded by RV enthusiasts, and that tradition continues today.

Safety
You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Service
Help is nearby with 24/7 emergency Fleetwood RV Trusted Roadside Assistance.* And when you need an upgrade or repair, you’ll find Fleetwood RV dealers all across North America ready to assist you.

Warranty
Exclusive RV OwnerCare warranty. See your Fleetwood RV dealer for details.

RV OWNERCARE**
Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided by a company that will be around in the future to service your needs. See your nearest Fleetwood RV dealer for a full explanation of benefits and restrictions.

CONTACT US
To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-322-8216. We can also be contacted at Fleetwood RV Customer Relations, P.O. Box 1007, Decatur, IN 46733.
