Come Out and Play
Expansive galley complete with residential-style, stainless steel, double sink and lots of storage big enough for full-size dinner plates and tall cereal boxes.

Originally built and designed by the company’s founder, the Bounder® is far from typical with its spacious interior, abounding with convenient and comfortable touches of home.

HOP INTO A BOUNDER® and you’ll soon find out why it’s more than a typical motor home. For those adventurous get-togethers, the dinette system allows for easy seating adjustments with pullout storage underneath for lots of supplies. Other models include a versatile table with leaf and two folding, color-coordinating chairs.

So there won’t be any excuse to leave anything behind, all models include lots of bedroom storage. Like the new 36K bedroom that features cabinets with five roomy drawers, an integrated vanity, and shirt ward. On top, your optional 13” Panasonic® TV with remote, will supply lots of viewing pleasure as you relax in your comfortable, color-coordinated queen size bed.

With great interior features, Bounder makes sure the only way you’re “roughing it” is outside, in the great wide open.

YOU’RE BOUND TO HAVE FUN WITH
AMERICA’S #1 SELLING MOTOR HOME.*
Recognized as a Consumers Digest Best Buy.**

The fun of escape. The experience of a new and different life. Bounder® motor home is the all-time favorite that turned the RV industry around with innovations like the first full basement and accessible seat storage. Things that made RV travel versatile and more enjoyable.

It has an owner loyalty that has sprung up Bounder clubs and rallies throughout the country. There’s a multitude of imitators, but there’s only one Bounder that continues to surpass itself in value and utility. Its spacious interior expresses your desire for the convenient and comfortable touches of home. There are more floor plans to choose from than any other Fleetwood Class A motor home. And to make sure you’ll have plenty of hot water for everyone, a new fast-heating dual LP gas/electric 110-volt water heater is now standard.

This RV knows no bounds when it comes to working hard. Its tubular steel basement construction offers huge carrying capacity and is significantly stronger than wood. You can choose between a 3500 lb. hitch-rated Workhorse® chassis, or a 5000 lb. hitch-rated Ford® chassis to tow your toys! Either way, life with a Bounder is even more enjoyable with your motorcycles, vehicles or personal watercraft.

The Bounder has been leaving its “tracks” since 1986. In fact, for the last ten years alone, well over 30,000 Bounders have been built. And because it’s the best-selling single-brand motor home for the last decade in North America,** Bounder has a habit of finding people who enjoy being together.

BOUNDER FEATURES FOR 2001

Our engineering may set us apart from the rest, but the things you’ll notice most when you and your family take a trip, are the top-of-the-line features. Here are but a few of the items that make life on the road with Bounder memorable.

- Front entertainment center with 20” Panasonic® color TV and optional VCR are just some of the many Bounder features.
- Easy access to storage under the dinette is only one reason Bounder has function written all over it. (Standard on all floor plans except 36K.)
- An optional electronic climate control system, with dual A/C controls, enables a separate climate in the front and rear of the coach.
- Every Bounder comes prewired for an optional Winegard® satellite dish.

- Fill Bounder up on either side of the pump with a rear fuel-fill location, especially convenient when towing a vehicle.
- Carpeted storage compartments are non-corrosive to prevent rusting.
- A coach-length, aluminum drip rail prevents discoloring of the sidewall.
- Practical, single die-cast metal paddle latches are flush-mounted for a luggage door system that’s durable and easy-to-operate.
- Anti-wicking process, on all of Bounder’s openings and windows, includes multiple seals for prevention of leaks and moisture buildup.
- Our swing-down engine access door makes it easy to check Bounder’s fluid levels and electrical panel.

- Bounder’s standard 4.0kW ultra-quiet Onan® generator provides 110V service and comes with a 3-year warranty. (Optional 5.5kW generator shown.)
- Our EZ Store™ Storage System was developed using a rack and pinion system to give you the utmost ease in accessing your stored gear below.
- Hookups are easily accessed and color-coded for quick set-up. Adjacent is the wash station for convenient outside cleaning.

**Important—Please Read:** Product information and photography included in this brochure were as accurate as possible at the time of publication. For the most current product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads to ensure that the recreational vehicle’s capacities are not exceeded.
Bounder Power Platform II is a unique truss design welded together using tubular steel that's durable, strong and dependable. The result is a quiet and nearly flawless ride, increased floor strength and substantially more storage space below. An all-steel foundation further reduces stress loads on the sidewalls and minimizes chassis flex on uneven roads.

**2001 SPECIFICATIONS**

- The floor is a vacuum-bonded composite of steel tubing, foam insulation, and marine-grade plywood cut to our exact specs for lightweight strength and resistance to moisture.
- Full basement construction maximizes space beneath the floor, encloses the heated water and holding tank compartments, and provides easy-to-reach, pass-through storage.
- All exterior compartments are reinforced with substantial steel outriggers for increased durability and years of cargo carrying.
- Easy access compartments let you get to Bounder’s batteries and dual-battery charge control.
- The floor is a vacuum-bonded composite of steel tubing, foam insulation, and marine-grade plywood cut to our exact specs for lightweight strength and resistance to moisture.

1. **GVWR (Gross Vehicle Weight Rating):** Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. **GAWR (Gross Axle Weight Rating):** Means the maximum permissible loaded weight a specific axle is designed to carry.
3. **BW (Base Weight):** Means the weight of the motor home without fuel, options, water, cargo or passengers.
4. **GCWR (Gross Combined Weight Rating):** Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
5. **Length:** Taken from front bumper to rear bumper.
6. **Excludes safety equipment and awnings.
7. **Tank Manufacturer’s listed water capacity (WC). Actual LPG capacity is 80% of water listing as required by the safety code.

**METRIC CONVERSIONS:**

- Feet to meters: ft x .304 = meters
- Lbs to kgs: lbs x .454 = kgs
- Gallons to liters: gal x 3.78 = ltrs
Aided by the IronCAD™ system, hundreds of analysis and refinement hours are spent before prototypes are built.

Time is devoted to refining the style and aerodynamics of every Fleetwood motor home.

We build our cabinets and secure them to the floor before the walls go up to add strength and help eliminate noises.
FLEETWOOD’S FAR-REACHING WARRANTY AND SERVICE PROGRAM

LIMITED ONE-YEAR/THREE-YEAR WARRANTY

Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving each dealer’s commitment to your satisfaction behind. OWNERCARE, Fleetwood’s extensive warranty and service program, provides one/three year(s) of dedicated customer satisfaction. OWNERCARE stands out as one of the RV industry’s most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

FULLY TRANSFERABLE

At Fleetwood RV, we’re confident in our products and don’t hesitate to stand behind them. Your newly purchased Fleetwood RV comes with one of the industry’s most comprehensive warranties, fully transferable for the first 12 months.

NATIONAL COVERAGE

Have a question about your new Fleetwood RV? We’ve got it covered. The nation’s largest trained dealer network—ready, willing and able to provide you with the services you need to make every moment of owning your RV enjoyable. Over 1,100 Fleetwood dealers throughout the U.S. and Canada are available to you. With national coverage, peace of mind and complete satisfaction are just a phone call away.

AN EXTRA THANK YOU

Ask your dealer about your Thousand Trails complimentary 30-day membership certificate. It’s your chance to get going in your new RV and enjoy some scenic camping, plus our way of thanking you again for your purchase of a Fleetwood RV. For more information on your complimentary membership certificate, please call 1-800-205-0606. Happy (Thousand) Trails!

FLEETWOOD RV AND MOTOR SPORTS: A WINNING TEAM

Three wide in the first turn. 200 miles per hour on the back straight. Passing for the lead through the short chute. Nothing beats the excitement of NASCAR racing. Every year thousands of NASCAR fans and Fleetwood RV owners travel to races to support their favorite drivers, enjoy time with family and rekindle friendships.

RVs have become as much a part of motorsports as pit row and the checkered flag. That’s why Fleetwood RV is a proud sponsor of 1999 Winston Cup Champion Dale Jarrett and the Robert Yates Racing Team.

As the number one RV manufacturer * in the country, our winning ways continue. Fleetwood RV is now the “Official Recreational Vehicle” at nine International Speedway Corporation racetracks. ** And for Fleetwood owners, emergency service crews are available at select tracks to ensure a trouble-free weekend. While you’re enjoying the race, be sure to look for the Fleetwood RV Prize Patrol and go home with some exciting giveaways.

So this weekend, pack up your friends and family and experience the thrill of cheering on Dale firsthand, in first-class style, with Fleetwood RV.
