SLOW DOWN. GOOD TIMES AHEAD.
There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

After all your years of hard work, now it’s time to enjoy life. You want to travel, visit family and see friends. Bounder was made for you. It’s a fully equipped motor home with the components, furnishings and features you need at a value price. In fact, it shares many of the features found in more expensive motor homes such as full-body paint, Ford® or Workhorse™ chassis, deluxe cabinet doors, and extra storage compartments. It’s the motor home that makes your money go farther.

Quality

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

The Cockpit is designed for your comfort and convenience during those long hours on the road. The gauges are easy to read, and controls are within easy reach. Even the Flovac® driver/passenger seats are designed to reduce fatigue on cross-country drives — and the optional Ultraleather™ is softer and easier to clean.

The Recliner (select models) is the ideal place to get lost in a book with a nice, cool glass of iced tea. Set your glass on the flip-up table next to your chair. For an extra touch of class, treat yourself to the optional Ultraleather™ covering.

The Entertainment system features a 27” flat screen TV and spacious wood cabinetry to store other electronics. When visiting Tombstone, Arizona, you might watch “Gunfight at the O.K. Corral” for an entertaining history lesson! If you like high-def, an optional Samsung® 26” LCD HDTV is available.

Why Buy Bounder?
BOUNDER 39H shown in Cashmere interior décor with Plantation Cherry wood cabinetry.

Maximum Functionality
Bounder is known as "The Motor Home That Really Works" because it provides straightforward functionality.

Built for Long Trips
Go right ahead and plan that cross-country journey. We built Bounder for extended travel.

Trusted Name
Bounder has been popular for more than 20 years, with sales unmatched by any other motor home brand.

Fully Equipped
Bounder provides the necessities for a comfortable, convenient, and safe journey. It includes many features standard that others consider optional.

More Value for Your Money
When you compare motor homes, Bounder gives you more for your dollar. It's packed with features and ready to go.
Cook to your heart's content.

Bounder makes it easy to prepare a family meal, where key appliances are within easy reach and countertop space is abundant. These are just two examples of how Bounder delivers maximum functionality through smart design. But while cooks love the galley, it's also a great place to entertain friends and family. With plenty of floor space and roomy slide-outs, everyone can be comfortable.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.
THE GALLEY is decked out with the appliances you need to whip up a meal for two...or twenty-two. And you have lots of countertop room for party trays – simply flip up the countertop extension shelf and slide in the range and sink covers for even more horizontal space.

THE CABINETRY is beautiful on the outside, smart on the inside. The shelves are adjustable, and lined so your dishes don’t rattle in transit. Best yet, the cabinets are deep enough for full-sized plates so you don’t have to eat off salad plates.

THE REFRIGERATOR stores so much food, you can host that family reunion. The Norcold® 4-door model (optional on select models) holds 12 cubic feet of food, with a roomy interior for party trays. Includes a handy icemaker to cool your drink on hot days.

THE MICROWAVE warms up your coffee, pops popcorn and defrosts in a flash. If you like baking, try the optional convection microwave that bakes just like an oven and cooks like a standard microwave.
REST ASSURED.

You can sleep well when you buy a motor home that’s been proven for more than 20 years. The trailblazing Bounder set a new standard for motor homes over two decades ago, and is still one of the top-selling motor homes on the road. And Bounder is built by Fleetwood, a respected industry leader for more than 55 years. To top it all off, Bounder is backed by one of the most comprehensive warranties available. It’s no wonder owners continue to be wild about Bounder.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

BOUNDER
THE BEDROOM TV is positioned just right to watch the 20" flat screen in bed. Catch a little Leno before your 40 winks. Or, see that chin in high-definition on the optional Samsung® 19" LCD HDTV.

THE SPACIOUS WARDROBE turns on a light when you open the door, so you can see your neatly organized clothing inside the cedar-lined closet. When the door is closed, you can double-check your outfit in the mirror. Below, fully extending drawers provide easy access to items at the very back.

THE BEDROOM SUITE provides plenty of room for relaxing, thanks to the bedroom slide-out on every model. But nothing’s more relaxing than the inviting bed, with its queen-size Restonic® mattress. For even more cushiony acreage, some models offer an optional king-size bed.

THE VANITY (most models) acts as your bedroom dresser and primping center. The roomy drawers provide abundant storage for linens and much more, while sparkling lighting keeps the outlook bright.

THE BEDROOM TV is positioned just right to watch the 20" flat screen in bed. Catch a little Leno before your 40 winks. Or, see that chin in high-definition on the optional Samsung® 19" LCD HDTV.
Leap large states in a single Bounder.

Bounder is ideal for extended trips. It’s designed for superior durability and maximum comfort. The galley is spacious, storage room is ample, and the tanks have a large capacity so you can dry camp longer. Even the exterior full-body paint is made for long wear. We apply DuPont® paint in a two-stage process for durability and beauty. Now, the most difficult part will be choosing your color.

* Each color is available in both Scheme 1 and Scheme 2 graphics. See your Fleetwood dealer or visit our website at www.fleetwoodrv.com to view all graphic and color choices.
Proof that pretty can be practical.
These attractive fabrics and handsome wood finishes are pleasing to the eye. But you’ll be even more pleased when you find out how durable they are. All the surfaces in Bounder are long-wearing and easy to clean so your motor home will look nice for years to come. Pick your favorite from these palettes.

EVERYTHING YOU NEED.
NOTHING YOU DON’T.

Both inside and out, Bounder provides dozens of features standard. But we’ve left out the fancy frills and expensive extras that make the price tag soar. So you’ll enjoy great features like these at a value price.

1. **EXTERIOR AWNING** makes a pleasant front porch to sit under on a sunny day. (Electric version is optional.)
2. **5.5 KW ONAN® GENERATOR** runs very quietly but provides plenty of power. Perfect for dry camping.
3. **WHOLE COACH WATER FILTRATION** delivers safe, fresh drinking water throughout your coach.
4. **DIAMOND SHIELD** (optional) protects your paint finish on the lower front cap from paint chips and damage caused by road debris, bug acids and weathering. This clear, 8 mil. urethane film will help preserve the beauty of your Bounder.

Vehicle shown in White Shadow Scheme 1 exterior graphics.

1. **INTERLOCKING CEILING-TO-SIDEWALL CONSTRUCTION** helps keep the box square. This assures a proper cabinet fit.
2. **INTERLOCKING FLOOR-TO-SIDEWALL CONSTRUCTION** locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.
3. **VACU-BOND® SIDEWALL CONSTRUCTION** creates a strong, weather-resistant structure. All sidewalls, floors and ceilings are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

Vehicle shown in White Shadow Scheme 1 exterior graphics.
Peace of Mind Included, Standard.

Fleetwood engineers have built dozens of safety features into Bounder, from the 3-point seat belts to the leveling jacks that automatically retract if the drive gear is engaged. Combined with Fleetwood’s superior construction, the result is a motor home you can depend on for high quality and safety.

Safety

You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Fleetwood’s patented Power Platform® Plus is the envy of our competitors. The ultra-strong chassis provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

1. EZ Store
2. Pass-Through Storage Compartment
3. Large Towing Capacity†
4. Storage Maximizer

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

The Utility Compartment is the central place to hook up to water, sewer and cable. The water sprayer is handy for hosing out the compartment — or giving Rover a bath.

The EZ Store Compartment is the perfect place to store extra-long equipment, such as a ladder or casting rods. The compartment moves with the slide-out so you don’t have to stoop underneath to get your stuff.

Pass Through Storage is another great place for your long items, like golf clubs or fishing gear, coolers and chairs, because you can take them out from either side.

Storage Maximizer does exactly that: it gives you maximum storage. It’s the perfect place for bulky items like portable fire pits.
**32K**
- Both a sofa & a dinette in a compact motor home
- Separate toilet room creates great versatility
- Available Options: 145, 149, 491, 700, 832, 833, 852

### Warranty

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

---

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturers' manuals for complete information.

4. Length measured from front bumper to rear bumper (excludes accessories).

5. Excludes safety equipment and awnings.

6. Motor homes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or provincial road laws which may affect your usage.

7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety codes.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optional seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
