The motor home that works just as hard as you do.
The Shower has a low threshold – with one small step you’re inside the roomy stall. The water temperature adjusts quickly, so you can avoid a cold shower. In fact, Bounder features a 10-gallon water heater, where many competitors only offer a 6-gallon heater.

The Bedroom Suite provides plenty of room for relaxing, thanks to the bedroom slide-out on every model. And under-bed storage provides an out of the way space for linens and more.

The Dinette brings you a glorious sunset out the picture window to enjoy with your dinner. When you’ve got an overnight guest, the dinette converts to an extra bed.

The Galley is decked out with the appliances you need to whip up a meal for two... or twenty-two. And you have lots of countertop room for party trays – simply slide-out the countertop extension for even more horizontal space.

Promote your sense of adventure.
Put your sense of adventure back in the driver’s seat. Filled with convenient features and comfortable furnishings, Bounder was built to work hard so you can play hard.
Go ahead and answer the call of the wild. Bounder will take you there.
