**Addendums**

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of the fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (exclusive accessories).
5. Excludes safety equipment and savings.
6. Mileage features a body width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or provincial road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (W/C). Actual propane capacity is 80% of water listing as required by the safety code.
8. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
9. Minimum Towable Load is the available weight, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight can be added to your Towable Load. For example, if your coach is loaded to 1000 lbs less than maximum GVWR, your Towable Load increases accordingly.
10. UVW and OCCC are found on the label containing the federal certification tag in each RV.
Both inside and out, there is a wide selection of colors, styles and finishes. From the moment you lay your eyes on a Bounder Classic, the high-style graphics and décor collection welcome you with gracious beauty and contemporary design. We've paid attention to every detail. So wherever you are, you'll feel right at home.
