DISCOVER COMFORT.

Traveling has never been easier or more comfortable than in this plush environment. Relax in style and supreme comfort as you travel to your destination, or take a load off after a day of activities. Enjoy a DVD on the Panasonic® 27” TV with surround-sound as the dual A/C quickly cools the room. After no time at all you’ll come to appreciate the thought and care that went into the design, like the illuminated assist handle at the door and the easy-sweep flooring at the top of the steps.

SOFASLEEPER, (optional) features the practical beauty of Ultraleather, a durable pet-friendly fabric. It has the soft, supple feel of leather but it’s scratch-, stain- and odor-resistant. And unlike leather, it’s comfortable at all temperatures.

A CENTRAL VACUUM SYSTEM (optional) makes quick work of cleanup so you can go out and play.

NEXT TO THE ENTERTAINMENT UNIT, your Discovery provides a home for your tapes and DVDs.

ABOVE THE COUCH, a row of compartments holds all the stuff you frequently use.
**A COOK’S KITCHEN.**

You’ll be delighted with the spacious dining room, which provides an excellent excuse for you to test out your new kitchen; with the free-standing dinette*, you can easily seat up to six. Double your workspace for cooking with a roll-out countertop**. Discovery’s™ convection microwave cooks better and much faster than an oven. On the 3-burner stove, use your creativity to prepare the cuisine of your choosing. The best part—cleanup is quick and easy. After a few meals here, you may never eat at home again.

* Option available on models 39B, J, L and S.
** Roll-out countertop available on 38U and 39L.

**FOUR-PLACE DINETTE** features comfortable seating with storage below. Free-standing dinette (optional) with table leaf and two folding chairs can seat up to six.

**BUILT-IN COFFEE MAKER** is conveniently located to provide more counter room. The spacious cabinets provide plenty of shelf room.

**LARGE (1.4 CU. FT.) CONVECTION MICROWAVE** does what an oven does in a fraction of the time—fish, steaks, even a whole chicken.

**DOMETIC® SIDE-BY-SIDE REFRIGERATOR** with 12 cu. ft. of space holds plenty of perishables. And it looks great!
SLEEP COMES EASY.

Sleep comes easy, thanks to a queen-size bed topped with a Restonic® Pillow Top innerspring mattress. The bathroom boasts a shower with glass enclosure and skylight, a porcelain flush toilet, a large sink, a solid-surface countertop and cabinetry with toe kick. For 2005, enjoy fresh water throughout the whole coach for brushing your teeth as water filtration moves beyond the galley to the bathroom. With all these amenities, it feels just like home.
