## GOOD TO BE HOME.

A peaceful evening watching your favorite DVD on a comfortable couch will sound good after a long day of fun. Relax, take a load off and prepare for tomorrow's activities as dual A/C units quickly cool your surroundings and you discuss the menu for tonight's guests. It's going to be a good night—a great dinner and interesting conversation. Tomorrow, it's off to a new destination with new people in new places for more adventures. Life is good when you have all the comforts of home wherever you are.

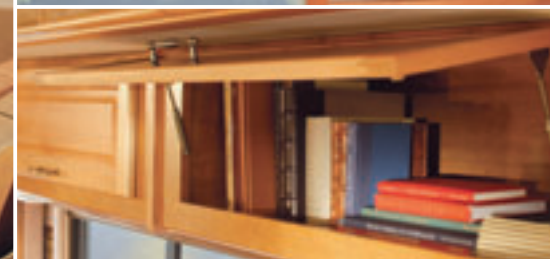

**LIVING ROOM** Ultraleather™ sofa sleeper (optional) is comfy to stretch out in. This couch is pet-friendly and has the soft, supple feel of leather but it's scratch-, stain- and odor-resistant. And, unlike leather, it's comfortable at any temperature.

**DINETTE** serves four (39" x 74") with cushioned seating. Storage is conveniently located below the seats and above the table.

**27" PANASONIC® TV** with a hi-fi VCR and the excitement of a 5-disc DVD surround-sound home theater are standard. This overhead entertainment center provides all the luxuries of home.

**OVERHEAD STORAGE** There's plenty thanks to an entire row of overhead cabinets.

## WHAT'S COOKIN'?

Anything you're craving in Expedition's well equipped galley. A 12 cu.ft. side-by-side refrigerator holds plenty of perishables and a spacious (1.4 cu. ft.) convection microwave cooks like a conventional oven—steaks, fish, even a whole chicken—in a fraction of the time. A 22" 3-burner

stove (with or without optional oven) handles the rest. Expedition's roll-out countertop expands work space and its full-size double porcelain sink makes cleanup quick and easy. A gourmet meal is perfectly manageable on the road.

**ROLL-OUT COUNTERTOP** greatly expands galley work space and storage too. When finished, you simply roll it back into its home below the kitchen counter. (Available only on 37U and 38N models.)

**DOUBLE-DOOR PANTRY** lets you organize your food thanks to the convenience of its slide-out storage baskets.

**UNDER SINK STORAGE** provides more than enough room for all of your cleaning needs.

**CORIAN® COUNTERTOP** is stain- and germ-resistant, easy to clean and has rounded corners.

## SLEEP WELL.

Sleep comes easy in Expedition's cozy bedroom. A slide-out\* accommodates a queen-size bed topped with a Restonic® mattress, stylish bedspread and decor pillows. The bathroom features a shower with a glass enclosure and skylight, a porcelain flush toilet with Water Saver™ and a large sink surrounded by a solid-surface countertop. Water filtration moves beyond the galley and provides fresh water throughout the coach even in the bathroom for brushing your teeth.

*\*Slide-out available on select floor plans.*

**20" PANASONIC® TV** is positioned in the upper corner of the room and swivels for easy bedtime viewing. The TV, like most everything in the Expedition, is standard equipment.

**ADJOINING BATHROOM** features Corian® countertop, a deep sink, a mirrored medicine cabinet with make-up lights, large cabinets and a glass-enclosed shower with skylight and brass framing.

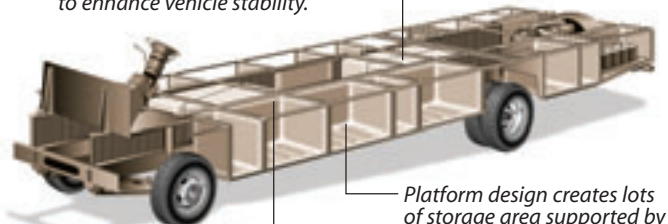

**BEDROOM DRESSER** (select models) offers the convenience of organizational baskets and a clothes hamper. Underneath, the toe kicks are deep enough to accommodate your shoes.

**MIRRORED-DOOR WARDROBE** comes fully equipped with a light, residential racks and organizers. Cedar lining keeps clothes smelling forest fresh and moth-free.

Heavy fluid tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Platform design creates lots of storage area supported by sturdy Vacu-Bonded walls.

Neoprene rubber gasket isolates the living area from the chassis for a quiet ride.

## POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a metal frame. This makes the chassis even stronger.

### Awnings

Patio and door awnings (electric optional) provide shade from the sun.

### Standard Dual A/C Units

Expedition has maximum cooling capabilities and plenty of storage because its A/C units are mounted on the roof not in the basement.

### Full Paint

Premier multiple stage paint process provides a luxurious look and a quality finish.

### Tires

Designed specifically for RV's, Goodyear's G670 RV provides a superior ride and durability.

### Storage

Storage compartments line both sides of coach. Compartments include lights, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

**STYLISH WRAP-AROUND DASH** features read-at-a-glance gauges and easy-to-reach controls. Optional Sirius® satellite radio provides commercial free music stations and 40 streams of sports and entertainment.

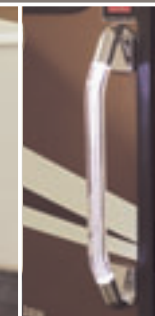

**SPARE TIRE COMPARTMENT** is specifically designed for Expedition's spare tire (spare tire not included).

**HOOKUPS** are all conveniently located in one easily-accessible compartment.

**EXTERIOR STORAGE** provides pullout basket to keep track of all of your small items (select models).

**LIGHTED ENTRY RAIL** is a small but important feature... especially on a moonless night.

THREE INTERIORS/EXTERIORS, THE CHOICE IS YOURS.

Choose from diverse exterior graphic and interior fabric motifs — with each interior you can choose from one of three wood finishes, nine combinations in all.
