ALL DRESSED UP
AND EVERYWHERE TO GO

2001
PLAY AWAY IN STYLE

A KNACK FOR FUN AND A DESIRE TO PLEASE, Flair® is known for its versatility.

You’ll find dishing up your favorite meals a joy. Counter space increases with a cutting block that fits over the large, double stainless steel sink. A folding range cover adds even more counter room and, once opened, reveals a Magic Chef® 16” 3-burner gas range over an oven big enough for a roast. To help keep you supplied with plenty of fresh veggies, there’s a 6 cu. ft. or an optional 8 cu. ft. Dometic® double-door refrigerator.

And, in the bedroom, several floor plans (25F, 31A, 32V, and 33R) are made even roomier by optional bed or wardrobe slide-outs. Then enhance the look with a choice of three different interior colors and fabrics. But don’t stop there, create a mood with accent lighting and the use of your day/night shades for the exact amount of light you need.

Experience Flair. A motor home with this much going for it makes it hard to stay home.
In the Flair® motor home, your family will find an exciting traveling companion for exploring all that life on the road has to offer. It has lots of space, style and solid value that's unsurpassed in its price range.

Agile enough to go where the fun is, the Power Platform II chassis easily carries this wide-body motor home for a quiet, and nearly flawless ride. The steel-truss design also allows for pass-through storage so you can bring along more fun. And you’re pre-wired to tow whether you choose a Workhorse® chassis with a 3500 lb. hitch rating or the Ford® with a 5000 lb. hitch rating. Flair has the strength and power to bring along your dirt bikes, ATVs or watercraft.*

You have a selection of seven floor plans. That’s a lot. But your choices haven’t stopped there. We offer SmartRoom™ options (models 30H and 32V). These transform your bedroom into a den, office, or an additional 30 square feet of floor space to use as a hobby room or a workout area. Beautifully engineered throughout, the flat inner ceiling maximizes Flair’s interior headroom, not to mention its practicality, providing space for full-size dishes and personal belongings.

With an RV like this, it’s no wonder that Fleetwood RV has so many motor homes on the road today. Flair. Everything’s set for your life on the go.

*Check your owner manual(s) for towing safety, rules and guidelines.

Workhorse® is a registered trademark of Workhorse Custom Chassis • Ford® is a registered trademark of the Ford Motor Company. SmartRoom™ is a trademark of Fleetwood Enterprises, Inc.
Our swing-down engine access door makes it easy to check Flair’s fluid levels and electrical panel.

A coach-length, aluminum drip rail prevents discoloring of the sidewall.

Flair’s solid wood, spacious passenger overhead storage shelves measure 36” wide and 8” deep.

Convenient passenger-side storage rack holds magazines or books.

Fill Flair up on either side of the pump with a rear fuel-fill location, especially convenient when towing a vehicle.

Carpeted storage compartments are non-corrosive to prevent rusting.

Practical, single die-cast metal paddle latches are flush-mounted for a luggage door system that’s durable and easy-to-operate.

Anti-wicking process, on all of Flair’s openings and windows, includes multiple seals for prevention of leaks and moisture buildup.

An optional electronic climate control system, with dual A/C controls, enables a separate climate in the front and rear of the coach.

Every Flair comes prewired for an optional Winegard® satellite dish.

Flair’s standard 4.0kW ultra-quiet Onan® generator provides 110V service and comes with a 3-year warranty. (Optional 5.5 kW generator shown.)

Integration passenger-side storage rack holds magazines or books.

Uniquely suited to your needs on the road, integrated bedroom cabinetry features large dresser, optional TV, hamper and vanity.

Our EZ Store™ Storage System was developed using a rack and pinion system to give you the utmost ease in accessing your stored gear below.

### Appliances
- 20" Panasonic® TV in Overhead
- Smoke Detector/Alarm
- LPG Leak Detector/Alarm
- CO Detector/Alarm
- Furnace 35M BTU
- 6-Gallon Quick Recovery Water Heater with D.S.I.
- 16" 3-Burner, High-Output Range with Oven
- Light/Power Range Hood & Monitor Panel
- Folding Range Cover
- Single A/C with Solar Panel
- Water Heater Bypass
- Marine Toilet
- 1-cu. ft. Microwave with Electric Touch Pad
- 6-cu. ft. Dometic® Double-Door Refrigerator
- Single-Lever Galley Faucet
- Demand Water Pump with Filter
- Power Bath Vent
- TV Antenna
- Video Control Box
- Fire Extinguisher
- Rear Speakers in Bedroom
- Telephone Jack in Dash and Bedroom
- 12V Jack

### Exterior Structure
- Vacubond Upper/Lower Floor
- Vacubond Walls with Smooth Exterior Fiberglass
- Radiused Roof with Ducted A/C & Flat Interior
- Rubber Roof
- Steel Floor/Wall/Ceiling Framing

### Electrical
- Patio Receptacle in Luggage Compartment
- 120V/12V AC/DC Converter Central Electrical Panel with Charger
- Water Pump Switch
- 4.0kW Onan® Generator
- 30-amp Service
- Dual 6V/Deep-Cycle 218 amp House Batteries
- VCR Ready
- Rear TV Receptacle

### Exterior
- Fiberglass Front Cap
- Swing-Down Engine Access Door
- Fiberglass Front Grille
- ABS Front/Rear Wheel Well Trim
- Entry Door with Deadbolt Latch
- Slider Windows Throughout
- Flair Logo Badging
- 4-Point Manual Hydraulic Levelers (On Slide-Out Models)
- Roof Ladder
- Exterior Assist Handle
- Exterior Rear View Mirrors
- 20' Sewer Hose
- TV Antenna
- Park Cable Receptacle
- Awning Rail/Drip Molding (Both Sides)
- Power Entry Step
- Exterior Shower
- Porch Light
- 3 Colorway Graphics to Match Decor

### Exterior Automotive
- Tinted Windshield
- Undercoating
- Stainless Steel Wheel Simulators
- Valve Extenders
- Steel Surface on Bulkhead
- Trailer Hitch with 7-Point Electrical Hook-up
- Halogen Headlights
- Under-Floor Spare Tire
- Dual Battery Charge Control
- Single-Motor Windshield Wipers with Wet Arm

### Insulated Storage
- Insulated Luggage Doors
- Single-Paddle/Metal Latches
- Continuous One-Piece Bulb Seals
- Gas Lift Strut Supports–One Per Door
- Steel Seal Frames
- Carpeted Luggage Compartments
- Lighted Luggage Compartments

### Interior Lighting
- Decor Lighting
- Incandescent Lighting
- Make-Up Lights in Bath

### Platform Construction
- Basement Floor Configuration
- Heated Water & Holding Tank Compartments
- Carpeted, Galvanized Luggage Compartments
- Steel Truss System
- Power Platform II
Flair Floor Plans for 2001

**Model 25F**
- Bedroom Slide-Out with Island Queen Bed
- Bedroom Feature Cabinets with Dresser and Integrated Vanity
- Fully Enclosed Bathroom
- Dinette or Optional Sofa Bed with Pedestal Tables

**Model 25Y**
- Island Double Bed
- Optional Twin Beds
- Fully Enclosed Bathroom
- Double Door Wardrobe
- Dinette or Optional Sofa Bed with Pedestal Tables
**SmartRoom™** converts easily from a bedroom to an office, or to 38 sq. ft. of floor space to use however you wish. Actual cabinetry and design varies by product and floor plan.
MODEL 32V
- Optional SmartRoom™
- Island Queen Bed
- Wardrobe Slide-Out
- Swivel Chair with Table
- Living Room Slide-Out with Sofa Bed and Dinette

MODEL 33R
- Bedroom/Wardrobe Double-Length Slide-Out with Mirrored Doors and Large Drawers
- Fully Enclosed Bathroom with Tub/Shower
- Bedroom Feature Cabinets with Integrated Vanity
- Living Room Slide-Out with Sofa Bed and Dinette
- Swivel Chair with Table

MODEL 34D
- Island Queen Bed
- Dual Nightstands and Shirt Wardrs
- Fully Enclosed Bathroom with Tub/Shower
- Spacious Wardrobe
- Living Room Slide-Out with Sofa Bed and Dinette
- Swivel Chair with Table
Flair’s Power Platform II is a unique truss design welded together using tubular steel that’s durable, strong and dependable. The result is a quiet, and nearly flawless ride, increased floor strength, and substantially more storage space below. An all-steel foundation further reduces stress loads on the sidewalls and minimizes chassis flex on uneven roads.

Easy access compartments let you get to Flair’s batteries.

All exterior compartments are reinforced with substantial steel outriggers for increased durability and years of cargo carrying.

Full basement construction maximizes space beneath the floor, encloses the heated water and holding tank compartments, and provides easy-to-reach, pass-through storage.

The floor is a vacuum-bonded composite of steel tubing, foam insulation, and marine-grade plywood cut to our exact specs for lightweight strength and resistance to moisture.

### METRIC CONVERSIONS:

- Feet to meters: ft x 0.304 = meters
- Lbs to kgs: lbs x 0.454 = kgs
- Gallons to liters: gal x 3.78 = ltrs

1. **GVWR (Gross Vehicle Weight Rating):** Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. **GAWR (Gross Axle Weight Rating):** Means the maximum permissible loaded weight a specific axle is designed to carry.
3. **BW (Base Weight):** Means the weight of the motor home without fuel, options, water, cargo or passengers.
4. **GCWR (Gross Combined Weight Rating):** Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.
5. **Length taken from front bumper to rear bumper.**
6. **Excludes safety equipment and awnings.**
7. **Tank Manufacturer’s listed water capacity (WC).** Actual LPG capacity is 80% of water listing as required by the safety code.

**N/A:** Information not available at the time of publication.

---

**IMPORTANT– PLEASE READ:** Product information and photography included in this brochure were as accurate as possible at the time of publication. For the most current product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads to ensure that the recreational vehicle’s capacities are not exceeded.
WHAT HAPPENS WHEN YOU SET THE STANDARDS OF RV QUALITY FOR OVER 50 YEARS?

YOU SET THEM EVEN HIGHER...
Our customers expect us to. As a matter of fact, first-time RV buyers, who bought other manufacturers’ RVs, tell us they wish they’d spent a little bit more for better quality. That’s why experienced buyers are more likely to buy a Fleetwood RV.* That’s also why Fleetwood RV invests in people, systems, and manufacturing quality that are second to none. This may make us a bit more expensive than some brands, but satisfied Fleetwood RV owners know we’re worth it.

PEOPLE...
We hire engineers, designers and drafters from leading automotive design schools. Our front-line associates are well-trained, quality-minded men and women who take pride in their work. No other manufacturer has a larger, more professional team behind their products.

SYSTEMS...
Our product development team uses state-of-the-art, computer-assisted-design (CAD) technology to build in fit and finish right from the drawing board. Each product is meticulously documented with over 3,500 pages of engineering drawings. A computerized bill of materials details over 20,000 pieces that go into your motor home. And, a vehicle specific Electronic Parts Catalog shows 600 – 800 common parts… so, if you need a new part, your authorized Fleetwood RV service dealership knows exactly what you need. Some manufacturers may not invest the extra time and money to accurately document their products, which could cost you plenty in headaches and hassles down the road.

MANUFACTURING...
We only do what we know we’re best at—building a quality-finished motor home. When it comes to the appliances, doors, windows and furniture, we partner with other recognized leaders to do what they know best… top names like Sharp®, Panasonic®, Dometic®, Restonic® and Flexsteel®. Some manufacturers will tell you partnering like this makes us final assemblers. We call it working smarter to bring you more value.

QUALITY...
The quality outside reflects the quality inside—places where you can’t see it, but where it really counts. For example, we use vacubonded sidewall construction that’s required for the special needs of a motor home. Our new TuffPEX™ plumbing system is able to withstand temperatures as low as -40°F. Before any unit rolls off the line at each of our plants, it goes through a documented checklist containing hundreds of items specific to that product. It won’t leave the plant until it has met our high standards. And, the list goes on.

From the drawing board to the assembly line, we will continue to develop and manufacture quality products for our customers.

Fleetwood RV… setting standards beyond your expectations.

*Angus Reid RV Market Segmentation Study, 1998

For strength, noise reduction and insulation, composite sidewalls and floors are made of steel, plywood and polystyrene foam.
LEADING ONE-YEAR/
THREE-YEAR WARRANTY

Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving each dealer’s commitment to your satisfaction behind. OWNERCARE, Fleetwood’s extensive warranty and service program, provides one/three year(s) of dedicated customer satisfaction. OWNERCARE stands out as one of the RV industry's most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

FULLY TRANSFERABLE

At Fleetwood RV, we’re confident in our products and don’t hesitate to stand behind them. Your newly purchased Fleetwood RV comes with one of the industry’s most comprehensive warranties, fully transferable for the first 12 months.

FLEETWOOD RV AND MOTOR SPORTS: A WINNING TEAM

Three wide in the first turn. 200 miles per hour on the back straight. Passing for the lead through the short chute. Nothing beats the excitement of NASCAR racing. Every year thousands of NASCAR fans and Fleetwood RV owners travel to races to support their favorite drivers, enjoy time with family and rekindle friendships.

RVs have become as much a part of motorsports as pit row and the checkered flag. That’s why Fleetwood RV is a proud sponsor of 1999 Winston Cup Champion Dale Jarrett and the Robert Yates Racing Team.

As the number one RV manufacturer* in the country, our winning ways continue. Fleetwood RV is now the “Official Recreational Vehicle” at nine North American tracks.** And for Fleetwood owners, emergency service crews are available at select tracks to ensure a trouble-free weekend. While you’re enjoying the race, be sure to look for the Fleetwood RV Prize Patrol and go home with some exciting giveaways.

So this weekend, pack up your friends and family and experience the thrill of cheering on Dale firsthand, in first-class style, with Fleetwood RV.

INTERNATIONAL SPEEDWAY CORPORATION RACETRACKS

Have a question about your new Fleetwood RV? We’ve got it covered. The nation’s largest trained dealer network—ready, willing and able to provide you with the services you need to make every moment of owning your RV enjoyable. Over 1,100 Fleetwood dealers throughout the U.S. and Canada are available to you. With national coverage, peace of mind and complete satisfaction are just a phone call away.

AN EXTRA THANK YOU

Ask your dealer about your Thousand Trails complimentary 30-day membership certificate. It’s your chance to get going in your new RV and enjoy some scenic camping, plus our way of thanking you again for your purchase of a Fleetwood RV. For more information on your complimentary membership certificate, please call 1-800-205-0606.

Happy (Thousand) Trails!
Your motor home takes you to new adventures every day. And since this home will be an enduring part of your life, we offer a selection of colors and textures that are a fine blend of classic and contemporary style. We search to obtain quality fabrics that are elegant, yet durable, to keep up with your active lifestyle. Year after year, the look will be as welcoming to you as it is to your guests.
Where do you want to be? The possibilities are almost limitless. From mini motor homes to luxury coaches, from gas to diesel performance, there’s a Fleetwood motor home to fulfill your dreams.

We know exactly how you feel, realizing there’s a whole new world to experience. That’s why we made sure you can choose from the broadest selection of brands and floor plans the world has to offer. It’s no wonder that one out of four motor homes sold is a Fleetwood.*

This is your journey. Take it for a spin.
