Never Stop Your Adventures.

2007 FLAIR
CLASS A GAS

FLEETWOOD
Well Designed.

Flair’s spacious layout provides a comfortable environment on the road. Relax in Flexsteel® furniture with a lifetime warranty on the frame and enjoy features like flush flooring, providing a near seamless living area when the slide-outs are extended.
THE CHILL GRILL
is a great feature that disperses cold air into the coach on those warm days.

THE FLEXSTEEL® RECLINER
(available, swivel chair is standard) is very comfortable and features a convenient fold away table perfect for reading a book, using a laptop or enjoying a snack.

THE ENTERTAINMENT CENTER
features a 24" TV and shelf for the available DVD/VCR combo, making it easy to watch your favorite movies wherever you are.

SPACIOUS OVERHEAD STORAGE
is a great place to keep books, DVD's or video tapes for your long journeys.

UNDER-THE-DINETTE STORAGE
is a convenient place to keep books, board games and even extra cookware.
CONVENIENT PULL-OUT BASKETS
(select models) in the galley pantry, slide in/out with ease for storing your non-perishable food items.

CONVENIENT OVERHEAD STORAGE
above the sink provides plenty of room for full-size plates and dishes.

Convenience and Comfort.
You’ll always feel at home thanks to Flair’s functional design, boasting features to make your travels fun and easy. Take full advantage of the galley for cooking a great meal with features like a 3 burner range with oven, a convenient microwave for a quick snack, a spacious 8 cu. ft. Dometic® double door refrigerator for food & beverages, and
FLAIR’S BEDROOM
is well equipped with under-the-bed storage as well as overhead cabinets providing ample storage for extra bedding or linens. You’ll also love the comfortable queen-sized innerspring mattress and pleated shades to keep the sun out during those afternoon naps.

A CONVENIENT COMPUTER DESK
in the bedroom comes complete with phone and power jacks, giving you the ability to email friends and family during your travels. The bedroom TV shelf is a nice feature to have for some relaxing time before you sleep (TV is available).

THE BATHROOM
features a medicine cabinet with mirrored door, a shower with skylight, hand towel racks and abundant storage for toiletries.

THE BEDROOM WARDROBE
with mirrored doors gives you more than enough room for storing your clothing and any extras you may need along the way.

full-extension roller bearing drawer guides, giving you full access to the drawers for storage. In the bedroom, relax on the queen size innerspring mattress, which also features underneath storage, great for extra towels, linens or clothing. You’ll also enjoy the stylish fabrics choices for a one of a kind look.
TUFF-PLY ROOF

is UV resistant, durable, easy to clean, and doesn’t scratch like many competitors’ fiberglass or aluminum roofs.

AN EXTERIOR AWNING

is standard and provides great protection from the weather, so you can enjoy your surroundings rain or shine.

TUFF-COAT® EXTERIOR FIBERGLASS SIDEWALLS

are Vacu-bonded® into a strong composite structure, as opposed to competitors’ thin fiberglass laminate.

STORAGE COMPARTMENTS

are lighted and include single paddle latches, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

POW E R

STRENGTH

RELIABILITY

POWER PLATFORM CONSTRUCTION

Fleetwood’s patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

Holding tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Holding tanks are enclosed between the upper and lower basement floors. This allows them to be heated to hamper freezing in cold weather.

Platform design creates lots of storage area and supports the sturdy Vacu-Bonded® walls.

*Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

WHY FLEETWOOD?

PASSION

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

QUALITY

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

SERVICE

Help is nearby. When you need an upgrade or repair, you’ll find facilities all across North America and more than 1,100 dealers ready to assist you.

WARRANTY

Exclusive RV Ownercare warranty. See your Fleetwood dealer for details.

TRUST

More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

Vehicle shown is Sweet Bluette.
THE UTILITY COMPARTMENT provides a central place to empty your holding tanks and includes a water sprayer for quick clean up. For convenience, the compartment is lighted and components are clearly marked.

ONAN® 4.0 KW MICRO QUIET GENERATOR minimizes campground noise and runs very quietly compared to other generators (5.5 kW generator is shown above and is standard on the 33R & 34F).

THE DRIVER’S AREA features an AM/FM radio with CD player, easy to read gauges, convenient map storage and cup holders.

EZ STORE COMPARTMENTS allow for storage of oversized or bulky items and conveniently move with the slide-out for easy access to your gear.

THE STYLISH REAR CAP looks great, featuring a convenient roof ladder for easy roof access and a rear vision camera (available) that provides a live feed to the driver’s dash and one way audio to easily communicate while backing up.

THE REAR FUEL FILL is easy to fill up no matter what side of the pump you’re on.
Three Interiors, Two Wood Choices.
The Choice is Yours.

Choose from three interior décor motifs, with color coordinated exterior graphics and two wood finishes for a total of six distinct decor choices.

- Workhorse™ Chassis w/8.1L Vortec™ Engine

SETTING THE STANDARD IN MOTOR HOME QUALITY.

- Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don’t survive are redesigned until they do. This sets our standard in safety and durability.

- Royal Tuff-Ply roofing technology is one of the most durable roofing materials on the market and also reflects sunlight to reduce chalking. White roof material minimizes heat build-up, keeping the temperature cool and comfortable.

- Reliable TuffPEX® plumbing runs throughout each vehicle creating a durable seal on all internal tubing. TuffPEX® tubing is easy to install, tough, will not crack if frozen, flexible and corrosion resistant. The TuffPEX® system is an industry leader in quality plumbing.

- For each outer wall, Fleetwood uses one seamless, solid piece of its exclusive Tuff-Coat® fiberglass composite. It resists UV rays, cracks and impacts. Our products look newer longer and that’s a big plus at resale time.

- To assure a strong, weather-resistant structure, Fleetwood Vacu-bonds® all sidewalls, floors and ceilings to a durable aluminum or steel frame. The Vacu-bond® process is unmatched by many competitors.
