THIS WEEKEND,
DON’T RUN ERRANDS.
RUN FREE.
Sitting beside a roaring campfire can do wonders for family spirit. It’s time to make some memories in Jamboree. Friends are welcome too - Jamboree offers many sleeping options from queen beds to cabover bunks, sofa sleepers to convertible dinette beds. Choose from three models: the value-packed Jamboree Sport, Jamboree, and the luxurious Jamboree GT. Each one offers plenty of room both inside and out to store your gear, and lots of towing muscle so you can take your favorite toys†. The chores can wait until next weekend…get out there and enjoy life.

† Refer to footnote on the Weights and Measurements page for information.

SPORT/JAMBOREE/GT

THE TIME OF YOUR LIFE IS NOW.
The Fleetwood Jamboree has consistently raised the standard for family camping for more than 35 years. Every year, Fleetwood engineers perfect the well-known Jamboree to meet the needs of today’s families. The 2009 Jamboree is no exception, boasting innovative floor plans, including an optional media center that comes in handy on a rainy spring day. In fact, you can camp in most any season, thanks to Jamboree’s heated basement. With features like these, you can see why Jamboree remains one of the best-selling motor homes on the market.

The Jamboree GT was created for families that like a dash of luxury with their adventure. Everything is a bit more upscale in this sophisticated beauty. You’ll enjoy extra indulgences, from the supple Ultraleather™ driver and passenger seats to the standard 19” LCD TV to the larger galley appliances. Every model offers a single or double slide-out to provide unparalleled room inside. Full-body paint adds a touch of prestige to the Jamboree GT, our premium Jamboree for those who like the best of everything.

For families just entering the comfortable, convenient world of RVing, Jamboree Sport is the way to go. It’s packed with features at a value price. You’ll enjoy plenty of room to eat, sleep, relax and play thanks to the spacious design. And the galley is fully equipped with a refrigerator, microwave, stove with oven, and pantry to make mealtime easy. Families carry lots of stuff, so Jamboree Sport has been designed with lots of storage space, too. It’s just another way Jamboree Sport gives you more for your money.
Weekends call for family fun. Time to jump in your Jamboree Sport and head out for adventure. Yet you’ll enjoy the conveniences of home, like a fully equipped galley, comfortable furniture and restful beds. The well-designed floor plans afford space for a family with lots of stuff. And all this comes at an entry level price. But you’d never guess it – Jamboree Sport looks snazzy from its stylish wheel covers outside to the handsome fabrics within.

Quality

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

JAMBOREE SPORT

WHY BUY JAMBOREE SPORT?

Great Looks at a Value Price
It looks stylish with its glossy fiberglass exterior and one-piece molded fiberglass front cap. But it’s our most affordable Class C motor home.

Safety is Built Right In
We provide peace of mind with front driver and passenger air bags, 4-wheel disc brakes, seat belts with pre-tensioners, and more.
Jamboree Sport 25G shown in Antelope interior décor with Bijoux Cherry wood cabinetry.

**Family-Friendly Galley**
The fully equipped kitchen makes it easy to feed your family, with ample storage and a roomy dinette.

**Space to Stretch Out**
Thanks to Jamboree Sport’s clever design, there’s enough space for everyone to have their own. That keeps family peace.

**Seven Floor Plans**
Choose the layout you like, ranging from 23 feet to 32 feet. Whatever size your family, there’s a Jamboree Sport to fit your needs.

**A Comfy Bed**
for a tired camper is ready in a flash. Sweet dreams!

The Dinette seats four, with enough room to avoid elbow wars. It’s under a big picture window, perfect for watching the wildlife...squirrels, birds, or roving packs of kids.

The Dinette Table slides down easily to convert into a bed. Underneath, spacious storage compartments are the perfect place for games, pet food or toys.
**The Galley** includes everything you need to prepare a family feast: a 6 cu. ft. refrigerator, three-burner stove, oven, microwave, large stainless steel sink, and high-rise faucet. And you can cook with clean, filtered water thanks to the water filtration system that provides better water throughout the coach. (So you can brush your teeth and shower with filtered water, too.)

**Elbow Room for Your Whole Body.**

Jamboree Sport is cleverly designed to provide you with lots of space for relaxing, sleeping and eating. The galley contains roomy overhead cabinetry that can hold full-size plates, and full-extension drawers allow you to store pots and pans at the very back. There's plenty of room for your gear, too, with pass-through storage on select models.

**The NEW U-Shaped Dinette** (available on select models) provides a cozy seating or conversation area. After sunset, you can convert this space into a comfortable extra bed.
The Storage Bins are a handy way to keep your gear organized (select models). And once you unload your gear, throw some ice and drinks into the plastic bins for a self-serve refreshment station!

The Pass-Through Storage (select models) holds your coolers, grill, inflatable raft, or other jumbo items, and you can access your stuff from either side.

The Cabover Bunk with TV is not only a comfortable double-size bed, it’s a quiet place to hang out. Or, you can watch TV on the optional 19” LCD widescreen TV with a remote and DVD player. Put on a movie, stretch out and enjoy.

The Bedroom provides that precious commodity: privacy for parents. Pleated shades soften the moonlight, while mom and dad relax on a queen-size innerspring mattress (select models). Or, if you’ve got a big family or lots of friends, choose the 29V model with optional double bunk beds instead of the queen bed.
Seatbelt configuration may vary depending on options chosen.

With Jamboree, getting there is all the fun.

You don’t have to wait until you arrive at your destination to have fun in Jamboree. From the moment you leave your driveway, you have the comforts of home. Snack from the big refrigerator, relax on the Flexsteel® furniture, and enjoy the convenience of your residential-style bath. Getting away from it all is easy...just throw in your favorite foods, a few clothes and go! Jamboree is ready for adventure when you are.

Trust

More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.
Jamboree 31M shown in Cabernet interior décor with Plantation Cherry wood cabinetry.

The Under-Dinette Storage uses handy pull-out baskets to make it easy to retrieve your games, crafts or butterfly nets.

The Sofa with Table comes in handy if you’re feeding a big crowd (31M model only). Seat four at the dinette and two or three on the sofa, and it’s suppertime! The sofa faces the dinette so you can still have family conversation during meals, and the table stows away afterwards.

JAMBOREE

Many Floor Plans
Choose from three different floor plans and a wide range of options to build the Jamboree that’s perfect for you.

Quality Construction
Fleetwood is known for excellent quality construction. You’ll wish everything were built like your motor home.

Made for Adventure
Enjoy extended season camping, and tow your toys along with Jamboree’s big towing capacity†.

Kitchen Conveniences
The family-friendly galley is stocked with extras such as a spice rack, sink covers, silverware drawer, cutting board and more.
The Cabover Entertainment System (optional on Sport, Jamboree and GT) features a 32” LCD TV with home theater system perfect to entertain guests, and spacious wood cabinetry to store DVDs and more.

The Cabover Entertainment System (optional on Sport, Jamboree and GT) features a 32” LCD TV with home theater system perfect to entertain guests, and spacious wood cabinetry to store DVDs and more.

The Sofa Bed makes it okay to fall asleep on the couch. But this time, you’ll have more space to stretch out, after the sofa back folds down.

The Sofa Bed makes it okay to fall asleep on the couch. But this time, you’ll have more space to stretch out, after the sofa back folds down.

The Sofa Bed makes it okay to fall asleep on the couch. But this time, you’ll have more space to stretch out, after the sofa back folds down.

The Dinette becomes a bed when the table swings down, and the cushions make into a mattress. Throw on some sheets or a sleeping bag, and call it a night. No eating in bed...save that for morning!

The Sofas Bed makes it okay to fall asleep on the couch. But this time, you’ll have more space to stretch out, after the sofa back folds down.

They don’t build them like this anymore. But we do!

Fleetwood helped pioneer the industry over a half a century ago, and we still lead the way in building quality motor homes from the inside out. For example, the Vacu-bond® walls, floor and ceiling offer extreme durability – and provide excellent temperature and noise insulation too. From the solid wood drawers to the durable Flexsteel® furniture, you can count on quality in your Jamboree.
Under-Bed Storage provides a whole lotta space for you to fill with extra sheets, towels, games, crafts or whatever you like. You’ll never think, “I wish I would have packed that…” because you can!

The Bedroom offers a luxurious queen-size, high-quality innerspring mattress and overhead storage for books, perfect to enjoy by the halogen reading lights. And you can each set your cup of cocoa upon his/her nightstands (select models).

The Bathroom is deluxe, with a roomy shower, vanity cabinet, sink, mirror, medicine chest and china toilet. Best yet, you’ll be comfortable thanks to the heat register and AC vent that keeps the temperature just right.

The Wardrobe and Entertainment Center brings your favorite shows to your bedside (TV is optional). The handsome wardrobe keeps your clothing well organized while the drawers store your clean linens.

*To view the available standard graphics see your Fleetwood dealer or visit www.fleetwoodrv.com.
Sure, it’s beautiful, but there’s more to Jamboree GT than meets the eye. It offers features that are both sophisticated and practical, such as Ultraleather™ driver and passenger seats, more luxurious fabrics and upgraded carpeting. There’s more of everything: more handy features, more space, and more overhead storage. That’s Jamboree GT, the top of the Jamboree line.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Why Buy Jamboree GT?

Upscale Styling

Everything’s more deluxe, from the Alcoa® aluminum wheels, to the 5 full-body paint choices, to the 3 interior décors.
The Driver’s Cockpit makes your long drive a pleasure, with a luxurious Ultraleather™ Flexsteel® driver’s seat with armrests, and integrated cupholders for that steaming cup o’ joe. The miles go by fast thanks to a CD/DVD player, and AM/FM radio that’s ready for your MP3 player. If you’re into satellite radio, an option is available.

The Color Back-Up Monitor helps you maneuver with ease. You can also hear directions from your assistant thanks to one-way audio.

Upgraded Galley
Enjoy a larger refrigerator, a convection microwave, a whole coach water filtration system and more.

Tons of Exterior Storage
There’s room for your cooler, camping chairs, fishing gear, fire pit and more with basement storage.

Extended Season Camping
Because the holding tanks are heated and enclosed, you can enjoy the great outdoors in any season.

Expansive Space
All models have a single or double slide-out to give you more space to relax in the great indoors.
GREAT MEALS
START WITH A
GREAT GALLEY.

With a galley like this, you can enjoy home cooked meals no matter how far you are from home. Jamboree GT helps out with solid surface countertops and great stainless steel appliances, such as a convection microwave that cooks fast and bakes like an oven. After all, a batch of hot, fresh cookies tastes even better on vacation!

The Galley features a Dometic® refrigerator that’s 30% larger, holding 8 cubic feet of your favorite foods. It’s fully equipped with high-quality appliances and a few extra surprises, such as a knife rack and pull-out wire baskets for storage.

The Dinette is upholstered in such nice fabric, you may be afraid to eat there. Don’t worry, its good looks are highly durable. The picture window lets you enjoy dinner with a view that changes as you travel.

More Overhead Storage on the Jamboree GT means you can pack more stuff! You can adjust the shelves to accommodate your things, and they’ll stay in place better thanks to the shelf lining.
The Bathroom features ample counter space next to the sink so it’s easier to wash your hands or shave. In fact, everything in here is designed for your convenience, from the towel bars to the toilet paper holder that’s recessed so it won’t catch on your clothing.

Jamboree GT includes something invisible, yet important: lots of space. All of the models come either with single or double slide-outs, creating more room instantly. That kind of real estate is especially beneficial in the bedroom, where many competitors’ models feel closed in. Jamboree GT gives you a spacious, private place to spread out and relax.

The Bedroom boasts a spacious, queen-size innerspring mattress with a plush comforter and pillow shams. Just pull down the day/night pleated shades for an afternoon nap, or to block out the full moon at night.

The Mirrored Wardrobe keeps your clothing neatly organized. There is a roomy area to hang shirts and pants, while drawers below keep his and her socks separated.

WATCH YOUR STUFF DO A DISAPPEARING ACT.

With lots of exterior storage, your cargo gets stowed away, safe and organized. There’s room for the gear you need for fishing, biking, boating, you name it. But you probably like to relax sometimes, too. Good thing there’s room for camp chairs and a portable fire pit.

The Exterior Entertainment Center (optional) lets you add your own soundtrack to the outdoors. It includes an AM/FM radio with CD player and weather-resistant speakers. Let the crickets chirp with the Beatles!

The Exterior Shower (optional on Sport) is the perfect antidote to muddy waders, sandy dog paws and frog-catching kids. Just rinse them off so the dirt stays outside.

The Rear Fuel Fill (select Jamboree and GT models) allows you to pull into any pump at the gas station and refuel.

The EZ Store Compartment (select Jamboree and GT models) is great for bigger gear. It’s called EZ because the compartments move with the slide-out, so you don’t have to stoop underneath to get your stuff.

The Exterior Shower provides outdoor shade on a sunny day.

The Rear Fuel Fill helps prevent freezing for extended season camping.

The EZ Store Compartment lets you add your own soundtrack to the outdoors. It includes an AM/FM radio with CD player and weather-resistant speakers. Let the crickets chirp with the Beatles!

CONSTRUCTION DETAIL

1. FLEETWOOD’S TUFF-PLY ROOFING TECHNOLOGY is one of the most durable roofing materials on the market and also resists radiation by reflecting sunlight to reduce chalking. White roof material minimizes heat build-up, keeping the temperature cool and comfortable.

2. RELIABLE TUFFPEX PLUMBING runs throughout each vehicle creating a durable seal on all internal tubing. TuffPEX plumbing is tough, can withstand cold temperatures, is flexible and corrosion resistant. The TuffPEX system is an industry leader in quality plumbing.

3. TUFF-COAT® FIBERGLASS COMPOSITE resists UV rays, cracks and impacts. Fleetwood uses one seamless, solid piece of exclusive Tuff-Coat® fiberglass composite for each outer wall.

4. VACU-BOND® SIDEWALLS, FLOORS AND CEILINGS ensure a strong, weather-resistant structure, framed in aluminum or steel. The Vacu-bond® process is unmatched by many competitors.

5. HIGH DENSITY BLOCK FOAM INSULATION is precisely cut to fit between framing members. This insures maximum insulation throughout the vehicle.

SAFETY FIRST. AND LAST. AND EVERYWHERE IN BETWEEN.

Fleetwood’s team of engineers has incorporated dozens of safety features into Jamboree. For example, each model is fully equipped with multiple seat belts with pretensioners, front driver and passenger air bags, 4-wheel disc brakes with 4-wheel ABS, a fire extinguisher and smoke detector. If you are traveling with children, you’ll appreciate the heavy-duty entry door latch that has been designed to keep you safe and give you more peace of mind.

JAMBOREEE GT

1. Full-Body Paint (optional) gives an upscale look with its hard-wearing, high-gloss finish.

2. Exterior Awning creates a ready-made “front porch” for you to relax in the shade.

3. Alcoa® Aluminum Wheels let you roll in style.

4. Power Mirrors are heated to remove condensation, steam or fog.

</table>

**Liquid Weight Reference:**
- Water (gal) = (8.3 lbs / 3.8 kgs)
- Fuel (gal) = (6.1 lbs / 2.8 kgs)
- Propane (gal) = (4.2 lbs / 1.9 kgs)

**Metric Conversion:**
- Multiply pounds x 0.453 to obtain kilograms.
- Multiply gallons x 3.785 to obtain liters.
- Multiply liters x 61 to obtain cubic inches.

---

**Warranty**

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

---

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo carrying capacity*.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Excludes safety equipment and awnings.
6. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = not available at time of printing.

* UVW and OCCC are found on the label containing the federal certification tag in each RV.

**IMPORTANT—PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

CONTACT US
To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 1007, Decatur, IN 46733.

FLEETWOOD MOTOR HOME CLUBS
As a Fleetwood owner, you’re invited to become a member of several Fleetwood motor home clubs. Becoming a club member is the perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Visit our website at www.fleetwoodrv.com/owners_clubs to learn more and join the fun.

*For complete info see your Fleetwood dealer.

WHY FLEETWOOD?

Quality
There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Trust
More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

Passion
We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Service
Help is nearby. When you need an upgrade or repair, you’ll find Fleetwood dealers all across North America ready to assist you.

Safety
You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Warranty
Exclusive RV ownercare warranty. See your Fleetwood dealer for details.
