7' CEILINGS.

Unwind from the day's activities in this spacious environment courtesy of 7' ceilings (five inches more than '04). Think about tomorrow's adventures as you settle back in the Flexsteel® Ultraleather™ J-lounge sofa. Grab the remote,

Panasonic's® awesome entertainment unit really delivers. Triple or quad slide-out rooms, dual A/C and two powerful furnaces, give Providence™ all the amenities of home. So relax, you've earned it.

J-LOUNGE SOFA features the practical beauty of Ultraleather, a durable pet-friendly fabric. It has the soft, supple feel of leather but it's scratch-, stain- and odor-resistant. And unlike leather, it's comfortable at all temperatures.

27" PANASONIC® TV with a hi-fi VCR and the excitement of a 5-disc DVD surround-sound home theater are standard. This overhead entertainment center provides all the luxuries of home.

***A DIGITAL TRIP-METER** is a useful tool to track and monitor your adventures.*

***KEYLESS REMOTE ENTRY** comes standard and is a convenient way to lock or unlock your vehicle.*

A COOK'S KITCHEN.

Like to cook? Your Providence has all the ingredients for memorable meals. The convection microwave can do it all...fast while the 3-burner, high-output cooktop handles the rest. Dometic's® large (12 cu. ft.) refrigerator minimizes shopping trips and you'll love

its no-smudge stainless-steel doors. A stainless double sink is premium-grade residential and like the hardwood-door cabinets, it accommodates full-size plates. And, yes, there's plenty of counter space. *Bon appetit.*

OPTIONAL FREE-STANDING DINETTE TABLE and chairs seat four comfortably thanks to the addition of its removable center leaf (shown here). Add 2 more chairs to seat 6.

LARGE CONVECTION MICROWAVE cooks what an oven can in a fraction of the time—fish, steaks, even a whole chicken. The high-output three-burner stove does the rest.

DURABLE CORIAN® COUNTERTOPS are easy to clean and germ- and stain-resistant.
RETRACTABLE WAND FAUCET features elegantly designed single-lever control with dispensers for soap and hand lotion.

VERTICAL GALLEY WINDOW (new for '05) lets you work in the kitchen and communicate with family and friends outside.

SLEEP WELL.

Rest up for tomorrow in Restonic's® queen-size Pillow Top mattress, with fashionable bedspread. The bedroom also includes a swiveling Panasonic 20" TV and thanks to Providence's 7' ceilings,

above-the-bed cabinets. The bathroom features a stainless-steel sink with Corian® countertop, a porcelain toilet with Water Saver™ and with a molded shower and skylight just like home.

BATHROOM'S CORIAN® COUNTERTOP and stainless sink are nicely complemented with beveled-glass mirrors and designer faucet.

EXTRA LARGE SHOWER and Corian® counter sink gives the bathroom all the comforts of home.

ABOVE-BED STORAGE—thanks to 7' ceilings—is a good place for linens and extra blankets.

A BEDROOM DRESSER WITH SECOND SINK is a handy alternative to a busy bathroom. A good place to shave or wash up. (39B, J, S)

PANASONIC 20" TV is angled toward the bed for comfortable late-night viewing.

OPTIONAL COMBINATION WASHER/DRYER conveniently concealed.

Heavy fluid tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Platform design creates lots of storage area supported by sturdy Vacu-Bonded walls.

Neoprene rubber gasket isolates the living area from the chassis for a quiet ride.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a metal frame. This makes the chassis even stronger.

Full Paint

Premier multiple stage paint process provides a luxurious look and a quality finish.

Dual A/C units

Providence™ has maximum cooling capacity and plenty of storage because its A/C units are mounted on the roof and not in the basement.

Satellite Dish

Enjoy the automatic locating system that you never have to adjust.

Slide-Outs

Available in numerous floor plan configurations including triple and quad slides.

Tires

Designed specifically for RV's, Goodyear's G670 RV provides a superior ride and durability.

Storage

Plenty of exterior storage space for all your travelling needs.

Front Cap

Redesigned fiberglass front cap provides a sleek and contemporary design.

•Vehicle shown in Mocha exterior graphics.

350-HP Caterpillar® C7 diesel engine will make even climbing hills easy.
