Southwind

It’s home.

Southwind readily offers the conveniences of home, so you won’t have to sacrifice anything wherever your travels take you. Enjoy the ideal galley setup with elegant raised panel wood cabinetry, providing storage for full-size plates and dishes. You’ll also enjoy the 8 cu. ft. Dometic® double door refrigerator with ample room for food storage and an optional convection microwave oven, which can cook a full meal in a fraction of the time compared to a standard oven. Brushed nickel finished hardware also helps to provide a high end look.

THE WATER HEATER CONTROL features a 10 gallon, quick recovery water heater with direct spark ignition. This provides quick hot water for showering or cooking (many competitors only offer 6 gallons).

A PULL-OUT CUTTING BOARD is very useful for slicing and dicing fruits, vegetables or whatever your recipe calls for.

THE FAN-TASTIC® ROOF FAN creates air circulation and ventilation in the galley area.

THE SYSTEMS MONITOR PANEL features an EMS control panel and a convenient, central place to check your fresh water, holding tank and battery levels.

PULL-OUT BASKETS make for easy loading and unloading of necessities like hand towels or cleaning supplies.

THE LARGE DINETTE includes spacious seating for four, integrated cup holders, a large window for a great view of your surroundings and convenient pull-out drawers for storage.

It's home.
**Sleep Well.**

After a long day of fun, there’s nothing like coming home to luxury and comfort. Southwind’s luxurious Restonic® queen-sized, pillow top, innerspring mattress is sure to impress, providing the comforts of home you could have only once imagined on the road.

Southwind’s five star bedroom quarters also provides functional under-the-bed storage, perfect for storing extra linens, towels or bedding. Beautiful wood panel cabinetry also helps to give this unique bedroom a breathtaking and elegant feel.
POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10-in. steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a rigid metal frame. This complements the chassis to make it even stronger.

Holding tanks are enclosed between the upper and lower basement floors. This allows them to be heated to prevent freezing in cold weather.

Platform design creates lots of storage area and supports the sturdy Vacu-Bonded® walls.

TUFF-PLY ROOF is UV resistant, durable, easy to clean, and doesn’t scratch like many competitors’ fiberglass or aluminum roofs.

A 2 STAGE DUPONT® PAINT PROCESS (full-paint optional) is carefully applied for maximum durability and a sleek exterior look. This process ensures only the best in quality and appearance.

STORAGE COMPARTMENTS are lighted and include single paddle latches, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

STYLISH FRONT CAP includes sleek rounded headlights, sure to turn heads.

What Drives You?

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you.

Once you do, you’ll see what it is that drives us — it’s you.
