A MILLION MILES AWAY
IS CLOSER THAN YOU THINK.
Weekends are meant for living, not laundry.

It’s Friday afternoon, and your ticket to adventure is as close as your driveway. Southwind is waiting. With every passing mile, your spirits lift. You have the freedom to roam with the comforts of home. After a day of fishing on the river, you’ll enjoy the crystal-clear TV and a spacious bed. The galley holds your favorite snacks behind beautiful cabinetry. When it comes to weekends, Southwind makes those two days worth the other five.

Quality

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Southwind
SOUTHWIND 36D shown in Domino interior décor with Symphony Cherry wood cabinetry.

Full-Body Paint
Southwind projects a high-quality image with dazzling, full-body paint, and striking exterior graphics.

Entertainment Centers
With big, LCD HDTVs in both the living room and the bedroom, your entertainment options are as wide open as the road.

Comfort and Convenience
Camping in Southwind doesn’t mean roughing it. You’ll enjoy comfortable furniture, brand name appliances and high-end components.

Power Platform® Construction
Fleetwood’s patented platform is not only super-strong, it provides an amazing amount of storage, including pass-through storage on select models.

Contemporary Styling
With its clean, modern style, Southwind’s interior is spacious, comfortable, and feels like home.
NO MATTER HOW FAR YOU GO, YOU’LL NEVER LOSE YOUR SENSE OF STYLE.

If you’re particular when it comes to style, Southwind is designed for you. The furniture, color palette and finishes all work together to create a tone that’s understated, contemporary and informal at the same time. In the galley, the wood-look laminate flooring and brushed nickel hardware provide that decorator touch. Southwind also includes some hidden delights, such as whole-coach water filtration to deliver clean, dependable drinking water wherever you are.

THE DINETTE provides spacious seating for four, and a view that can change with the menu. The large picture window lets you enjoy the scenery to the fullest. After sunset, you can make the space into a comfortable extra bed.

FULLY EXTENDING DRAWERS allow you to store things in the very back. No storage space is wasted.

Trust

More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.
THE GALLEY is the place to cook up those freshly caught trout on the three-burner stove — you’ll appreciate the Fan-Tastic® roof fan that circulates the air. For faster cooking, try the optional GE® convection microwave.

THE SINK gleams with its stainless steel finish and chrome faucet. When it’s time for dishes, you’ll appreciate the deep double bowls and the easy-to-adjust single lever on the faucet. The easy-to-clean, solid surface countertops have matching sink covers to give you extra counter space.

THE CABINETRY is beautiful on the outside, but the inside offers some nice surprises too. For example, the adjustable shelves are large enough to store full-size plates, and lined to protect your dishes in transit.

THE REFRIGERATOR offers cold lemonade after a day of hiking. With 8 cu. ft. of cold food storage, the Dometic® refrigerator is a luxury you can’t do without. For added convenience, upgrade to the optional Dometic® (select models) or Norcold® 4-door refrigerator (shown) with icemaker. They’re also 50% larger, providing 12 cubic feet of space.
We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Whether it’s an extended weekend or a week long vacation, relaxation is easy in Southwind, full of the stylish comforts of home. The room you may appreciate most is the bedroom suite, especially the clean, private bath. Step into the roomy shower with its marbleized walls, and enjoy a hot morning shower under the skylight. For ultimate convenience, there’s even a standard accessory package that includes a handheld vacuum, rechargeable flashlight and wall-mounted hair dryer.

**THE BATHROOM** is a cut above the rest, with a Moen® faucet and attractive bow-front sink that’s especially handy for shaving. The roomy medicine cabinet offers ample space for make-up, and the oversized mirror lets you check your look.

**THE CEDAR-LINED WARDROBE** holds full-size hangers so your shirts stay free from wrinkles. Below, fully extending drawers provide easy access to items at the very back.
THE BEDROOM SUITE feels as good as it looks. The luxurious Restonic® mattress is queen-size with a pillowtop and innersprings. For even more comfort, upgrade to an air mattress that lets you customize each side separately.

THE WASHER/DRYER (optional on select models) takes care of that red wine stain before it sets. And you can save your quarters, too.

THE BEDROOM ENTERTAINMENT CENTER includes a large LCD HDTV. Because vacation means never having to say, you’re sorry for watching TV in bed.
Southwind projects an undeniably upscale look thanks to its contemporary graphics and full-body paint. We carefully apply DuPont® paint in a two-step process for maximum durability and a high-gloss finish. And to preserve the beauty even longer, opt for Diamond Shield, a clear, 8 mil. urethane film protects your paint finish on the lower front cap. Which color suits you best?

Decorators’ Challenge.

Our interior designers get to stretch their talents when it comes to Southwind, bypassing the ordinary to choose distinctive fabrics in superior grades. Now, it’s your turn to choose which palette you like best.

**Interior Décor**

- Bedroom: Bedspread & Headboard, Accent Fabric, Throw Pillows

**Wood Finishes**
- Symphony Cherry
- Plantation Cherry
**ITS BEAUTY IS MORE THAN SKIN DEEP.**

While Southwind is undeniably attractive, its real beauty lies in its engineering and construction. Fleetwood has been a respected industry leader for more than 55 years, and we put everything we’ve learned into Southwind to make it one of the best-built motor homes on the road. To top it off, Southwind is backed by one of the most comprehensive warranties available.

1. **THE PATIO AWNING** provides an instant front porch and protection from the sun.
2. **ONE-PIECE PANORAMIC WINDSHIELD** gives you an unobstructed view of the road and scenery.
3. **22.5” WHEELS** provide a smooth ride and look good doing it.
4. **TUFF-PLY ROOF** doesn’t scratch like competitors’ fiberglass and is quieter in the rain.
5. **HYDRAULIC AUTOMATIC LEVELING JACKS** level the coach at the touch of a button.
6. **DUAL A/C UNITS** keep you cool inside, and the roof mounting creates extra storage space in the basement.
7. **LIGHTED STORAGE COMPARTMENTS** have side swinging luggage doors on select locations.
8. **THE UTILITY COMPARTMENT** provides a central place to empty your holding tanks and a sprayer for quick clean up.

**INTERLOCKING CEILING-TO-SIDEWALL CONSTRUCTION** helps keep the box square. This assures a proper cabinet fit.

**INTERLOCKING FLOOR-TO-SIDEWALL CONSTRUCTION** locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

**VACU-BOND® SIDEWALL CONSTRUCTION** creates a strong, weather-resistant structure. The sidewalls, floor and ceiling are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.
**PEACE OF MIND INCLUDED, STANDARD.**

Fleetwood engineers have built dozens of safety features into Southwind to keep your family safe. Of course, we’ve included 3-point seat belts for the driver and passenger, safety-belted seating locations inside for other passengers, and a child seat safety tether. A few other notable safety features include hydraulic powered disc brakes with ABS, and leveling jacks that automatically retract if the drive gear is engaged.

---

**Safety**

You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

---

**POWER PLATFORM® BUILT FOR STRENGTH, STABILITY AND PASS-THROUGH STORAGE.**

Fleetwood’s patented Power Platform® is the envy of our competitors. The ultra-strong chassis provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

---

**THE COCKPIT** wraps around you with its ergonomic design, as do the plush Ultraleather™ driver and passenger seats. New for 2009, the iPod docking station lets you control your music selection through the audio system.

---

**THE STORAGE MAXIMIZER** does exactly that – gives you maximum storage. It’s the perfect place for bulky items.

---

**THE EZ STORE COMPARTMENT** holds large items like golf equipment, coolers, or even a ladder. It moves with the slide-out so you’re not stooping underneath.

---

**PASS THROUGH STORAGE** is included on select models. This big space holds chairs, sports gear and more – and you can access it from either side of the coach.

---

**Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.**

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
Southwind Floor Plans

**32VS**
- Extremely spacious 32’ floor plan
- Desirable sofa and dinette slide-out
- Available Options: 149, 491, 700, 832, 833

**Liquid Weight Reference:**
- Water (gal) = (8.3 lbs/3.8 kgs)
- Fuel (gal) = (6.1 lbs/2.8 kgs)
- Propane (gal) = (4.2 lbs/1.9 kgs)

**Metric Conversion:** Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

**Warranty**

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

---

1. GAWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GAWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus (OCCC) occupant and cargo carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight of this specific axle as designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of the motor home with its towed vehicle. Towing and braking capacities may be different.
4. Refer to Fleetwood and chassis manufacturer manuals for complete information.
5. Length is measured from front bumper to rear bumper (excludes accessories).
6. Motor homes feature a body width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety codes.

---

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**IMPORTANT—PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
