IT’S HEADING YOUR WAY
Residential-style, raised-panel cabinets surround the extended galley for greater counter space to prepare meals.

Lambrequin window treatments throughout accent the color-coordinated living room, galley and bedroom for a lifetime of enjoyment.

A FORECAST FOR ADVENTURE

Bench seats with coordinated fabrics plus unexpected storage drawers make the dinette both enjoyable and functional.

The warm and inviting bedroom includes overhead storage, accent lighting, coordinated bed and window fabrics, and convenient nightstands.

Skylight adds a soothing, natural glow to the bathroom.

FLEETWOOD IS RENOWNED FOR QUALITY. So much so that Storm's exterior will weather the elements day after day, year after year. The same is true of its interior that's made to hold up to your active lifestyle.

Storm's spacious drawers are dovetail constructed with dual, metal roller guides and transit ship locks. Carpets are made of durable DuPont fiber, and window treatments are created to withstand the sun's harsh UV rays. You’ll also love the day/night-pleated shades in the living area and night shades in the bedroom that cover your adjustable jalousie windows.

Through the bathroom skylight, a natural glow will spill on an invigorating shower or a relaxing bath. You'll receive ample hot water due to the 6-gallon quick recovery water heater. And, after a great day of bike riding or fishing, wash down your equipment using the exterior shower.

This is an RV that can indulge your desires. So now, when you’re ready to take a trip, you’ll actually like to hear the words...“a Storm® is coming.”
WE PREDICT A REIGN OF FUN WITH STORM.

Storm® has just arrived, bringing more of what you want at a sticker price that redefines value in a Class A motor home.

Hiking, fishing, biking, golf...Storm will take you where you want to go in style. For a smooth and nearly flawless ride, this wide-body RV sits on a Power Platform II that minimizes chassis flex, even on bumpy roads. A steel-truss design allows substantial space below for sports gear.

When it comes to interior room, Storm doesn’t hold back here either. With living room, dinette and bedroom slide-outs, it could easily be thought of as your second home. There’s even storage drawers under the family-size dinette. A Magic Chef® 16” 3-burner range/oven, a microwave with electronic touch pad, and a 6 cu. ft. Dometic® double-door refrigerator provide all the accommodations you need to prepare gourmet meals.

Don’t forget, even though this motor home will take you away from it all, you can stay connected. When caught in a Storm, the dash-mounted workstation has computer hookups so you’ll have access to the internet and the ability to e-mail family and friends.* There’s also an additional telephone jack in the bedroom.

You want more? View your favorite shows on the 20” Panasonic® TV with interior-controlled antenna, video control box and park cable-ready receptacle.

So with all of this going for you, we forecast exciting adventures with Storm.

Our engineering may set us apart from the rest, but the things you’ll notice most when you and your family take a trip, are the top-of-the-line features. Here are but a few of the items that make life on the road with Storm memorable.

- Storm's standard 4.0kW ultra-quiet Onan® generator provides 110V service and comes with a 3-year warranty. (Optional 5.5kW generator shown)
- Storm's basement space includes lots of storage for your gear.
- The driver's cockpit is user friendly with automotive-style gauges and easy-to-reach controls.
- Practical, single die-cast metal paddle latches are flush-mounted for a luggage door system that's durable and easy-to-operate.
- Anti-wicking process, on all of Storm's openings and windows, includes multiple seals for prevention of leaks and moisture buildup.
- Our swing-down engine access door makes it easy to check Storm's fluid levels and electrical panel.
- Fill Storm up on either side of the pump with a rear fuel-fill location, especially convenient when towing a vehicle.
- Carpeted storage compartments are non-corrosive to prevent rusting.
- A coach-length, aluminum drip rail prevents discoloring of the sidewall.
- An optional electronic climate control system with dual A/C controls enables a separate climate in the front and rear of the coach.
- Every Storm comes prewired for an optional Winegard® satellite dish.
- Front entertainment center with 20" Panasonic® color TV, and optional VCR are just some of the many Storm features.

**Storm’s Power Platform II** is a unique truss design welded together using tubular steel that’s durable, strong and dependable. The result is a quiet and nearly flawless ride, increased floor strength and substantially more storage space below. An all-steel foundation further reduces stress loads on the sidewalls and minimizes chassis flex on uneven roads.

- **Easy access compartments** let you get to Storm’s batteries.
- **All exterior compartments** are reinforced with substantial steel outriggers for increased durability and years of cargo carrying.
- **Full basement construction** maximizes space beneath the floor, encloses the heated water and holding tank compartments, and provides easy-to-reach, pass-through storage.
- The floor is a vacuum-bonded composite of steel tubing, foam insulation, and marine-grade plywood cut to our exact specs for lightweight strength and resistance to moisture.

- Gallons to liters: gal x 3.78 = ltrs

1. **GVWR (Gross Vehicle Weight Rating):** Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.

2. **GAWR (Gross Axle Weight Rating):** Means the maximum permissible loaded weight a specific axle is designed to carry.

3. **BW (Base Weight):** Means the weight of the motor home without fuel, options, water, cargo or passengers.

4. **GCWR (Gross Combined Weight Rating):** Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.

5. **Length taken from front bumper to rear bumper.**

6. **Excludes safety equipment and awnings.**

7. **Tank Manufacturer’s listed water capacity (WC).** Actual LPG capacity is 80% of water listing as required by the safety code.

A LOOK INTO WHAT IT TAKES TO BUILD THE WORLD’S BEST MOTOR HOME

WHAT HAPPENS WHEN YOU SET THE STANDARDS OF RV QUALITY FOR OVER 50 YEARS?

YOU SET THEM EVEN HIGHER…
Our customers expect us to. As a matter of fact, first-time RV buyers, who bought other manufacturers’ RVs, tell us they wish they’d spent a little bit more for better quality. That’s why experienced buyers are more likely to buy a Fleetwood RV.* That’s also why Fleetwood RV invests in people, systems, and manufacturing quality that are second to none. This may make us a bit more expensive than some brands, but satisfied Fleetwood RV owners know we’re worth it.

PEOPLE…
We hire engineers, designers and drafters from leading automotive design schools. Our front-line associates are well-trained, quality-minded men and women who take pride in their work. No other manufacturer has a larger, more professional team behind their products.

SYSTEMS…
Our product development team uses state-of-the-art, computer-assisted-design (CAD) technology to build in fit and finish right from the drawing board. Each product is meticulously documented with over 3,500 pages of engineering drawings. A computerized bill of materials details over 20,000 pieces that go into your motor home. And, a vehicle specific Electronic Parts Catalog shows 600 – 800 common parts… so, if you need a new part, your authorized Fleetwood RV service dealership knows exactly what you need. Some manufacturers may not invest the extra time and money to accurately document their products, which could cost you plenty in headaches and hassles down the road.

MANUFACTURING…
We only do what we know we’re best at—building a quality-finished motor home. When it comes to the appliances, doors, windows and furniture, we partner with other recognized leaders to do what they know best… top names like Sharp®, Panasonic®, Dometic®, Restonic® and Flexsteel® Some manufacturers will tell you partnering like this makes us final assemblers. We call it working smarter to bring you more value.

QUALITY…
The quality outside reflects the quality inside—places where you can’t see it, but where it really counts. For example, we use vacubonded sidewall construction that’s required for the special needs of a motor home. Our new TuffPEX™ plumbing system is able to withstand temperatures as low as -40° F. Before any unit rolls off the line at each of our plants, it goes through a documented checklist containing hundreds of items specific to that product. It won't leave the plant until it has met our high standards. And, the list goes on.

From the drawing board to the assembly line, we will continue to develop and manufacture quality products for our customers.

Fleetwood RV… setting standards beyond your expectations.

*Angus Reid RV Market Segmentation Study, 1998

For strength, noise reduction and insulation, composite sidewalls and floors are constructed of steel, plywood and polystyrene foam.
LENSFLEETWOOD’S FAR-REACHING
WARRANTY AND SERVICE PROGRAM

LIMITED ONE-YEAR/THREE-YEAR WARRANTY

Leaving the Fleetwood dealership after you've purchased your RV doesn't mean leaving each dealer’s commitment to your satisfaction behind. OWNERCARE, Fleetwood's extensive warranty and service program, provides one/three year(s) of dedicated customer satisfaction. OWNERCARE stands out as one of the RV industry's most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

FULLY TRANSFERABLE

At Fleetwood RV, we're confident in our products and don't hesitate to stand behind them. Your newly purchased Fleetwood RV comes with one of the industry's most comprehensive warranties, fully transferable for the first 12 months.

NATIONAL COVERAGE

Have a question about your new Fleetwood RV? We've got it covered. The nation's largest trained dealer network—ready, willing and able to provide you with the services you need to make every moment of owning your RV enjoyable. Over 1,100 Fleetwood dealers throughout the U.S. and Canada are available to you. With national coverage, peace of mind and complete satisfaction are just a phone call away.

AN EXTRA THANK YOU

Ask your dealer about your Thousand Trails complimentary 30-day membership certificate. It's your chance to get going in your new RV and enjoy some scenic camping, plus our way of thanking you again for your purchase of a Fleetwood RV. For more information on your complimentary membership certificate, please call 1-800-205-0606.

Happy (Thousand) Trails!

FLEETWOOD RV AND MOTOR SPORTS: A WINNING TEAM

Three wide in the first turn. 200 miles per hour on the back straight. Passing for the lead through the short chute. Nothing beats the excitement of NASCAR racing. Every year thousands of NASCAR fans and Fleetwood RV owners travel to races to support their favorite drivers, enjoy time with family and rekindle friendships.

RVs have become as much a part of motorsports as pit row and the checkered flag. That's why Fleetwood RV is a proud sponsor of 1999 Winston Cup Champion Dale Jarrett and the Robert Yates Racing Team.

As the number one RV manufacturer* in the country, our winning ways continue. Fleetwood RV is now the “Official Recreational Vehicle” at nine tracks.

International Speedway Corporation racetracks.** And for Fleetwood owners, emergency service crews are available at select tracks to ensure a trouble-free weekend. While you’re enjoying the race, be sure to look for the Fleetwood RV Prize Patrol and go home with some exciting giveaways.

So this weekend, pack up your friends and family and experience the thrill of cheering on Dale firsthand, in first-class style, with Fleetwood RV.
