Stop dreaming and start living.
Spacious Living

You'll find all the amenities of home in the spacious living area of the Terra. From the large bedroom to the convenient kitchen with plenty of storage space right at your fingertips.

All the quality and features you expect in a Fleetwood RV are here in the Terra. You'll find name brand appliances, wood drawers, antique finished brass hardware, incandescent lighting and even a large viewing window at the dinette, allowing you to watch those beautiful sunsets while relaxing with your family during dinner.

And, these are just a few of the little touches that make you feel at home in the Terra.
Wether you choose Blue Dusk, Dune Grass or Tinderbox Brown, you will find yourself living in style in the Terra motor home by Fleetwood RV...Your home away from home.
RV OWNERCARE
is a limited one-year/three-year or 15,000 mile warranty, whichever occurs first, and it is fully transferable for the first 12 months.

RV OWNERCARE is one of the RV industry’s most comprehensive programs which includes systems, appliances, components, and construction, with no deductible and no service charge.

RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs.

See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

SSQV
Size, Service, Quality and Value. Together they equate to the very best RV you can buy.

EZ STORE™
Our EZ Store Storage system... a rack & pinion system for easy access to items stored below.

ROYAL™ TUFF PLY™
The overall durability and weather-ability of a motor home can be measured by the quality of its roof. For this reason, we use Royal Tuff-Ply TPO to top off our RV’s. The TPO is resistant to algae, mold, fungus or other biological agents. Therefore, it can easily be cleaned to an appearance very near its original state through the use of common cleaning agents. The Tuff-Ply sheet is 100% color. This means there’s no surface color to scratch off, oxidize, wear or peel.

NO MATTER HOW YOU SPELL IT... TUFF IS TOUGH!
Quality Tuff Coat® fiberglass is the protective exterior on your Fleetwood RV. It is a single continuous sheet of material that runs the length of your chassis for durable, long-lasting protection from the elements. No seams. No holes. No cracks. Just a solid layer of 100% fiberglass to cover your uniquely constructed Vacu-Bond® sidewalls. Together, Tuff Coat® and Vacu-Bond® will keep your Fleetwood RV looking great for many years to come.
