When the going gets tough, the tough find a really nice place to go for a week or so.
Isn’t it time for some Terra therapy?

The cure for a stressful week is a weekend getaway with the family. You’re sure to relax in the Terra, surrounded by upscale features such as padded carpeting, Flexsteel® furniture and an innerspring mattress. And the Terra LX comes with beautiful full-body paint standard, giving it a high-end diesel look. Full-body paint is something no other motor home in this price range can offer. Whether you choose the comfortable Terra or the Terra LX with its Power Platform Plus, you’ll find our Class A stands for so much more than just “affordable.”
**The Overhead Storage** provides plenty of space so you can pack for a weekend as if it were a month-long trip.

**The Driver’s Area** is outfitted with road trip essentials: available satellite-ready radio with a CD player, and comfy Flexsteel® captain’s chairs with reclining back and slide controls.
All the conveniences of your kitchen without all the baggage.

With a full-featured galley, cooking for the family is just as easy as home — but a lot more fun. Your ingredients are stored in elegant cabinetry with hardwood doors. You can finally reach things stored in the back of the drawers, thanks to the full extension drawer guides. A 3-burner cooktop lets you cook the whole meal at one time. Even clean-up is easier when you have a deep double sink with single-lever faucet.

The Dometic® Refrigerator offers a generous 8 cubic feet of space for cold foods and beverages, while the spacious pantry stores boxes and bags galore. It’s open season on snacking!

Pantry and Linen Closet is extra tall, holds lots of stuff and is easy to get in and out of.
The Spacious Dinette means fewer elbow wars when the family has dinner. Besides, they’ll be too distracted by the panoramic view from the oversized window. Made of safety glass, it brings the outdoors inside while keeping rain and mosquitoes out.

The Pots and Pans Drawer is super-sized to hold big cookware including your deep stock pots and wide frying pans.

The Galley provides ample countertop space, especially with the sink cover and folding extension (select models). A microwave comes standard to pop your popcorn, or an optional convection microwave is available that also bakes and broils like a convection oven.
It’s impossible to be stressed during an afternoon nap.

There’s no guilt involved in napping when you’re on vacation – even when you’re well over seven years old. Enjoy a siesta on Terra’s queen-size innerspring mattress, blocking out the sun with day/night pleated shades (optional). Although it’s quite possible you’ll wake up in the midst of a midday slumber party.

The Bathroom with Shower includes a medicine cabinet roomy enough for teenagers’ grooming products. And the hand-held showerhead has a water saver so you can dry camp longer.

The Wardrobe keeps clothing neat. Your shirts and pants hang smoothly, shoes find ample space on the wardrobe floor, and drawers keep your whites tidy.
Overhead Storage compartments are so roomy, you can bring those things you think you might need (but probably won’t use).

Under Bed Storage gives you an ideal space to keep blankets, games and even outdoor equipment.
Many other features come on the outside of Terra and Terra LX. For example, a 4.0 KW Onan® MicroQuiet Generator. It sips fuel, but provides plenty of power and runs extra-quietly to keep the peace.

**Patio Awning** provides an instant front porch.

**Tuff-Coat® Exterior Fiberglass Walls** provide a glossy surface that is easy to clean and adds long-lasting beauty.

**Tuff-Ply Roof** provides the perfect weather seal against leaks.

**5,000 lbs. Towing Capacity†** can easily tow your favorite toy.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**Terra shown in Mocha Java.**

**Tuff-Ply Roof** provides the perfect weather seal against leaks.

**5,000 lbs. Towing Capacity†** can easily tow your favorite toy.

**Storage Maximizer** is ideal for longer items like paddles, water skis and golf clubs. Easy access makes it, well, easy (Terra LX models only).

**Pass-Through Storage** is the place for dog crates, skis, and any other oversized items. And you can access them from either side of the motor home (all Terra LX models except 31M).

**EZ Store Compartment** offers an extremely long storage space for fishing poles, a ladder or sleeping giraffe. And it moves with the slide-out so you don’t have to crawl under the rig to get your stuff (on all Terra LX models).
Exterior Features – Terra LX

Full-Body Paint
covers the LX after a meticulous 2-step DuPont® paint process. No other manufacturer offers full-body paint standard in this price range, and some don't offer it at all.

Storage Maximizer
is another great place to store bulky items such as folding chairs or portable fire pits.

Pass-Through Storage
Compartment maximizes every inch of space so you can store large bulky items, such as folding tables. The pass-through design allows you to take your gear out from either side.

Holding Tanks
are enclosed between the upper and lower basement floors, so they can be heated in cold weather to help prevent freezing.

Storage Compartments
include EZ Store, Pass-Through Storage and Storage Maximizer. They’re lighted to help you see your gear at night, and with single-paddle latches they can be opened with one hand.

The Terra LX. Power Platform Plus on the inside, full-body paint on the outside.

WHY FLEETWOOD?

Passion
We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Quality
There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Service
Help is nearby. When you need an upgrade or repair, you’ll find facilities all across North America and more than 1,100 dealers ready to assist you.

Warranty
Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

Trust
More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

The Terra LX is built on the all new Power Platform Plus for strength and storage. You have so many more places to keep your gear inside the chassis: the Pass-Through Storage, the Storage Maximizer and EZ Store.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.
What color do you want your Class A?

Heading down the highway in your new Terra, you’re sure to turn heads. Whatever exterior color you choose, everyone else will be green with envy.

Terra

Terra LX

PATINA

RATTAN

MOCHA JAVA
Decorate your Terra in a flash.

Just choose the interior color palette that you like best – and get ready to party in your new Terra. The exterior and interior colors are tied together so the overall look is coordinated and attractive.

**Chassis**

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle.

5. Length taken from front bumper to rear bumper (excludes accessories).

6. Excludes safety equipment and awnings.

7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

8. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not Applicable.

The UVW and CCC are found on the cargo carrying capacity label in each RV.

Important—Please read: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

CONTACT US
To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 1007, Decatur, IN 46733.

FLEETWOOD TRAVELCADE CLUB
As a Fleetwood owner, you’re eligible to become a member of the Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle.
