You don’t need a passport to see the world.
Imagine yourself, your friends and your family heading out for adventure in your Terra. It practically makes your heart skip a beat. Exceptionally beautiful both inside and out, you’ll be proud to show it off wherever you go. Terra boasts the high-quality construction and upscale features usually found in coaches that sell for thousands more. If it’s this fun to dream about, just think how much fun it would be to own.

The Bunkbeds (34B model only) provide a cozy place to sleep or hang out. Each bunkmate can have their own optional flip-down LCD monitor with inputs for portable DVD or video game players.

The Bedroom Suite features a queen-size innerspring mattress with a plush comforter and pillow shams. Pull down the day/night pleated shades for an afternoon nap or to block out the moon at night.

The Wardrobe is residential size, which means plenty of space for your clothes and shoes. Before you head out, check your look in the full-length mirrored doors. Watch your favorite show from your comfy bed with the optional 19” LCD HDTV.

GETTING THERE IS ALL THE FUN.

Why Buy Terra & Terra LX?

**Family-Friendly Design**
There’s lots of room inside for the whole gang to relax, a private bedroom suite for mom and dad, and a ton of storage outside.

**More for Your Money**
Owning a Terra or Terra LX is a sure sign of a smart shopper with an eye for value.

**Comfy and Convenient**
Each floor plan is carefully designed for comfortable, easy living. The fully equipped galley makes meals a breeze, and storage space is enormous.

**Built-In Safety Features**
Dozens of safety features are built into Terra and Terra LX to provide peace of mind and protect your most precious cargo – your family.

**High-Quality Construction**
We take great pride in our careful construction techniques, and the high quality of Terra and Terra LX shows in every detail.

**Fleetwood Reputation**
With over 55 years in business, Fleetwood’s reputation is second to none. We offer one of the most comprehensive warranties in the industry.
The Large Dinette seats four comfortably in front of the big picture window. And with the Dream Dinette system, it easily becomes an extra bed at night - the table swings down and the cushions make into a mattress.

The Refrigerator and Pantry store enough food for a hungry family. The Dometic® refrigerator and freezer provide eight cubic feet of cooled space and the pantry has room for everyone's favorite snacks.

The Galley includes everything you need to prepare a feast: three-burner stove, oven, microwave, and large stainless steel sink. There's even wiggle room for your toes under the cabinets, thanks to handy toe kicks.

"WHEN ADVENTURE CALLS, YOUR FAMILY PICKS UP."

Maximize the good times with your family in your comfy Terra LX. It's been designed specifically for your needs. So whether you're into camping or tailgating, ATVs or jet skis, Terra LX is a perfect home base. It's got plenty of room, both inside and outside, to store your gear and supplies. And with a large towing capacity¹, you can tow your boat, trailer, you name it. Yet there's still plenty of living space inside so everyone can spread out, thanks to the double slide-outs. That's the key to family harmony!

The Overhead Galley Cabinetry has a stylish design, with coordinated hardware and hidden hinges. The shelves are large enough for full-size plates and lined to protect your dishes in transit.
The Master Bathroom is clean, deluxe and all yours. The roomy shower provides extra headroom with a light-filled skylight, and its water saving feature helps you dry camp for longer periods.

The Half Bathroom (36T model only) gives you extra room to groom. The medicine cabinet and sink vanity holds your family’s toiletries and beauty supplies.

The Bedroom Suite features a queen-size innerspring mattress for cushiony comfort at bedtime, naptime or anytime. And unlike a hotel bed, it’s yours and only yours.

At the end of a long day, you want to retire to your personal bed and bath. It’s always waiting in Terra LX. These private spaces are designed for your comfort and convenience — things you appreciate even more away from home.

Home Sweet Terra LX.
Decorate with Ease.

For Terra, the interior and exterior palettes are tied together for an overall, coordinated look. For Terra LX, mix and match your favorite interior with any of the four full-body paint exteriors to create your own look.

Fleetwood's patented Power Platform® is the envy of our competitors. The ultra-strong chassis provides enormous storage space, lined with molded plastic for easy cleaning and lit to help you see after dark. The holding tanks are positioned in the bottom to enhance balance, and enclosed so they can be heated in cold weather to help prevent freezing.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo carrying capacity.

2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.

3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.

4. Length measured from front bumper to rear bumper (excludes accessories).

5. Excludes safety equipment and awnings.

6. Motor homes feature a body-width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

---

**Pass-Through Storage** lets you access your stuff from either side of the motor home. With several compartments, you don’t have to trim your packing list.

**Liquid Weight Reference:** Water (gal) = (8.3 lbs/3.8 kgs), Fuel (gal) = (6.1 lbs/2.8 kgs), Propane (gal) = (4.2 lbs/1.9 kgs)

**Metric Conversion:** Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 6.1 to obtain cubic inches.

---

**1.** The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**2.** UVW and OCCC are found on the label containing the federal certification tag in each RV.
