ADMIRAL SE™ 03

Proven Excellence

HOLIDAY RAMBLER
This is Living.
It’s true — there’s just something different inside a Holiday Rambler. In the Admiral SE, it all starts with the stunning raised panel wood cabinetry, in your choice of four beautiful finishes. And from there, your eyes land on the plush furnishings, cozy carpeting, and of course, the convenience of the flat-floor slide-out. An arched-back booth dinette with drawers comes standard, or you may choose the optional freestanding dinette with two chairs and two folding chairs, shown at left. (Freestanding dinette standard on 36PED.)

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans.
