HOLIDAY RAMBLER®

This is Living

A BEAUTIFUL REFLECTION OF YOU.

Holiday Rambler makes it easy to take your style on the road. We offer a variety of decors – each as lovely as the next with rich fabrics, lustrous woods, eye-catching accents and stunning exterior graphics. So the problem isn't finding a look you like, it's narrowing it down to just one.

ADMIRAL SE HARDWARE

Our elegant cabinet hardware design features a satin nickel finish.

Manufactured in, not added on. For added protection against stains, soil repellant is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Admiral SE features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Aluminum
(Butt-Welded)

Alumaframe
(C-Channel)

SMARTSTRUCTURE II: STRONGER AND BETTER

The SmartStructure II truss system provides unbeatable chassis strength by maximizing the inherent strengths of its strain-hardened steel. For seamless performance, SmartStructure II is fully integrated with your choice of Ford or Workhorse chassis.

9-LAYER ROOF CONSTRUCTION (top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

2 Integrity is stamped into the truss system, instead of relying on the welds of the tubular structure. This equates to 40% fewer welds, and, along with strategically located metal removal, reduces the overall chassis weight and provides for greater carrying capacity.

3 4,000 lb. hitch receiver with 4-pin or 7-pin dual connector.

4 The anti-lock braking system (ABS) offers superior stopping power, especially on steep grades.

5 VORTEC™: Shown here is the Workhorse chassis' Vortec™ 8100, 8.1L V8 engine. It features 340 HP and 455 lbs./ft. torque. The Ford chassis comes standard with a 6.8L 3-valve V-10 engine with 362 HP and 457 lbs./ft torque.

SLIDE-OUT CONSTRUCTION:

When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

5-LAYER SIDEWALL CONSTRUCTION

(left to right)

- Smooth gel coat fiberglass is standard; smooth .060 aluminum is standard on SVE models
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

4-LAYER FLOOR CONSTRUCTION

(top to bottom)

- Structurwood™
- Blue foam insulation
- 1-1/2" aluminum tube
- Three-ply poly underbelly

ADMIRAL®

BODY CONSTRUCTION: FEATURES

- Alumaframe® Superstructure
- Steel Cage Cockpit Construction
- Peaked One-Piece Fiberglass Roof with Fiberglass Insulation
- Smooth Gel Coat Fiberglass Exterior Walls
- Front and Rear Molded Fiberglass Caps
- Panaview™ 1-Piece Front Windshield

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

Tank Capacities**

	30PBS	30PDD	30SFS	33PBD
Water Heater (Gal.)	6	6	6	6
Gray Tank (Gal.)	42	43	43	42
Black Tank (Gal.)	42	45	45	42
Fresh Tank (Gal.)	60	60	60	60
LP Tank (Gal.)***	18	18	18	18

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

2007 ADMIRAL®

THE POWER BEHIND THE NAME.

At Holiday Rambler, every one of our RVs shares something special – something that's hard to describe, but easy to recognize. It's that unique touch that makes Holiday Rambler stand apart. It's our complete dedication to quality at every level – from the designers who create unique looks to the craftsmen who apply the finishing touches. It's our unbeatable service, which gives you 24-hour availability, 365 days a year. It's a commitment to safety and a tradition of innovation. And finally, it's the best people in the business. The Holiday Rambler difference. It's in every RV we make – including yours.
