

Specifications

Appliances/Equipment

- Flush Mount 6 Cu. Ft. Refrig.
- 3 Burner Range Top
- Power Range Hood w/Light
- Six Gallon DSI Water Heater
- Furnace 30,000 BTU (20,000 BTU on Model 8230)
- Air Conditioner Ready
- Water Heater Bypass Kit
- Demand Water Pump
- Laminated Galley Top w/Double Stainless Sink and Euro Style Faucet
- Copper LP Gas Lines
- P.E.X. Water Lines
- Monitor Panel

Bath

- Fiberglass Reinforced Tub
- Shower Curtain w/Valance
- Thetford Toilet
- Medicine Cabinet w/Mirror
- Towel Bar, Toothbrush Holder and Tissue Holder
- Power Roof Vent
- Light w/Wall Switch
- Large Bath Sink
- Full Tub

Electrical

- Patio Light w/Amber Lens
- Ceiling Lights w/Wall Switches
- 120 Volt GFI Protected Circuits

- 120 Volt Fuse Panel
- Outside 120 Volt Recept
- 30 Amp, 28' Power Cord (Detachable)
- 55 Amp, Whisper Quiet Converter w/Charger
- Battery Box w/Positive Ventilation
- Pre-Wired for Air Conditioner
- Pre-Wired for Microwave

Exterior

- Rubber Roof
- Tinted Jalousie Windows
- Aerodynamic Front Profile
- Flush Mount Front Window/Awning
- 26" Entry Door(s) w/Radius Corners, Window, Screen Door, and Flush Mount Latch
- Locking Baggage Doors
- Self-Storing Step(s) (Powder Coated)
- Large Front Storage Compartment
- Enclosed 30# LP Tanks
- 2-5/16" Coupler
- Break-away Switch
- Enclosed, Heated Underbelly
- Sewer Hose Compartment
- Easy Access Dump Valves

Interior

- Panoramic Galley Window
- Reversible Dinette Cushions
- Mini Blind at Galley
- No-wax Vinyl Flooring
- Mortise and Tenon Cabinet Doors

- Hidden Plumbing and Wiring
- High Pressure, Laminated Plywood Countertops
- Queen Bed w/Quilted Pillow Top Bedspread
- Light/Air Roof Vent(s)
- Fire Extinguisher, Smoke Detector, LP Detector
- Cabinets and Slide-Out Facia
- Large Residential Kitchen Sink
- Designer Radiused Window Treatment
- Under Bed Storage w/Struts

Running Gear

- 14" Radial Trailer Tires
- White Spoke Wheels w/10" Electric Brakes
- Independent Torsion E-Z Lube Hubs Suspension System, Rubber Ride
- Welded I-Beam, Steel Frame

Super Lite Weight

- Enclosed Chassis/Undercarriage
- Aerodynamic Front Profile
- Laminated Aluminum Frame Construction
- Thick Wall Construction (2")
- Fiberglass Exterior Skin
- Enclosed LP Bottle Area
- Low Center of Gravity
- I-Beam, Steel Chassis
- Tinted Jalousie Windows
- Ducted Air Conditioning (All Models)
- Shirt Closets Beside Queen Beds

Listed are tow ratings that are the highest available for respective 2006 models. Certain optional equipment may be required and other restrictions may apply. Check with your automotive dealer for exact specifications.

Warranties

12 Month basic limited warranty

2 Year limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

1. Weights may vary by options.

2. All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

3. Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

Enclosed Heated Undercarriage

Aluma Lite Benefits

Super Light Weight

- Safe, easy, fuel efficient towing

Enclosed Undercarriage

- Improves fuel efficiency significantly, improves appearance, allows for much more interior storage space, better insulation and heated holding tanks. Corrosion free underbelly for effortless towing, low maintenance.

Laminated Aluminum Framed Construction

- Superior strength, light weight and exceptional durability

Aerodynamic Molded Front LP Bottle Cover

- Protects LP bottles and battery.

Lower Center of Gravity

- Stable, safe towing with today's down sized tow vehicles.

Works in the Basement

- Water tank, holding tanks, and heat ducts located under floor in the "Basement" providing for warm floors, more inside storage space, and low center of gravity.

Independent Torsion Suspension System with Radial Tires

- Unsurpassed towing stability with EZ-Lub™ hubs

One-Piece Steel Chassis (Clean-Bond)

- Not bolted together, welded for extra strength

Bed Storage

- Storage tubs under queen beds with access doors
- Tackle box under bed storage with 2 large tubs

6'6" Interior Height

- Spacious feeling

Sidewall • 2" Thick Laminate R-7

1. Fiberglass Skin - dent resistant, low maintenance
2. Luan
3. Aluminum Frame and Foam
4. Wallboard

Floor • 2" Thick Laminate R-7

Holiday Rambler uses modern race car technology to bring you towing ease and stability. The enclosed chassis is clear of the exposed holding tanks, crossmembers and outriggers that create turbulence when the trailer is towed. Airflow is smooth and drag is greatly reduced. Towing an Aluma Lite is a breeze!
