

2005 | ALUMASCAPE®

This is Living®

 HOLIDAY RAMBLER®

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

2005 ALUMASCAPE

FROM OUR FAMILY TO YOURS.

If you're looking for the perfect RV for your family's adventures, consider the many benefits of joining the Holiday Rambler family. First of all, our 51 years of pioneering the RV lifestyle is unmatched in the industry — meaning you can count on us to be there every mile of the way. And the Alumascape is a great place to start. Whether you're interested in a fifth wheel or travel trailer, you'll find a wide range of innovative floorplans and a long list of exciting features. Making this your very best value on the road.

Holiday Rambler®

1954 - 2005

FIFTH WHEEL INTERIOR

ISLAND MULBERRY DECOR WITH VINTAGE OAK WOOD

29RKT

{ THIS IS THE SIGNATURE
OF A HOLIDAY RAMBLER. }

Quality construction. Beautiful woodwork. Stylish, welcoming interiors. These are just a few of the ways you know you've entered a Holiday Rambler. And the 2005 Alumascap Fifth Wheel brings it home like never before. You'll find details like raised panel cabinet doors, brushed nickel hardware, decorative slide-out fascia and optional leaded glass overhead doors. In the dining area, you'll enjoy the cozy wood booth dinette with plush upholstery, laminate table top and handy underseat storage. Padded carpeting graces the living area and bedroom, while the kitchen, bathroom and entryway feature durable, worry-free linoleum.

Storage space is plentiful in the bedroom, including a chest of drawers and a large wardrobe closet with mirrored doors, shown bottom, left. In the bathroom, you'll have the convenience of an easy-to-clean one-piece shower with glass door, as well as roomy medicine cabinets in both the toilet and vanity areas.

At bottom, center, you can see a number of exciting features, including the TV option with swivel base and an entertainment center with smoked glass doors. The refrigerator blends beautifully into the decor with its raised panel door, and you'll enjoy the convenience of the large countertop workspace and roomy cabinet storage.

TRAVEL TRAILER INTERIOR

{ WE'VE SET THE STANDARD
FOR A GREAT VALUE. }

Joining the Holiday Rambler family is easier than ever in the 2005 Alumascape Travel Trailer. This remarkable value makes no compromises when it comes to quality and features. As you take a closer look, you'll see the many details that set it apart from the crowd. Like the beautiful Vintage Oak cabinetry — with raised panel doors and stylish brushed nickel hardware. Below, right, you can see the roomy kitchen area, with high quality appliances, including a range with oven, a microwave and a refrigerator with raised panel door that blends seamlessly with the cabinets.

Throughout the travel trailer, you'll enjoy mini blinds with attractive window treatments, including padded valances and lambrequins in the living area. The bedroom features a queen bed with headboard, and on select floorplans it's flanked by nightstands and shirt closets, like the ones shown here. And in the dining area, you'll enjoy the cozy and versatile wood booth dinette with plush upholstery, laminate table top and handy underseat storage.

At top, left, you see the convenient combination tub/shower, available on most models. And the vanity features an attractive and worry-free laminate countertop with a Corian® accent edge and a backsplash. Other residential-style highlights this year include wider wall light switches and raised woodgrain six-panel passage doors, like the one shown here.

FIFTH WHEEL &
TRAVEL TRAILER

{ CELEBRATING THE FREEDOM OF CHOICE. }

At Holiday Rambler, we're dedicated to giving you more ways to help you create the RV of your dreams. That's why the Alumascapes Fifth Wheel and Travel Trailer feature a wide selection of exciting floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the high-quality woodwork, and you'll truly have a home away from home.

MYSTIC SEAPORT

GOLDEN HERITAGE

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Alumascapes features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum H and C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

Wood

Aluminum (Butt-Welded)

Alumaframe® (C-Channel)

EXTERIOR STORAGE:

There's plenty of room to bring along all your gear in the exterior storage spaces.

* Test performed by an independent testing facility, February, 1999. Based on measurements taken every 15 minutes.

IT'S 101° OUTSIDE.
DON'T LOSE YOUR COOL INSIDE.

How do you keep cool inside your RV when it's hot outside? Holiday Rambler has the answer, with our exclusive, multi-layer insulation concept. Just ask Charlie. It's his job to see how we stack up with the competition. He tested two forms of construction in a thermal chamber, one with our nine-layer roof and six-layer walls, the other with typical laminated RV construction. The result: the temperature in the competing test unit rose approximately 30 percent more per hour on average than in the Holiday Rambler test unit.*

9-LAYER ROOF: (top to bottom)

- Peaked roof with BriteTEK™ roof material
- Luaun backer
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- Vapor barrier
- Luaun backer
- Vinyl ceiling

6-LAYER EXTERIOR WALL: (left to right)

- Smooth .040 aluminum is standard; high-gloss gel coat fiberglass is optional
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Vapor barrier
- Interior paneling

SLIDE-OUT:

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting. In addition, the actuator has a mechanical room lock that is built in, and there are adjustable built-in stops for in and out positions.

- A Bearing packs are bolted in 4 places, locking the gear and rack in place
- B A manual crank and extension rod comes standard with every unit, to serve as override if needed
- C Actuator motor is positioned to provide smoother movement and reduce twisting on the slide-out room

6-LAYER FLOOR: "WORKS IN THE BASEMENT"

The underside of your fifth wheel or travel trailer features a 6-layer floor and a fully enclosed, heated and protective underbelly. The underbelly encloses the wiring harness and fresh water tanks. It helps protect the fluids from freezing and improves the overall insulation of the coach. The underbelly's outer shell is made of rugged composite material that withstands damage from road debris. By smoothing out the undercarriage, the underbelly provides an unrestricted air flow that results in easier towing and improved gas mileage. In addition, the frame is coated with a rust-inhibiting paint.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the towable's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP.

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers.

In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM

At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

WARRANTIES

12 MONTH
basic limited warranty

5 YEAR
limited warranty on aluminum or steel frame structure
of sidewall and roof

Applies to certain models. See owner's manual for complete details.
