Welcome to the 2010 Ambassador! Never before has luxury been so value-minded. And never before has a great value been so luxurious. So many great details combine to create a motorhome you’ll delight in calling home. As you enter the living area, notice the beautiful cabinetry with new oil-rubbed bronze hardware and intricate hardwood slide-out fascia. As you can see above, the cockpit is the cradle of comfort, thanks to Ultraleather™ six-way seats. Also, notice the large unobstructed view through the Panaview™ 1-piece windshield. Behind the wheel, you’ll find many advanced features, including rear vision with audio, an in-dash Sirius-ready stereo with iPod® connection and an optional GPS navigation system.
In the kitchen, bedroom and bath, the accent is on spaciousness. You’ll enjoy roomy cabinet storage, expansive polished solid surface countertops and a large four-door refrigerator in the galley. In the bedroom, you’ll luxuriate in a queen bed, with an optional Select Comfort mattress. Even the entertainment features are big — including the 26” LCD TV shown below and an optional DVD player. And in the bathroom, you’ll have plenty of elbow room in the one-piece, neo-angled shower.
THE ROADMASTER DIFFERENCE

Turn the key of the 2010 Ambassador and prepare to experience the best-in-class performance of the Roadmaster chassis. Roadmaster is the only chassis manufacturer with a 100 percent commitment to only producing chassis for luxury motorhomes. In fact, every Roadmaster chassis is custom built for the exact model and floorplan. That means you’ll enjoy a smoother ride, superior front-to-rear balance and unbeatable strength and reliability. We encourage you to take a few minutes to learn more about the many features that put Roadmaster in a class by itself.

SO MUCH TO ADMIRE.

The 2010 Ambassador stands out in a crowd whether it’s ruling the highway or parked at your favorite destination. From the high-quality awning package to the polished aluminum wheels to the full-length Holiday Rambler mud flap, every detail helps create a lasting impression. As you can see below, an optional full pass-through slide-out tray and side-hinged baggage doors eliminate the hassles of retrieving items from the storage bays.

ROADMASTER RR8R RAISED RAIL CHASSIS

1. The Ambassador features a gutsy standard Cummins® ISC 360 diesel engine with 1,050 lbs./ft. of torque.
2. A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.
3. Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
4. The main rails feature an exclusive raised rail design which provides for larger full pass-through storage bays with flush floors. Other highlights include a 3/4” thick frame rail — compared to the 1/4” of other manufacturers — and a stacked aluminum intercooler and radiator for optimum heat transfer and cooling.
5. Dual fuel fill allows you to fill the tank from either side of the coach, for greater convenience and flexibility at the pump.
6. This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust-inhibiting paint.
7. Eight air bags work in conjunction with eight gas-charged shock absorbers to prevent road trauma from ever reaching the coach. Ride height sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads. This system also stabilizes the coach on uneven surfaces.
8. Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS) gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.
9. Allison® 3000 MH 6-Speed World Transmission and electronic shifter. The three-point engine mounting system lowers the coach’s center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service. A 10,000 lb. tow hitch rating is the highest in its class.
COLORS AND PATTERNS IN PERFECT HARMONY.

Leave it to the designers at Holiday Rambler to provide you with three of its most enticing exterior colors and interior décors from which to choose. Select the one that fits your style — from warm and wonderful to cool and classic. Then, pair it all together with our popular solid wood Newport Cherry II cabinetry, and you’ve created a one-of-a-kind masterpiece all your own.

UNMISTAKABLE QUALITY.

The hallmark of a Holiday Rambler is beautiful solid wood cabinetry with impeccable attention to detail. Raised panel doors provide a residential touch, while the decorative slide-out fascia trim adds elegance throughout the living areas. The storage spaces are as durable as they are attractive, with sturdy drawers and heavy-duty ball-bearing drawer guides.
**Cockpit: Features**
- Adjustable Brake and Accelerator Pedals
- Rear View System with LCD Screen
- Easy Reach Cup Holders
- Interior Rubber Stepwell Storage Bucket
- One-Piece Polyethylene Pass-Through Storage Compartment
- Wheel Mud Flaps
- Full-Length Mud Flap
- 3M Film Front Mask
- Deluxe Full-Body Paint with Fades
- Roof Ladder
- Undercoating

**Options**
- Full Pass-Through Storage Bay Side-Out Tray (Complete Pass-Through)
- Standard Run Package: 3-Camera Vision System, Storage Bay Side-Out Tray, Slide-Out Battery Tray, Central Vac, Exterior Tank Monitor Gauges, Keyless Entry, RV Sim-Cam

**Chassis/Engine/Suspension: Features**
- Roadmaster Raised Rail Chassis RR8
- Cummins® ISC 360 Engine with Allison® 3000 MH 6-Speed Transmission and Electronic Shifter
- Engine Displacement: 8.3L/506 Cu. In.
- Torque: 1,050 lbs./ft. Max.
- Cummins
- Dual-Head Power-Controlled Heated Exterior Mirrors with Turn Indicator
- Polished Aluminum Wheels
- Undercoating

**Options**
- Prewire for Supplemental Braking System
- Engine Block Heater
- Automatic Hydraulic Leveling System
- 10,000 lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin

**Body Construction: Features**
- Steel Cage Cockpit Construction
- Laminated Sidewall Construction
- Peaked One-Piece Fiberglass Roof with Fiberglass Insulation
- Panaview® 1-Piece Front Windshield
- Front and Rear Molded Fiberglass Cap

ELECTRICAL SYSTEMS AND LIGHTS: FEATURES

• 50 Amp 12V Distribution Panel and Power Cord
• Power Control System
• 2,000-Watt Inverter
• Onan® 8.0 kW QD Diesel Generator
• Four 6V House Batteries
• Two 12V Heavy-Duty Chassis Batteries
• Battery Disconnect Switch at Front Door
• Porch Light and Exterior Step Light on Same Switch

OPTIONS

• Exterior Power Entry Step with Light
• Interior Stepwell Entry Step Lights
• Lights in Outside Storage Compartment
• 120V Receptacles in Outside Storage Compartment
• Underhood Utility Light
• Convenience Center in Hallway
• Decorative Lighting

PLUMBING AND LP SYSTEMS: FEATURES

• Single-Level Kitchen Faucet with Pullout Sprayer
• Bath Lavatory Faucet
• Central Water Filtration System
• Demand Water System and Water Pump
• Water Pump Switch in Convenience Center, Kitchen Galley and Service Bay Area
• 10-Gallon LP Gas/Electric Water Heater with Electronic Ignition, DSI
• Winterization Valet
• Water Heater Bypass Valving
• China Toilet
• China Toilet Electronic Silent Plus (41DFT Only)

OPTIONS

• Holding Tank Rinsing System
• Insulated Systems Compartment with Easy Access to Hookup
• Shower inside Wet Bay with Hot/Cold Water
• Gravity and Pressurized Water Fill
• One-Piece Neo-Angled Shower with Obscured Glass Door (41DFT Only)
• One-Piece Round Shower (N/A 41DFT)
• Oil Rubbed Bronze Shower Faucet with Slide Bar and Shut-Off Valve at Shower Head

• Holding Tank System – Holding Tank Flush System (Replaces Contained Storage Area for Sewer Hose)
• Power Water Hose Reel
• Neo-Angled Bathtub

• RV Sani-Con 1 System – Holding Tank System (Replaces Contained Storage Area for Sewer Hose)

• Holding Tank System – Holding Tank Flush System (Replaces Contained Storage Area for Sewer Hose)

HEATING, VENTS AND AIR CONDITIONING: FEATURES

• Dual 15M BTU Rooftop Air Conditioner with Ducted Air, Heat Pumps and Digital Thermostat Control
• Electronic Ignition Furnace (One 31M and One 20M BTU)
• Electronic AC/Heat Climate Control System
• Kitchen Powered 12V Attic Fan with Wall Control of Automatic Dome and Fan Power

OPTIONS

• Bath Powered 12V Attic Fan with Wall Control of Automatic Dome and Fan Power
• 12V Heater in Wet Bay

• Ceiling Fan in Bedroom

• Exterior Tank Monitor Gauge in Wet Bay

PLUMBING AND LP SYSTEMS: FEATURES

• Water Heater Bypass Valving
• Winterization Valet
• Water Pump Switch in Convenience Center, Kitchen Galley and Service Bay Area
• 120V GFI Protected Circuit Kitchen, Bath and Exterior

OPTIONS

• Demand Water System and Water Pump
• Central Water Filtration System

• Exterior Tank Monitor Gauge in Wet Bay

• Kitchen Powered 12V Attic Fan with Wall Control of Automatic Dome and Fan Power

• 12V Heater in Wet Bay

• Ceiling Fan in Bedroom

• Exterior Tank Monitor Gauge in Wet Bay

* Towing capacity is limited by GVWR, your vehicle’s towing capacity is the difference between the GVWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 2,000 lbs. Consult your owner’s manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual “usable” capacity may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is limited during due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit will differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Contact your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, specifications, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued and is no longer available at the time of your purchase. Photographs may show products or components that are not standard equipment. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome’s exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or due to variances in production, some features shown or mentioned in this brochure may occur, information represented within this brochure may not be accurate at the time of your purchase. Due to variances in production, some features shown or mentioned in this brochure may occur, information represented within this brochure may not be accurate at the time of your purchase.

For further information, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranty. To learn specific details regarding warranty coverage, please contact your selling dealership. The manufacturer, at its option, will provide a replacement vehicle, refund the purchase price, or repair the vehicle in accordance with the Limited Warranty. The manufacturer will not pay for any additional costs, including, but not limited to, loss of use, rental vehicle, or towing.
THE VIEW FROM ABOVE.

The 2010 Ambassador offers something for everyone, with overall lengths of 38 and 41 feet. The 38PKQ and 41SKQ have quad slide-outs for spacious luxury, while the 41DFT features the incomparable space and convenience of a full-wall slide-out and a bath-and-a-half layout with a full bath at the back for added privacy.

BUY LOCALLY. ENJOY EVERYWHERE.

Holiday Rambler strongly encourages our retail customers to purchase from their local dealerships whenever possible. Buying a new Holiday Rambler locally allows a customer to establish a relationship with a dealer close to home and provides convenient service and support from product-trained technicians. On our end, Holiday Rambler will continue to provide our dealer partners and customers with the finest recreational vehicles in the industry.

ALL ROADS LEAD TO WWW.HOLIDAYRAMBLER.COM

Wherever the road takes you, you’re never more than a click away from your friends at Holiday Rambler. Just go to www.holidayrambler.com for all the latest product news, club dates and destinations, a dealer locator function, and factory tour information. You can also e-mail us directly through the site at any time.
At Holiday Rambler, a brand of Monaco RV, it’s our goal for all our customers to enjoy their RV experience from the beginning. We have forged strong, reliable relationships with our dealer partners, and we encourage our customers to do the same. We’re proud to boast a network of over 350 dealership partners and service centers across North America. We’re confident that this relationship will only enhance your RV experience and provide the added peace of mind you desire, so you can focus on the important stuff. After all, we’re not just selling a world-class product, we’re selling “fun.” You can rest assured, Holiday Rambler and Monaco RV will be along for the ride, every mile your RV adventure takes you.
