THE SPICE OF LIFE

Augusta embodies Holiday Rambler’s legacy of universal appeal — tempting couples looking for a weekend escape or families looking to spend their next vacation in comfort and style. Augusta comes to you as three distinct offerings, the Augusta B-Plus, the Augusta Touring Sedan and the Augusta Sport. No matter which model you choose, you’ll discover a variety of features, like a skylight and fixtures adorned with a cool brushed nickel finish. With three different models, two solid chassis you can depend on (Ford or Chevy) and a host of options like full body paint and heated power mirrors to choose from, Augusta brings both variety and spice to life. (Augusta B-Plus 293TS pictured.)
WHERE LIVEABILITY AND DRIVEABILITY MEET.

From the driver’s seat, gauges are easy to read and switches and buttons are easy to reach while the optional wood grain treatment adds a touch of warmth to the dash. Above the cockpit, a 26-inch LCD TV provides you with primetime entertainment anytime. This is where liveability and driveability meet.
Log on to our website anytime, night or day. It’s your link to everything Holiday Rambler, including product news and updates, club events, dealer and service center info and much more. Take it for a test drive today.

HOLIDAYRAMBLER.COM
WE’RE HERE. ANYTIME, EVERY TIME.

- Reach us anytime — literally — via our live customer support line.
- Drive in to one of our 350 Service Centers.
- Enjoy the first year free when you enroll in our Owner Advantage Roadside Assistance Program.
- See where it all begins with a tour of our facility in Oregon. Call 1-800-634-0855 to find out more.

Due to continuous product improvement, please see the website for the latest in standards and options, specifications, and technical data.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.
