LF-39FB – Shown in Manhattan

Legend. Luxury. Lifestyle.
This elegant kitchen design includes a hand laid grouted tile backsplash, Frigidaire® range hood and optional dishwasher.

The well appointed rear entertainment model offers a contemporary design.
The Luxe is unlike any Fifth Wheel you have ever seen or experienced.

From the structural design to the interior & exterior fashion trends applied, no detail was ignored. Developed using a new styling direction and advanced towable technologies, the Luxe is leading a Fifth Wheel revolution. With amenities only found in high end residential housing, the Luxe redefines Luxury.

LF-39FB – Shown in Countryside

This interior offers many luxurious features including residential knotty alder cabinetry, 21 cubic foot residential refrigerator, 50” LED HD TV, residential furniture, and MCD day/night shades. This unique fifth wheel is the only one on the market to also feature soft touch interior sidewalls and ceilings.

Treat yourself with this comfortable bedroom and sleek bathroom featuring a lighted closet, dual vessel bowl sinks, and optional Sleep Number® king bed.
