It's time for the drive of your life.
Imperial gives you the freedom to create a coach that fits your concept of exquisite motor home living. You get six wood finishes. Four spectacular decor choices. Nine exceptionally livable floor plan choices (see page 12). And optional features everywhere (see page 14). What a place to call home — and entertain all your best friends!
It’s new. It’s bold. And simply gorgeous. We’re talking about the 2001 Imperial™ with its new paint scheme and graphics. Available in four decor choices. Now you have the best excuses ever to choose the busiest entrance to the rally — or your favorite campsite.
Notice that each exciting floor plan comes with a space-expanding kitchen-suite slide. And there's a bedroom slide-out in some models. The challenge is selecting the floor plan that best fits your concept of ultimate motor home sophistication.

Due to the large variety of options and floor plan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floor plans. Photographs may show props or deceptions that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks.
