HOLIDAY RAMBLER®

This is Living

Because you've

never been the type

to compromise.

You've waited. You've looked around. And now you've found it — the impressive new 2003 Imperial. How do you know this is the one? Simply take a glance at the details. Spacious triple slide-out floorplans. Designer carpeting. Beautiful wallpaper. A large, legless dining table. And the luxurious options of leather-faced furnishings and a wraparound computer table. You'll also appreciate the coach's attention to lighting — with decorative wall lights, a dining light, and gem lights with dimmer switches under the overhead cabinets. And attractive day/night pleated shades provide all the privacy you need. So who knows — tonight this may just be a luxurious roadside motel. But tomorrow, it could be a lakeside condo with a mountain view. The 2003 Imperial. Welcome home.
