This is Living®

HOLIDAY RAMBLER®

{ *This is Living*® }

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

2005 PRESIDENTIAL

DESIGNED TO SURPRISE YOU.

Whether you prefer a fifth wheel or travel trailer, the 2005 Presidential gives you more luxury than you'd ever expect from a towable RV. You'll have your choice of a wide range of innovative floorplans, including double, triple and quad slide-outs, as well as a selection of flat floor models. You'll also be astounded by the long list of standard and optional features, for a value-packed RV that's way ahead of the pack.

Holiday Rambler®

1954 ~ 2005

FIFTH WHEEL INTERIOR

{ THE DIFFERENCE IS CRAFTSMANSHIP. }

It's a different kind of experience inside a Presidential. As you look around, you'll immediately notice a more residential feel, with numerous high-quality details. The beautiful woodwork features raised panel cabinet doors and antique brass finish hardware. The entertainment center with smoked glass doors and a TV swivel base is the perfect place for the many home entertainment options. And throughout the RV, you'll enjoy plush furnishings, decorative light fixtures and fashionable window treatments.

As you can see here, the freestanding dinette table has a hidden leaf to easily expand to accommodate four chairs. Or, you have the option of a cozy wood booth dinette, with a storage drawer and arched back cushions.

ALASKA MARBLE DECOR WITH VINTAGE OAK WOOD

36RLT

FIFTH WHEEL INTERIOR

ALASKA MARBLE DECOR WITH VINTAGE OAK WOOD

36RLT

{ SIMPLY MAKE YOURSELF AT HOME. }

It's easy to imagine yourself and your family at home in the Presidential fifth wheel with so many stylish conveniences. The kitchen is highlighted by a solid surface countertop with composite sink and recessed range. You have a wide selection of appliance options, as well as the option of beautiful Wilsonart® plank flooring.

The residential-style details continue in the bedroom, with a hardwood headboard, an optional king bed, a cedar-lined wardrobe and a chest of drawers with hardwood top. In the bathroom, you'll enjoy the cheerful decor of the solid surface countertop, the medicine cabinet with cosmetic lights and the one-piece shower with glass door, standard on most models.

TRAVEL TRAILER INTERIOR

{ THIS BEAUTY WILL
FOLLOW YOU ANYWHERE. }

Not all travel trailers are created equal. And leading the field is the Presidential. Its stylish living and countless thoughtful conveniences make it truly one of the biggest values on the road. Allow us to point out just a few of the highlights, including the incomparable woodwork, plush furnishings and wide range of entertainment options. The dining area features a wood booth dinette or the optional freestanding dinette table with hidden leaf, shown here.

In the kitchen, you'll have everything you need to prepare a gourmet dinner for four or a quick snack for one, with a long list of optional appliance upgrades from which to choose. The bedroom features a queen bed and plenty of storage spaces, depending on your floorplan. And in the bathroom you'll appreciate the easy-to-clean solid surface countertop and one-piece fiberglass shower.

FIFTH WHEEL &
TRAVEL TRAILER

CELEBRATING THE FREEDOM OF CHOICE.

At Holiday Rambler, we're dedicated to giving you more ways to help you create the RV of your dreams. That's why the Presidential fifth wheel and travel trailer feature a wide selection of exciting floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the high-quality woodwork, and you'll truly have a home away from home.

CONSTRUCTION

FIFTH WHEEL &
TRAVEL TRAILER

Alumaframe®

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Presidential features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Wood

Aluminum
(Butt-Welded)Alumaframe®
(C-Channel)**SLIDE-OUT:**

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting. In addition, the actuator has a mechanical room lock that is built in, and there are adjustable built-in stops for in and out positions.

- A Bearing packs are bolted in 4 places, locking the gear and rack in place
- B A manual crank and extension rod comes standard with every unit, to serve as override if needed
- C Actuator motor is positioned to provide smoother movement and reduce twisting on the slide-out room

**10-LAYER ROOF:**

- A Peaked roof with BriteTek™ exterior
- B Luaun backer
- C Thick, tapered bead foam insulation
- D Aluminum double I-beam superstructure filled with fiberglass insulation
- E Vapor barrier
- F Structure foam: thermal insulative barrier
- G Vapor barrier
- H 1/2" bead foam insulation
- I Foam padding for extra insulation and interior noise reduction
- J Padded vinyl ceiling

6-LAYER EXTERIOR WALL:

- A Smooth .040 aluminum is standard; high-gloss gel coat fiberglass is optional
- B Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- C Vapor barrier
- D Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- E Vapor barrier
- F Interior paneling

TRAILAIR® AIR RIDE SUSPENSION SYSTEM:

The optional Trailair® suspension is a revolutionary new system that lets the RV's axles work together instead of opposing each other. Included in the Trailair® suspension is a horizontal, axle-mounted air bag that absorbs road bumps, keeping them away from the RV. This air-enhanced component results in a safer, smoother and more comfortable ride, plus easier, more stable towing to protect your cargo.

IT'S 101° OUTSIDE.
DON'T LOSE YOUR COOL INSIDE.

How do you keep cool inside your RV when it's hot outside? Holiday Rambler has the answer, with our exclusive, multi-layer insulation concept. Just ask Charlie. It's his job to see how we stack up with the competition. He tested two forms of construction in a thermal chamber, one with our ten-layer roof and six-layer walls, the other with typical laminated RV construction. The result: the temperature in the competing test unit rose approximately 30 percent more per hour on average than in the Holiday Rambler test unit.*

* Test performed by an independent testing facility, February, 1999. Based on measurements taken every 15 minutes. For full details, visit your local dealer.

6-LAYER FLOOR: "WORKS IN BASEMENT"

Your fifth wheel or travel trailer features a six-layer floor and fully enclosed and insulated underbelly. The smooth underbelly contains freshwater and wastewater tanks, dump valves, wiring harness and heating ducts — all of which helps keep the fluid tanks from freezing and improves the overall insulation factor of your Presidential. The smoothness of the underbelly provides an unrestricted air flow that results in easier towing and improved gas mileage. And the outer shell of the undercarriage is made of rugged composite material that withstands damage from road debris. In addition, the frame is coated with a rust-inhibiting paint.

BODY AND FRAME CONSTRUCTION

STANDARD FEATURES

* Weights may vary by options.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the towable's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.

SPECIFICATIONS

PRESIDENTIAL TRAVEL TRAILER

Weights*	30FKS	32FKD	34SKD
Gross Vehicle Weight Rating (Lbs.)	11,000	11,500	11,500
Hitch Weight (Lbs.)	1,205	1,154	1,128
Axle Weight (Lbs.)	5,200	5,200	5,200
Unloaded Vehicle Weight (Lbs.)	7,490	8,750	8,880
Net Carrying Capacity (Lbs.)	3,510	2,750	2,620
Tire Size	15"	16"	16"
Tire Load Range	D	E	E

Measurements

Overall Length	30' 10"	33' 10"	35' 7"
Overall Height	11' 3"	11' 3"	11' 3"
Exterior Width	98"	98"	98"

Tank Capacities**

Water Heater (Gal.)	6	6	6
Gray Tank (Gal.)	40/40	40/40	40/40
Black Tank (Gal.)	40	40	40
Fresh Tank (Gal.)	50	50	50
LP Tank (Gal.) ***	30 (2)	30 (2)	30 (2)

* Weights may vary by options.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP.

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM

At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

WARRANTIES

12 MONTH
basic limited warranty

5 YEAR
limited warranty on aluminum or steel frame structure
of sidewall, roof, front and rear cap

Applies to certain models. See owner's manual for complete details.
