WHEREVER YOU GO, IT’S GOOD TO KNOW YOU’VE GOT CONNECTIONS.

Drive away in a new Holiday Rambler, and you enter a world where there are no strangers. One where you’re always welcome to pull up a chair and swap stories. And where there’s always someone around the corner to give you a hand.

For almost 50 years, Holiday Rambler has been working to perfect your RV experience. And from the moment you leave the dealership, you’ll become a part of it all. To start you on your way, you’ll receive a one-year free membership in the Holiday Rambler Club, plus 24-hour emergency roadside assistance. We’ll also sign you up for a one-year free subscription to our Holidays magazine.

Owner Advantage Program

As a Holiday Rambler owner, you’re invited to join our comprehensive Owner Advantage Program. With this impressive roadside assistance package, Master Certified RVDA Technicians and ASE Certified Technicians are on call 24 hours a day to handle any problems you may experience with your coach. But that’s not all. Members of our Owner Advantage Program also receive the following benefits: unlimited roadside service, fuel delivery, tire change, battery jump start, lockout service, trip routing and maps and much more.

But that’s not all. Members of our Owner Advantage Program also receive the following benefits: unlimited roadside service, fuel delivery, tire change, battery jump start, lockout service, trip routing and maps and much more.
You’ve found the best way out of town.

Introducing the all-new Traveler by Holiday Rambler. Our latest motorhome is smart and agile — without sacrificing amenities. How does it work? You simply lower the unique Electro-Majic® overhead bed into place at night, and in the morning, it retracts into the ceiling. You also have the luxury of a sleeper sofa, as well as a wide range of furniture options to suit your lifestyle.

In addition, the Traveler includes many of the same features you’ve come to expect from Holiday Rambler, including our exclusive Alumaframe® Superstructure, large storage compartments, and of course, a well-appointed kitchen. And to help make the coach your home-away-from-home, you’ll have your choice of three beautiful color schemes and three different cabinet finishes.

Looking for a value-minded motorhome that’s ready to go? Look to the new coach in town — the 2003 Traveler.

Living Area with Optional L-Sofa:
Each Traveler floorplan offers a unique combination of plush furnishings in a variety of configurations. For example, the 30PBS model features the option of an L-sofa with barrel chair, shown above. As well as the added touches of matching window treatments, padded carpeting, and a wide range of lighting, including a decorative dining light, recessed halogen lights under the overhead cabinets, and three snake lights in the living area.

Electro-Majic® Bed:
At the touch of a button, the exclusive Electro-Majic® bed with mattress and sleepsac lowers from the ceiling into place, giving you a good night’s sleep with maximum efficiency.

30PBS in Island Mocha with Autumn Haze Oak cabinetry.
Thanks for taking a look at the 2003 Traveler. At Holiday Rambler, we understand that great experiences on the road start with a great RV. Whatever your passions and wherever your destinations, our coaches are designed to lead you to the adventure around every corner – to let you meet the Great Outdoors on your terms, at whatever pace you choose. So here’s to the freedom of the open road. And here’s to a new world of possibilities – in a 2003 Traveler from Holiday Rambler.

**TRAVELER SPECIFICATIONS**

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit’s tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome’s exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by placing the photographs within the sales brochure. Due to product improvements, changes during the model year, and differences in the manufacturing environment, the painted colors of your purchase may be different from those provided in the photos or on the text. Your final colors will be based on your actual purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs.
